

## **Proof Exists**

Join Guy in the “Simple School of Mary,” as this Focus TV episode shows that God is real:

- A chemical engineer, Guy found proofs of God’s existence with the aid of the Blessed Mother, whose soul magnifies the Lord.
- Guy tackles a misperception and shows that most scientists actually do believe in God.
- Hosted by “Our Lady’s Comedian,” Char Vance, this show uses props, a young volunteer, observation and reasoning powers, to prove God exists.
- Drawing on his Three-Part book series, *A Journey with Jesus: From the Bible to the Holy Land and Into God’s Book of Life*, Guy explores how Pope Pius XI warned of Marxist atheism penetrating modern culture, proposing this solution: St. Ignatius of Loyola exercises that teach us to meditate.

Proving God exists is the first of five steps to living the full life described in *A Journey with Jesus!* It paves the way to exploring 20 proofs that Jesus Christ is the Son of God, our Savior.
