

The Inside Story of Our Lady of Good Success

Meet Catholic apologist, convert and filmmaker Matthew Arnold, and learn how he, the Focus TV crew, and Guy Murphy, all answered Our Lady's call to Ecuador simultaneously, to introduce the world to Our Lady of Good Success.

Mother Mariana:

- This Spanish visionary left home at age 13, to help her aunt bring Jesus to the “New World.”
- Twice raised from the dead, and a “victim soul,” this Conceptionist nun offered her sufferings to repair for the sins of today.
- Seeing visions of our modern era, she would have died of shock, if not miraculously sustained.

Our Lady of Good Success:

- Processed to this day, this miraculous statue was requested of Mother Mariana, by Our Lady.
- Our Lady's prophecies are difficult, but consoling, and are coming true in our day!
