

Garabandal - A Pending Prophecy

Modern Mystics: In the same decade as the first trip to the moon, village children in Spain spoke of visits from an angel and Our Lady of Mount Carmel. In this Focus TV episode, Guy Murphy covers renewed interest in Garabandal, and how global events foretold there are occurring today.

Supernatural Graces: The “seers” showed gifts of levitation, ecstatic walks, and Gifts of Knowledge, presenting rings and Rosaries for Our Lady to bless, and returning them correctly to strangers. When a host mystically appeared on a seer’s tongue, a man captured it with an 8 mm camera.
