

Who is Vigano?

Is he a Brave Whistle Blower?

Disgruntled employee?

Or part of the Big Bankers Old Boys club?

Look at the “Time Line” for insights.

To define the term “Pharisee fake News”, let us examine the scriptures. Under the appearance of righteousness, the Pharisees became the instruments that Satan used to Crucify the Son of God. In the Gospels there are two types of people. 1. Those who listen to and follow Jesus directly. 2. Those who rely on the Pharisees to inform them about Jesus. Those who followed Jesus closely would be amazed by His holiness. They would have observed Jesus personal poverty, His love for the poor, the wisdom of His doctrine, Jesus’ great miracles that allowed the blind to see and the lame to walk. Jesus forgiving sins with His great Mercy. For those who did not follow Jesus but relied on the Pharisees to inform them, they would have received a very negative report about Jesus.

The Pharisees accused Jesus for curing people on the sabbath (Mark 3:6), They accuse Jesus, saying, “How evil”. Jesus casts out demons by the prince of demons. (Luke 11:15) Jesus eats with tax collectors and sinners. (Matthew 9:11)

“Pharisee fake News” then and now is an agenda to ignore all the good things Jesus did and take things out of context so they could accuse Jesus until He gets crucified on the Cross.

Looking at the “Time Line” illustrates that Pope Benedict XVI started the cleanup of the Bank, once Pope Francis strongly continued to clean up the corruption in the banks, the attacks in the media came against the Vicar of Christ.

A VIGANO TIME LINE – Many have heard of scandals at the Vatican Bank. How does Vigano fit into that?

In 2009, Viganò was appointed (Vatican Bank) Secretary General of the Vatican City Governorate. In that role he was very successful and helped turn a US\$10.5 million deficit for the city-state into a surplus of \$44 million in one year. Vigano looks like a financial genius.

In 2010, (All the Red Flags were raised, no transparency desired to reduce money laundering.) Viganò suggested that the **Vatican should drop out of the Euro currency agreement** in order to **avoid new European banking regulations**. Instead, the Vatican (Pope Benedict XVI) chose to adhere to the Euro agreement and accept the new scrutiny that tougher banking regulations required.

13 August 2011, Pope Benedict XVI gets Vigano out of the Vatican bank.

January 2012 The Vatileaks scandal hits. “Shady Banking” and “gay lobby” are topics.

Feb 17, 2012 The NCR article “Five questions about the Vatican's leaks scandal” states that the Vatican leaks point out that Vigano was not a whistle blower but **disgruntled** for being thrown out of Vatican bank. Vigano didn’t want to go.

May 29, 2012 Time Magazine’s “The Vatican Scandals: What Did the Pope's Butler Know?” Under Pope Benedict, describes the **dismissal** of **Ettore Gotti Tedeschi** as head of the Vatican bank. Pope Benedict XVI saw the problem was deeper than just removing Vigano, he removed Ettore as well. The ongoing investigations were still digging deeper.

Feb 2013 - Pope Benedict Resigns.

March 19, 2013 First Mass of Pope Francis. (St. Josephs Day)

June 23, 2013 Vigano has his only vague discussion (30 second) with Pope Francis about McCarrick. Even though Vigano never used the words “sexual abuse” and never followed up with further comments or documentation to Pope Francis, it is based on this (Vigano’s vague word) Vigano wants Pope Francis to resign in Aug 2018. July 1, 2013 As Jesus cleaned the money changers out of the temple (John 2:15), “**Pope Francis cleans house at the Vatican Bank**” By Alessandro Speciale

https://www.washingtonpost.com/national/on-faith/pope-francis-cleans-house-at-the-vatican-bank/2013/07/01/6e581aa4-e290-11e2-8657-fdff0c195a79_story.html?noredirect=on&utm_term=.96bcee7b923d

VATICAN CITY — Two top managers of the Vatican Bank resigned on (July 1 2013), just five days after Pope Francis appointed an independent commission to conduct a top-to-bottom review of the scandal-plagued bank.

July 22-28, 2013 Brazil World Youth Day. Great success!

'Faith accomplishes a revolution in us,' Holy Father tells pilgrims. 3 million people coming to the Mass at Copacabana

Beach was a great miracle in a country where Marxist thought is seeping around to pervert the masses. The Pope Visit sparks a renewal of Christianity.

July 28, 2013 On the plane ride home, journalist asks Pope Francis about the “gay lobby” from Vatileaks.

Aug 01 2013 – Show World Over - The Pope Francis press conference & media reaction with Raymond Arroyo with support of his boss, **ignores** all the positive aspects of World Youth Day and starts an attack on Pope Francis (The Pharisee Fake News never stops. Is it retaliation from the Big Banker’s network???) Arroyo even shows a clip of James Martin SJ being asked what does he think of Who am I to judge? It is an obvious technique of propaganda. To associate Pope Francis with Fr. James Martin. (Mother Angelica would have defended the Pope and quoted the catechism, so the enemies of Jesus Christ could not take it out of context. Arroyo does just the opposite.)

Fr. Fessio says the “Who am I to judge” is taken out of context. The Pope quoted the Catechism.

Bishop Robert Morlino SJ defends Pope Francis & says ‘The mass media conspired with individuals within and without to concoct a Spirit of Vatican II as opposed to what actually happened in the Council, today the same thing with same sort of people are trying to concoct a spirit of Pope Francis rather than the real Pope Francis.

16 January 2014 Pope Francis fires all but one cardinal who run Vatican bank just 11 months into their five-year term

The cardinals were appointed by Benedict XVI shortly before he resigned. The Vatican bank was caught in a money-laundering row in 2010

Note: 2010 was the time frame when Vigano was in charge and now Vigano is upset that the Pope does not take his advice on who to appoint as Bishop in the USA. As Pope Francis cleans up the Vatican Bank, maybe he suspects that Vigano belongs to the “Bankers old boys club.”

5 June 2014 - “Pope Francis sacks the entire board of the Vatican’s financial watchdog.” (Still cleansing out the money changers)

The five Italians heading the Financial Information Authority (AIF) were replaced with an international group of experts, including a woman. Vatican insiders say the drastic move followed clashes between the board members, **who formed part of the old boys’ network** and the body’s Swiss director, René Brühlhart, an anti-money laundering expert, who remains in charge.

Sept. 23, 2017 (Attacks against Vicar of Christ) “Clergy and Lay Scholars Issue Filial Correction of Pope Francis.”

(My headline would have read, “Cardinal Burke and others dump the Filial Correction but the big banksters team up with schismatic Pius X Society to attack Christ’s Vicar.”)

Among the signers of the “Filial Correction”: former president of the Vatican Bank, **Ettore Gotti Tedeschi**, (A Fired Big Banker under Benedict XVI, see May 29, 2012)

And the Superior general of the Society of St. Pius X, Bishop Bernard Fellay (Schismatic Society, that was excommunicated by Saint John Paul II in 1988, they hate all Popes after Vatican II)

Sept 28, 2017 – (More attacks) Show “Pope Francis Given Formal Correction” with Raymond Arroyo World Over. <https://www.youtube.com/watch?v=Hchf186SrOI>

You can go to YouTube and see for yourself that since he started cleaning out the Vatican Bank, over 90% of everything Arroyo’s World Over has reported about Pope Francis, for over five years, is an attack against the Vicar of Christ. Most of the incredible positive aspects of the Christian events are ignored. Judge for yourself that this proves his show is promoting “Pharisee Fake News” of Propaganda. Arroyo and his boss may even mean well, but they are definitely a media instrument to attack the Vicar of Christ. **It is best not to watch it. Jesus said. “Be aware of the leaven of the Pharisees.” (Luke 12:1)**

Aug 2018. Pope Francis calls the faithful to pray and fast.

What is the remedy to Pharisee Fake News? The grace of God received through authentic Christian meditation as outlined by St. Ignatius of Loyola, along with consecrating your soul (Totus Tuus) to Jesus thru Mary.

“The Angels of the New Era” is an apostolate that provides great techniques for teaching your soul how to fly.
