

The Heart of Mary

Guy Murphy and his tour group were on retreat in Garabandal, Spain, praying St. Ignatian exercises, when they were asked to meditate an hour on “the soul that went to hell for one mortal sin.”

This Focus TV episode:

- Tells of Guy’s dramatic illumination at Garabandal.
- Presents an original animation of his life-changing vision of Our Lady of Fatima and Hell.
- Explores how spiritual exercises, prophetic visions and Marian apparition sites can enflame souls to desire sainthood.

Building for Mary: Reflecting on his first mortal sin, Guy realized, “I, too, could have gone to hell!” He felt called to promote the solution to the world’s problems – devotion to the Immaculate Heart of Mary – and to build a “House for Mary,” a unique retreat house in Garabandal.
