

**January 10, 2016**

**Jesus:** My children, I call you to be My disciples, to follow Me, to leave behind all worthless desires and seek Me in holiness, in love.

Those with clean hands and pure hearts, and desires not worthless things shall receive My blessings and shall be saved by My mighty hand.

Let Me lead you, for I am your light, the light that will lead you with joy to My holy mountain, where you will rejoice for all eternity.

I am the giver of all good gifts, and cleanse you from all stain of sin and make you pure of heart.

Dwell in Me throughout your everyday lives, as you reach out to those in need of My love and Mercy.

Know that when you reach out to those who yet do not know Me, I will be by your side, helping you to do My Will with courage and faith.

May My people that you tend to come to know that I am the source of life and in the light of My glory, they will find true happiness.

Remember this My little ones, the world is seeking novelties in devotions, they are neglecting true devotion to Me.

This is why there is error and disunity and this is why there is no peace or light, it is this light that gives knowledge of truth.

May every soul call upon Me, their God, and give Me all honor and glory, that they may never die in error.

**During the 2nd decade**

**Jesus:** Dear Ones, Your true perfection is based on My Word and My grace.

With My help, you can gain a self-control that is far beyond anything dreamed by the world.

This control is needed even in things that are good and holy in themselves.

Look first to your duties and your obligations, any holiness that makes you neglect these is not from Me, your loving God.

**January 25, 2016**

**Jesus:** My children,

By waiting and by calm, you shall be saved, your strength lies in quiet and in trust.

Peace, My dear ones, lies in surrendering to Me in trust and living by My love, never in fretting over the wrongs done by others.

When one has undue concern over evils that he cannot mend, prevents him from taking true delight in Me.

Commit your life to Me and I will act, be still and always wait in patience, never worry about those who prosper.

Calm your anger and forget the rage build inside you, for it only leads to evil. I tell you, those who do evil shall perish, and those one who is patient shall inherit the land, and the humble will enjoy fullness of peace.

Be kind to one another, compassionate, forgiving one another as I have forgiven you. Pray for the spirit of compassion, to lead all on the way to salvation.

May every soul call upon Me, their God, and give Me all honor and glory, that they may never die in error.

**During the 2nd decade**

**Jesus:** Dear Ones,

Grace is your only hope in this life, for even when it seemed that I was forsaken by My Father, I was never alone. My Father was with Me always because I am in the Father.

Therefore, remember you will never be abandoned and alone in this life, for I am with you always.

**January 25, 2016**

**Mother Mary:** I your Mother, pray for all those in this world that are in need of purity of heart, that they may will always, what God wills.

May you trace in your actions the lines of My love and the readiness of My faith. Let Me be the gate of light to all who walk in darkness down dead-end roads and bring new hope. May you learn to withdraw each day into My Son's presence in prayer, that you may live in full fidelity to His covenant of love.

Offer Me your heart, that I may help you detach entirely from the world, from self-will and from all that is displeasing to God.

***I love you all so dearly and I will always be with you.***

**February 8, 2016**

My Children,

War is a punishment for the grave sins of mankind. It is the lovers of My Body and Blood who will hold back My arm of divine justice, that your world may not be destroyed, that greater punishments may not befall. Peace will come, but at the cost of much bloodshed. I need persons to love Me in the Sacrament of My love. Invite people to prayer and penance, so as to be inflamed with My love. I tell you, My dear ones, that I pity the world, what will become of it if it does not listen to My divine appeal.

My Mother comes to Her children as a loving Mother of Mercy, asking them to speak about the Holy Eucharist and about praying the Rosary, the weapon needed to bring forth peace and unity. I am pleased with simple and humble souls, who are so often ignored and despised by the world.

In these times there is a great need for lessons in holiness, which is the true fulfillment of every human and Christian vocation and consequently the elevation of a creature to the supreme height of moral beauty. Offer yourselves daily to My Sacred Heart and the Immaculate Heart of My Mother for the salvation of sinners, and peace in this immoral world.

**During the 2nd decade**

My Children,

In trust I hear your plea, your cry for help.

I am the sole Hope for all the world.

I accept all your psalms and hymns of praise and thanksgiving.

I will cleanse you from all sins of thought, word and deed.

Your sins, dear ones, I will remember no more.

Peace be with you.

**March 14, 2016**

My Dear Ones,

Continually ask for the grace to seek out and understand My words.

You must recognize that what the world gives is not what I created you for, you are on a pilgrimage to come to your home, in My Heavenly Kingdom. The world, My dear children, is Satan's battleground, and that evil and temptation come from him, who wishes to destroy you and take possession of you. Without trust the world takes control and destroys your peace and turns everything into hatred.

Greed, envy, lack of patience and understanding are all what the world provides, but it cannot forgive as only I can. I have given My people the true gifts, the gifts of love, faith and forgiveness that enables you to exist. I desire to give you a great thirst for prayer, prayer of thanksgiving and praise, that so please Me for all I have given you. I grant you the grace to seek the peace that comes from true freedom, that will place Me as the first priority in your lives.

I want to fill your hearts with love that you may spread it to all around you. Remember the words I have spoken, "Peace I leave with you, My peace I give to you." I will give you this peace to fill your heart with joy to understand that My real peace will be with you in the life to come.

**During the 2nd decade**

My dear ones, by My precious blood which is offered and received throughout the whole world, I will deliver souls from all evils, past, present and to come. By My most cruel death, I will give to you a lively faith, a firm hope and perfect charity so that you may love Me with all your heart and soul and all your strength. My love endures forever.

**March 28, 2016**

**Jesus:** My dear children,

Nourish the life of your soul with My holy presence as much as possible. Seek My holy will, this should be your purpose here on this earth, in all the work I ask of you. There is a great need to love one another and so many souls fail to do this as I have commanded.

Love everyone, your parents, your children, all those that I surround you with, especially the elderly, who are so neglected, they are in the way, so many say, they are too much work, and so they are abused in some cases. Not so, not so, My dear ones, they become as a child, dependent on the help of others, you must tend to their needs. They need to be loved, to be given support, not to turn your back on them and choose who to love and those to ignore.

I have given you corporal and spiritual works of mercy, and I have stated, "Whatever you do for the least of these, you do unto Me" I tell you, deny yourself and assist those who seek your support. I have given you this great grace, to recognize the opportunity to be a source of love to those who need help, to be a shepherd to My people from the beginning to the end of their life.

I have given you special souls to care for, it is the end of a life I allow you to help prepare for entry into eternity. Be aware, My little ones, what the basis of your own judgment before Me will be, always love and care for one another, your reward will be great in the life to come. Go in peace.

### **During the 2nd decade**

My children, I tell you, throw off the works of darkness and put on the armor of Light. Darkness prevents you from seeing others as your brothers and sisters in me, your Lord and Savior. Brighten your life with the light of mercy, acceptance and unconditional love. Let the light of My holy love shine through you to touch souls, let Me help you to conduct yourself properly according to My holy will.

Immediately following Communion:

Those who trust in Me, will one day be with Me in My eternal Kingdom.

**April 11, 2016**

**Jesus:** I am the source of all your blessings, a bright light guiding your path each and every moment. A new light shines within your eyes, for your hearts reflect My love each time you praise My holy name.

Seek My holy will for I am the power source within you, a pentecostal flame. I will give you My strength to face all problems that you encounter. I will walk with you in the calm and in the storm. Cast all worry aside and trust in the One Who has created you. There is no need to tremble, did I not fashion every flower all created as a colorful rainbow? Every hair on your head has been counted, so just have faith for I am near, nothing is impossible, have peace of mind.

You need to realize that I am the way, that the peace you seek can only come from Me, for I can calm the waters and tell the wind to be still. I can restore peace and love. Patience is so important, My little ones, the world wants to pound you down. You are controlled by endless things, your energies are drained and your nerves become frayed.

I tell you replace urgency with submission to My will. Let Me help you to understand rather than demand. Relaxation and not frustration. Ask for the grace to adapt all your days to My plan and to My will.

Go in peace.

### **During the 2nd decade**

You are members of My mystical body, you live with Me, suffer with Me and co-redeem with Me. If I had never come into the world, you would all still suffer but your suffering would be as many souls still continue to experience it: meaningless. I have come and I have transformed your lives and your suffering by giving you a role with Me in the work of redemption.

All man's sorrows continue to be My sorrows, My passion.

**April 25, 2016**

**From Blessed Mother:** My Dear Child, indeed, the presence of God and My presence were with all of you as you honored Him with your love. I the Mother of God will always be present to those who love and adore My Son. He is the way, the truth and the life, your salvation. The scent of roses was poured out over the whole event showing my love for all of you.

The testimonies had many begin to examine themselves and understand the struggles and hardships of their fellow brothers and sisters. They were given the grace to confess their own failings and misfortunes. The healings were brought upon by the power of the Holy Spirit, many were healed, spiritually, mentally and emotionally through the mercy of God.

I have told My children often of the importance of prayer. Everyone must pray, attend prayer meetings, conferences such as this one and any work done in the Name of My Son for the greater glory of God. This is so much needed, especially in the times you are all experiencing. Continue to bring the light to others in this world so filled with darkness and hatred. Show them the love of God in all you do.

I, the Mother of God will be with you and lead you closer to My Son each moment of your life.

Let peace reign in your hearts, My little ones.

Thank you for your outpouring of love and devotion.

**Jesus:** My Dear children, never wander away from the path that leads to Heaven. I am the only school that offers a course in holy Love. I desire to teach you to hide yourself in Me, so that I may remove in you all the vain wisdom of the world and completely inflame your heart with My love.

I enlighten every soul who comes into the world, who directs every will and gives in wisdom the sublime truths of My holy word. The lessons of perfection are numerous and come from My divine heart, so that My people may produce abundant fruits of christian virtues.

Let Me instruct you to become My disciples, to open the door of your heart and make you docile to My divine words. It is the wisdom of heaven that entirely surpasses all earthly wisdom, I came to teach humility and meekness, I am your model and master in humility and charity. I will make your joy complete by your becoming one in love, one in heart and one in mind with Me, so that nothing is done out of jealousy or vanity, but out of humility.

I tell you My little ones, be recollected and silent to listen well to My voice and teachings, so that you will then respond fully to the inspirations of grace that I desire to give you from My sacred heart.

Go in peace.

### **During the 2nd decade**

**Jesus:** Remember My children, faith is a gift, often say these words to Me.  
"Dear Lord, increase my faith."

You must truly believe that it is I alone who can increase your faith, your part is to merit this increase by prayer and good works. You must exercise it, it is a force that must not remain inactive, this power must go on getting ever stronger by corresponding acts.

**May 9, 2016**

**Romans 7: 9-25**

My Children, I will give to your hearts gifts of joy, glory, grace, kindness, power, love and faith. You will begin this journey of life receiving everything from My Heart, your loving God. Your bodies were created by My hand and your spirits quickened by My breath.

Everything of this earth was given to you by Me. The air, the water, all the seeds that are planted. You have received all these wonderful gifts. Your life is of Me, through Me and to Me.

The greatest gifts are yours, My little ones, the gift of forgiveness, eternal life, the Holy Spirit, and being one with Me.

You will receive grace and mercy when you become joint heirs with Me and members of My Body, the Church.

It is only when you receive these great blessings from My Heart that you can give the gift of My Love to all other souls.

I desire to give these abundant blessings so that you can become generous givers from My Heart to your heart to all others.

I tell you, "The Rivers of Living Water are to flow out from your most innermost being. The seeds in your hands are to be scattered everywhere so that My Love that comes from My Heart is shared with all My Creation. "

Remember, "as long as you are giving away the things that I have given you, you will never be empty. My provisions are without limit, My grace is endless, and My Love is boundless. I will forever replace what you have given and I will return to you in even a greater measure all you have given away.

**During the 2nd decade**

My child. I tell you, there are many sinners leaving their evil ways and returning to Me each and every day. You, the just, are praying for sinners and it is happening. Your prayers are being answered. For I your God, willingly hear the prayer of a Christian, not only when he prays for himself, but when he prays for sinners. You must pray for yourselves, but remember charity must induce you to pray for others.

**May 23, 2016**  
**Wisdom 7:6-14**

Dear children,  
It is My joy to help you, I can forever do great things with a soul who unreservedly gives themselves to Me.

There are many souls who love Me and long to be with Me forever, a single one of them can purchase pardon for a great many others on this earth that are cold and ungrateful.

Never forget that I always am, and love to be, most kind and merciful towards all mankind.

Remember, work is a joy and a great dignity to man, but what I ask and desire is not merely your work, but I desire you.

You, My dear children, dishonor Me when you leave Me to think only of your work. Have I not told you that *“My Kingdom is not of this world.”*

This is why I do not seek to make My Royalty resplendent in this world of matter.

I dominate matter and merely lend Myself to it. This is the reason I seek, by preference, and appearance of poverty where matter is very little honored. This is why I am in reach of every soul.

I tell you, you will be able to understand that it is by freeing yourselves from matter that you will discover the world of the Spirit.

Give and give, become poor so that there may be in you and around you only one beauty, Me, your loving Jesus.

### **During the 2nd decade**

Dear children,  
My Holy Word is living and effectual, more piercing than any two-edged sword, and reaching the division of the soul and the spirit.

But in order to hear My divine voice and to enjoy the vision and loving conversation, much recollection and great purity of heart are required. I tell you, I do not cease to speak to all, but many are deaf to My voice.

**June 27, 2016**  
**Ephesians 5:10-20**

**Jesus:** Dear Children, there are so many that are sad and lonely in this world. They have forgotten to turn to Me, their lovely God, Who is all Holy and desires to drive all your cares away. When someone you love fails you, come to Me and confide in Me for I am all true, and will make right every wrong. My heart, dear ones, is your true refuge, one can always flee to Me, even when your hopes are failing, I am your true Friend and will always be with you.

I will soothe your lonely spirit, love, bless and say to you, come to Me, My beloved child today and every day of your life. Come and listen to Me that I may teach you My ways, that you may enjoy life, long life and total happiness.

Turn away from all evil and do good to all, most of all strive for peace with all your heart, this is My command to love one another.  
My unfailing love and mercy will continue forever.

Let Me be your all, your hope and your salvation. Trust in Me through good times and bad times, wait in patience so that I will come to save you. I will not reject My people, you may endure sorrow, but My love for all is sure and strong, I take no pleasure in causing souls grief or pain. Remember, My little ones, there is nothing in all creation that will ever be able to separate My love for you.

Go in peace.

**During the 2<sup>nd</sup> decade**

**Jesus:** My Children, I tell you, whenever one asks for a particular state in life, may it be the priesthood, religious, matrimonial, or any other, I will not hear you, for only I, your God, know what will be best for your physical, intellectual and moral constitution.

Pray in this way to beseech Me and direct you by such ways and means as well preserve you from sin and make you more holy and lead you to eternal life.

*"Lord, what would you have me do? My heart is ready,  
O My Lord, My heart is ready.  
Show me Your ways and teach me Your paths.  
Guide me by these ways that will lead me most safely to eternity."*

**July 11, 2016**  
**Ephesians 3:12-21**

**Jesus:** Dear Children, always listen to the promptings of grace, when you hear an uncharitable criticism about someone, do not agree but remain silent, for these small graces will mount up and up, and I will be pleased with you. Remember My commandment to love Me with your whole heart and soul and with your whole mind and strength.

I intend you to serve Me out of love, when I want a soul to come near to Me I invite them. I extend an invitation by giving the soul a desire to come to know Me and Love Me. If anyone should feel that desire no matter how weak, you can be assured it has come from Me, your loving God. I never begin and leave My work undone, I will gratify the desire which I have inspired, if one will be faithful. If I were never to gratify you, My little ones, I would be acting like a mother who held a picture in front of her child, and whenever the little one reached out for it, drew the picture away, merely teasing the child.

I tell you, let it be a great source of comfort to you to know that the circumstances in which you are placed are those circumstances in which you can serve Me best.  
Your loving Jesus.

**During the 2nd decade**

**Jesus:** Dear children, Listen to these words: My people do not believe in sin. If he should do wrong personally, he is sick, but he is not a sinner. What has been forgotten is that sin is not the worst thing in the world. The worst thing is the denial of sin.

If one is blind and denies there isn't any such thing as light, he shall never see. If deaf and denies sound, then he shall never hear. Therefore, if My people deny there is sin, they make forgiveness impossible.

**The Hawthorne tree**

**Jesus:** I desire an abundance of My people to plant this tree (Hawthorne tree) that will help souls in times to come with their sickness, especially the little ones. Pick the leaves and dry them out, then place them in a glass jar and use them to brew tea. They will be a powerful force against sickness.

**Note:** *The Hawthorne tree was the tree that was used in the Crowning of Thorns.*

**July 25, 2016**  
**1 Timothy 2:12-17**

**Jesus:** Dear Children, I call you all to be humble servants, concentrate on your own errors and not upon your brothers and sisters.

You must see nothing in your neighbor except what is good and virtuous.

Carry not your own faults on your back, but in front of you, place your neighbor's defects in a sack and carry them on your back, never to see them.

When you are treated badly, do not complain, for you know that you are treated better than you deserve.

The humble man will always give Me, his God, thanks for all the gifts received. He is never discouraged or falls into despair, he knows to call upon Me forever.

Remember My little ones: Only when a box is empty can it be filled, only when the ego is deflated can I pour in My blessings.

Humility makes one receptive to giving to others. If one is not humble enough to receive from Me, then he receives nothing.

When one has great faith, it is because his humility is so profound.

The prayer of the humble and meek will always be pleasing to Me.

I tell you, bring peace, hope and contentment into your life and into the eternal life to come.  
Go in peace.

### **During the 2nd decade**

I tell you My children, there is no cure for want of love, but love.

*There will always be love for the lovable, but there will never be love for the unlovable, unless you begin to love them for My sake, for I am Love.*

**August 8, 2016**  
**2 Peter 3:3-14**

**Jesus:** My children, lift up your soul and trust in Me, for I your God will never disappoint you.

I will make known My ways and teach you My paths to walk in truth each and every day. I will give you Mercy and Love, never remembering the sins of your past.

I ask that you forgive others as I have forgiven you. Have pity on your fellow servants as I have pity on you. Give peace to all those who have destroyed your peace and grant love to those who have refused your love. Protect from injury those who have done you injury.

Remember My beloved servants to receive great Mercy is in a certain sense to become great Mercy. Mercy is your identity, for you were created out of My Mercy.

For all who call out to Me and hear My Words I will regard you as the apple of My eye and protect you always. My arms are always open to receive your humble and contrite hearts. Hearts full of patience, compassion, kindness, humility and gentleness, but above all these, love. Love as I have loved you.

Go in peace your loving Jesus

**During the 2<sup>nd</sup> decade**

I tell you My dear ones, prayer is the counter poison of pride. It is the antidote to the passion of all hatred; the stronghold for peace; protection against nuptial fidelity; for all storms in life; the source of all joy and for the dying. Prayer is for the transfiguration of the soul. Pray without ceasing that peace will reign in all hearts.

**August 22, 2016**

**James 4:5-10**

**Jesus:** Dear children in great afflictions and in temptations, I see My people weakening and lacking any power. They hasten to satiate themselves in the Fountain of Living Water where they drink of the Torrents of Grace and strength. They run to receive My Body and Blood where I give Myself to them as sustenance, life and power for their soul. The fortitude which they receive in My Divine Food will enable them to travel without any rest day and night to My Holy Mountain.

They know by experience that one who worthily partakes of My Body and Blood will live forever, for he will live in Me and through Me as I live through the Father. In all their needs they come with eager desires to My Sacred Tabernacles as to their secure refuge.

There they find protection against their enemies, relief from all their evils and pains and the strength and power to conquer themselves to rid themselves totally of the old person and to be re-clothed in the new.

Now they realize that the mysterious whispering which they perceived in the silence of the hearts was My voice who invites My little ones to a most intimate experience.

They realize that their refreshing sleep was a sublime reality which filled them with life and was their soul's rest in My Divine arms.

Your Jesus of Mercy.

### **During the 2nd decade**

I come to call you to conversion. The time is short. My people need to know that My Mother's time coming to you is short, you must take Her Messages seriously, before so many will perish.

Listen, open your hearts and listen to Her every word. She is calling you, take heed, She wishes to bring you close to My Sacred Heart.

My dear ones, since you must suffer in your temporal labors, make these works spiritual. Suffer for Me and you will find happiness.

Whatever you suffer with a holy disposition is a crown, without that disposition, it is a torment. Remember in the life of the spirit, suffering is not suffering, but joy.

**September 12, 2016**  
**Deuteronomy 11:13-25**

**Jesus:** Dear children, I have given an abundance of gifts to souls throughout their short lives on earth. I ask that these gifts, graces, may not be ignored, but in recognizing them one should give thanks for them and not to appropriate the glory to themselves.

“Because He that is mighty hath done great things to me.”

I have shown souls the great evils that are attacking My Church, the crimes of so many Christians, the sacrileges of unworthy priests, all the horror of schism's and dissensions that threaten to dislocate the members of My Mystical Body, and the force with which this whole weight of sin oppressed Me in the garden. Bear your crosses, for through them you will receive for yourselves and for others the salvation and the life that will enable you to enjoy, in spite of all things, an anticipated glory.

Souls that follow Me will never be wanting in spite of all the malice of the world. Pray that I may give you My Spirit of revelation in order that you may know and love Me and be able to appreciate the grandeur and splendor which I, your God deigns to grant My faithful servants.

**During the 2<sup>nd</sup> decade**

I say to you, prayer inspires the soul with courage to combat all your enemies, and patiently to endure every cross and trial that comes your way.

From weak, one becomes strong, fervent and enterprising. From being perplexed, to enlightened and from cast down, to joyful. Prayers is the answer to all things. Through prayer souls are allowed to converse with Me, their loving God.

**September 26, 2016**

**Thessalonians 2: 16-17, Thessalonians 3: 1-5**

**Jesus:** Dear children,

I desire to fill you with My love so that you may be a joy to all other souls. Your witness will be powerful and everything you set out to do will be interwoven with My tenderness.

Remember, My little ones, that by your works you can convert others, even the hardest of hearts, for the time has arrived for acts of truth, for Me your God.

My love will work in you and I will make use of you. You must have trust and hope in Me, because everything that

I desire, I desire for your good.

You are all My apostles that are living your earthly life united with My children that have not come to know My love, who do not know My Mother.

Never be afraid to witness Truth, when one is not afraid and with great courage, the Truth will win. Strength is in love, always remember this.

Love is sacrifice, mercy and forgiveness.

Many of My beloved Shepherds have fallen away, you need to pray exceptionally hard for them in fervent prayer, for they belong to Me, their loving God. I called them and led them, but they gave in to the world with all its empty promises.

Pray for all Shepherds that they will not get discouraged, but will have the faith, strength and courage to shine in My Light and lead souls to eternal life and happiness.

**During the the 2<sup>nd</sup> decade**

**Jesus:** I tell you My children, one of the greatest obstacles for souls to follow Me is that of being only concerned about acquiring material possessions.

When one is happy with spiritual gifts, such as love, beauty and goodness, you will find yourselves less interested in worldly pursuits.

**October 10, 2016**

**1 Corinthians 12: 14-26**

**Jesus:** Dear children, The existence of the spiritual senses of sight and hearing is undeniable. The angels and all the blessed see Me, their God, and see one another, even though they do not have bodies or corporeal vision. They speak and understand not with the sound of voices, but by direct communication of thoughts. Also, in a loftier manner, My Spirit speaks in the depth of one's heart.

He that hath an ear, let him hear what My Spirit saith to the Churches. I cried out, "He that hath ears to hear, let him hear." Those who heard Me had bodily hearing, but there were many who were spiritually deaf.

There are few who hear the interior voice that teaches my Divine Mysteries. The sinner loses, dulls or perverts the Christian sense.

When he hears the voice of truth, he does not understand it, therefore I tell you children of the Light, you must dispose yourselves, purify your hearts, enter into yourselves and try to approach Me in order to hear My sweet voice that is directed to all the saints and to all interior souls.

Pray in this way: "Speak Lord, for thy servant is listening. I am Thy servant, give me the gift of understanding."

Go in peace.

**During the 2nd decade**

**Jesus:** Dear children, I your God speaks more powerfully than any preacher you encounter.

The saints have become saints by means of meditation, those who practice meditation very rarely fall into mortal sin, and if they should at times fall into it, they will soon arise by means of meditation, and return again to Me.

Meditation and sin cannot exist together, My little ones. Strive throughout your lives to become saints. Pray unceasingly and meditate.

**October 24, 2016**

**Malachi 3:16-18**

**Jesus:** Dear Children,

I ask that you become discreet and prudent, following the brilliant and divine star, attaching yourselves to what is stable and renouncing the pleasures of the senses and all perishable things and unite yourselves with ardor to the Eternal Truth.

By uniting yourselves, you will truly experience the shining forth of the light and will hear the inspirations, notions, and promptings of My Spirit. You will realize My presence within you, living continually with Me, you will give way so that I can carry My work to perfection.

My place, My dear ones, is nothing other than your interior, for My Kingdom is within you. If one refuses to go where the treasure is, he has no reason to complain about being poor, for he who desires to find all truth should look within himself, always opening the center of his soul to me through loving aspirations, and tender signs, coupled with humble resignation.

Your loving Jesus.

### **During the 2nd Decade**

**Jesus:** Dear children, you are so special to me, to My most Sacred Heart. I ask only that you keep watch with Me on a daily basis, so that I may fill you with My grace and strengthen you as you go through tough times, such as these.

Place My full armor upon yourselves, and be ready for any confrontations with those who do not know Me and care not to know Me at this time.

Pray for these souls, for they know not what they do.

**November 9, 2016**

**Jesus:** My children, "Oh Sacred Heart of Jesus, I place my trust in You." With these words your prayers were answered to the candidate of lesser evil.

Only My Heart Who knows the depths of My Father's Love, could reveal to this nation, the abyss of His Mercy through prayers and sacrifices, so simple and so beautiful a way to reach a loving heart, a Heart full of Unconditional Love.

Prayer is the answer to all things. My Heart cherishes all the redeemed and is moved to pity for every human need, especially those of the unborn.

Pray for this new leader, that he will guide this nation down the right path and put an end to the atrocity of abortion that has caused so much pain and suffering.

Be at peace.

Your loving Jesus.

**November 13, 2016**

**1 Thessalonians 1: 2-10**

**Jesus:** My children, I am calling all of you to build a world of peace and unity. I will help you build this world if only your response is, "Yes Lord". Help this crumbling world to rebuild.

First, My little ones, I tell you, you must desire change, for I am your Lord of the eternal more. I am not about security, comfort and ease. One must follow My demands by having the courage to move forward and not just sit around drowning in self-pity and laziness. Open up new horizons that are capable of bringing joy that is born of My love and wells up in each heart with every act of mercy. Take the path that I have chosen for you so that you may encounter the sick, suffering and the abandoned. My love invites you to bring the Good News to others, being courageous, that means being free.

I call each of you, I hope in you, I expect you to answer My call.

I come to break down all the barriers to open all doors of your lives, your dreams and the way you see things.

I come to free you to open everything that keeps you from Me. I will help you to see that with you the world can be different, but you must offer the best of yourselves for this to take place. I am the way, the truth and the life, calling you to abandon the past of rejection, division and emptiness and to leave your mark on history.

Come, heed My call, surrender everything and let this dream come true.  
Your loving Jesus.

**During the 2<sup>nd</sup> decade**

Jesus came out of the statue and then went back to the picture on the wall where St. John Paul II was holding the Eucharist. Jesus was pointing to His Body and Blood, the answer to all things.

**Jesus:** My Children, empty yourselves of all selfishness to enable Me to fill you with My love. You must be completely empty if you want to be filled with My fullness. My mother had to be empty before she could be filled with grace. So, I tell you, empty yourselves of all pride and jealousy and whatever else is holding you from Me and be filled with grace and love. Go in peace.

**During the 4<sup>th</sup> decade** Jesus was holding out His Heart with His hands and was giving us His Heart. We were to hold out our hands to receive this precious gift, the love of God.

**Ann:** The vision got more and more powerful like a 3D movie. So moving, I felt His hands in mine as I reached out to embrace Him. As our prayers became more intense and from the heart, it pleased the Heart of Jesus to no end.

**November 18, 2016**

**Ezekiel 18: 23 - 32**

**Jesus:** My children, I ask that you seek a place of silence that will help you to pray, may it be in a church or a chapel in front of Me your loving God.

Create silence within yourself, My little ones, for I am your friend of silence. I wait for you always in silence, to speak to you and listen to you. In the silence of your heart, I will speak of My love, with your silence you allow Me to love you.

May you unite yourself with all your brothers and sisters throughout the whole world who are suffering in darkness and pain, always pray for them.

Make some concrete act of charity, an act of love towards someone in your own family, as a way of living more profoundly the spirit of giving.

Have great confidence in Me, who can do all things. It is your emptiness and lowliness that I need and not your plentitude. Ask for the grace to have unshakable trust in My power and love for you and for all mankind.

Your loving Jesus.

**During the 2<sup>nd</sup> decade:**

**Jesus:** My children, pray that faith may spread, for it transforms everything. When you make an act of pure faith it is the greatest act of love offered to Me.

Faith places you in the light of that order in which you were created, you must follow that light.

Faith, My little ones, is also a form of obedience, the submission of the mind.

Live by faith, for without it you will wander like sheep without a Shepard.

**Ann:** Our Lord was looking at all of us as we were praying, I began to say Viva Jesus, Come Lord Jesus, Come Lord Jesus.

Jesus became more brilliant in light and his heart was all aglow.

**December 12, 2016**

**Romans 14: 1-4**

**Jesus:** My children, every hour I try to draw souls nearer to Me and every hour souls try to draw back from Me. They call out, "Lord what would you have Me do?" I tell them, be satisfied with your lot in life. Do not ask to be richer, cleverer or even prettier. I am responsible for every detail of your life. When one is discontented, it is a rebellion against My Holy Will. Make it a rule, always to try and be content, for it will have a great effect on your life.

No matter if you are rich or poor, fine, ill or well. Accept it with joy.

Be eager to get on with your spiritual state, leaving it in My hands. I do not desire you to become saints in a day. I wish a virtue to grow. Acting up to grace means doing them well and humbly, for they are My Will. Then My little ones, you will become saints. Go in peace.

**Mother Mary:** Dear children, always remember that in the end love will win. I ask that My children never lose hope, even when you witness all the suffering and pain around you. I, your Mother, the Queen of Peace am always with you and will be with you forever. My dear Son has sent Me to help you in all that you endure. So do not lose hope, follow Me for the victory of My Heart is in God's Name. Live in My beloved Son, for He is the Life of the world. He is always thinking of His children. I ask you to live the Gospel, have love, forgiveness and make sacrifices so that you may open the door to the Kingdom. I the Mother of God, give you My peace and love forever.

**During the 2<sup>nd</sup> decade**

**Jesus:** My children, I tell you, it is not on account of your qualities that I love you so much. It is because I have given you life and because I continue to give it to you each and every day. It is also because I have redeemed you at the price of so much suffering. My dear ones, I Am Love, all Love, I will never cease communicating to My children the joy of loving and the joy of sharing My happiness. Be at peace.

**Jesus:** All the guardian angels are surrounding Our Lord, they have filled the heavens and this room. All the angels are with Jesus praising Him. Jesus tells us to keep our angel at the tabernacles day in and day out to keep him company. We must do this, it is very important. Deliverance must be taught now, time is essential and passing rapidly. Souls will be called to follow the way of truth or suffer the consequences of sin. We are to pray most reverently for this world that is in dire need of repentance, offer up your family asking for forgiveness and mercy upon them, bleed My precious Blood for them that their hearts of stone may turn to hearts of love and forgiveness. Your perseverances and strength can only come from Me, use these gifts of the Spirit wisely, never relying on yourself but on the One who has given them. Only I control, you are

My servants. Be at peace.

**December 25, 2016**

**(Luke 2:1-14)**

**Jesus:** My dear children, may your heart be full of joy and share this joy with all this day of My birth. This is the moment in time when the sinful human race is in need of forgiveness hope and joy.

This is a time to surrender everything to Me and give to Me all your sins, this is the gift of yourselves that I desire this day of My birth. This day as the choir of angels praise, adore and sing, "Glory to God in the highest and peace to all Men on earth," I ask you to praise, adore and sing to the One that has come to you to forgive your sinfulness and lead you to eternal life forever.

I am truly present in your hearts everywhere you go. Even though religion has lost its meaning, I your God has come into the world as a gift to bring mercy and love. Make yourselves available to all. I expect from My faithful servants to answer My call to love with all your being. Be kind to the poor, pray for the sick and lonely, and be open to others, always welcoming them, by your generosity.

You must seek the meaning of your Christian identity, always thinking of what I would do in every situation that you may be confronted with. Allow Me to take possession of your lives through your faith and trust. I ask you to communicate this deep faith and trust as though it were a bright shining star, always spreading My Word to all those in need. Lead others with joy and love.

Your loving Jesus
