

Evangelizing the Indians 11/22/19 by Guy Murphy

Hello Our Lady's army. Let us compare media coverage of Saint John Paul II with Pope Francis to see something amazing.

We are in awe to see how Our Lady's predictions are all coming true. At Fatima she said, "The Holy Father would have much to suffer."

Regarding the latest accusations against Pope Francis with the Indians, from the accuser of our brother, (Revelation 12:10) **They are statues, not idols.**

The (like minded Pius X society) falsely **criticized Saint John Paul II for the same thing.** Look at July 31, 2002 with Pope John Paul II the Great when he evangelized the Indians. The Pharisee-Christian Fake news said the same thing about Pope John Paul II as they are saying about Pope Francis today and tried to take everything out of context. (Luke 20:20)

Does the accusations against Saint John Paul II sound familiar? It is too bad Mother Angelica is no longer here. I think she is rolling over in her grave for the misuse of her once faithful programming.

Let us take time to **meditate on the scriptures** and we will see how the Pharisee Fake News was the tool Satan used to condemn Jesus to death on the Cross. (Matthew 27)

Fanatics all over the world today and for many years have been **burning down churches** and raping nuns and **accusing the churches of having idolatry instead of statues.** Please do not support that type of behavior.

Please pray and fast so you are not swept away by the Pharisaical accusing spirit.

What is the definition of Schism? CCC #2089 Schism is the refusal of submission to the Roman Pontiff or of communion with the members of the Church subject to him.

Stay with Jesus Christ, His Mother, His Vicar, His Church.

Peace and pray.
