

**January 14, 2019**

**Psalm 40:1-5**

**Jesus:** My children. Come sit with Me. For I long to tell each of you how much I love you and will always be with you. I so desire to always be a part of your life, to be a part of your plans each and every day, Divine and human, for My plans may be different from yours. In doing this, you will be in accordance with My Holy Will. For all, this life passes quickly, not to possess the things of this world, for they cannot possess the Kingdom through worldly goods.

I have called you, My faithful souls, to abandon yourself completely to Me, giving up the pleasures of this world and living in complete union with Me. By living in complete union with Me, you will make reparation for souls that are lost and need to be found before it is too late.

Complete abandonment brings the soul to a higher level of intimacy with Me, we are inseparable. You will live and breathe in My Heart and will always be surrounded with My Love. By one's obedience, I will grant them all they desire. They will have no fear. They will move about preaching My holy Word and showing by example My love. This love will be their driving force in saving souls.

Go in peace. Your loving Jesus.

**During the 2nd Decade:**

Jesus appeared very powerfully, His Heart was aglow with light.

**Jesus:** My dear ones. Since you must suffer in your temporal labors, make these works spiritual. Suffer for Me and you will find the happiness you search for. Whatever you suffer with a holy disposition is a crown, without that disposition, it is a torment.

remember, My dear ones, in the life of the Spirit, suffering is not suffering, but joy.

**Jesus:** Why do you think I dwell in this house? There is great faith here. Let no one take away your joy. This world saddens Me, I need your joy.

**January 28, 2019**  
**Colossians 4:14-17**

**Jesus:** I tell you, little ones, in your weariness and tiredness, I will always be your source of strength and courage. Never be afraid. I am with you to comfort and guide you. Place your trust in Me and know that nothing can defeat you. I will generously lavish your life with riches of the Spirit and create in your heart deep wells of gratitude so that you will share freely all of My treasures.

I implore you to give Me your hands so that I may lead you and show you the way of grace and salvation, have confidence in Me and adore Me each day of your life here on earth. Let Me be your place of refuge, so as you look towards the future, I will calm your heart and still your anxious minds.

Remember, all life is found in Me, all your hope begins with Me. I tell you, your life is of the utmost value in My eyes. Never for one moment think your life is empty. You must realize your nearness to Me and My claims upon you. Go in peace.

Your loving Jesus

**February 11, 2019**  
**2 Corinthians 9: 6-15**

**Jesus:** My children, I have said, “My sheep hear My voice, I know them and they follow Me.” You are all My sheep, dear ones, I have forgiven all the wrong you have done and took away the guilt of your sins. I am your shelter from all distress, and I will preserve you and bring you peace.

I lead you even when you do not see or feel My actions, that lies below the surface in the depths. There are many Souls still attached to the world, whether big or little, that hold them bound to persons and things and above all to themselves. You need to pray for them continuously so that they can be free to be guided by My hand.

Pray for those who call out for your compassion, have mercy on them, help them.

Honor Me with all your mind and love everyone in truth of heart, for I am your light and salvation. Walk in My ways today and all the days of your life.

Remember My faithful servants, what comes from the Holy Spirit or from nature is not yet yours, what makes them yours is the acceptance by the will, it is then that your responsibility begins.

Go in peace, your loving Jesus of Mercy

**March 11, 2019**  
**Philippians 2: 5-16**

**Jesus:** My children, I desire for you to believe that I can make the desert places in your life bloom like the Garden of Eden. Believe that I can and will bring Life where ever there is bareness. Let Me replace your doubt with belief, and your fear with faith.

Remember My promise that you will flourish like grain and blossom like a fruit vine. You will be watered with My Holy Spirit throughout your life here on earth. You will be faithful servants, strong and worthy and trustful.

My truths, dear ones, will fill you with hope. Wait in quiet before Me knowing that My promise will always be fulfilled. Thank Me always for giving you My beloved Mother, for I have entrusted you to Her loving care. Imitate Her faith and obedience and kindness. Ask Her to add Her prayers to your own, for who can better intercede on your behalf then your loving Mother.

Open your hearts and receive all the graces and blessings She wishes to bestow upon you each and every day. May a fire burn in your heart so that you will go out and share our love with all those that are sent your way.

Become a witness in today's ever-changing world, that is struggling for the truth. Become that light that shines in the darkness. Go in peace, your loving Jesus of Mercy.

*(Jesus appeared at the end of the first decade and several saints were with Him.)*

**During the 2nd Decade:**

My children, every door will be opened to those who seek Me, I am the Way, the Truth and the Life. Come to Me and feel the tranquility that comes from knowing Me and doing My Holy Will. The inner peace that My people struggle with every day, need not be. Peace is what I desire for all mankind not hostility and violence. Anger controls many hearts and causes much pain and suffering.

Abandon yourselves to Me and you will begin to experience the closeness and bonding between us, no anger or fear. I will possess all of you, not just some of you, we will be united and work together as one. Extreme peace and joy shall flow from you and hardened hearts will become softened by seeing your abundant grace.

Go in peace

**March 25, 2019**  
**2 Timothy 3:14-17**

**Jesus:** My Children,

I love a cheerful giver, one who gives with all their heart. One who gives, knowing that I will reward them a hundredfold in eternity.

Do charitable acts, acts of mercy and love to those in need of your kindness and generosity. Pray for the less fortunate, for when you pray the Rosary and offer My Holy Sacrifice for them you are so beautiful to Me, like flowers which after the snow show all their beauty, they become full of colors and are indescribable. This is how you too become after prayer, My dear ones, more beautiful and more dear to My Heart and the Immaculate Heart of My Mother. Listen to all the many Messages you have received from My Beloved Mother. Take Her Messages and share them with those that will listen, those that are searching for love, those whose hearts are ready to change their lives, and will take the Messages in a serious way and ponder them in their heart.

Make someone happy when they feel all is lost. Never worry about tomorrow and what may come. Live in My Divine Will, the present, for with Me your God, there is only present. Graces are given for the present, not past or the future, to help as many souls now, in the present, and continue to petition Heaven for all the graces needed to help others.

Your loving Jesus of Mercy.

**During the 2nd Decade:** *The first Sorrowful mystery was prayed, then we switched to Joyful for the remaining*

**Jesus:** Dear Children,

Walk My Way, love My Words, take My body and Blood, that is life. In My Words find everything, truth, way, wisdom, find love, and find Me. Do everything with Me, it is better when we do it together. The world allows the body to mature alone, but when you walk with Me, your body and spirit mature together with Me, not apart from Me. Take the Cross I have lovingly given you, for the Cross is different for each person because no two people walk the same footsteps.

Your Jesus of Mercy.

Ann commented that during the 2nd Decade she saw the Lords' eyes were red from crying and saw a tear run down his right cheek. He was sad because of all the souls He sees are lost.

**April 22, 2019**  
**Revelation 21: 1-4**

**Jesus:** My Children,

I tell you, I am the Lord, your God and there is no other.

I have not spoken from hiding, nor any other dark place on this Earth. I promise Justice and I foretell what is right. No one knows the depth of my riches, wisdom and knowledge.

You must pray in humility and seek My face, so that you will be protected against the pride that can and will destroy prayer. Let me be the source of life, for I know all your weaknesses, reach out to Me with joy to grasp My hand and walk in My ways. I am your shield that protects you, who saves the upright of heart. I am a just judge, slow to anger, rich in mercy, but I threaten the wicked every day, those who will not repent. Those that are going the wrong way, forgetting prayer, holiness, kindness, Justice and charity.

The state of the world has brought My beloved Mother to tears, seeing all the cruelty and sin, especially the killing of the unborn.

The time has arrived for the great cleansing for My beloved bride and the world. The Earth will be covered with a great darkness and there will be a great deal of suffering. During these times, those who believe must continue to pray and sacrifice and must not be afraid, for My Mother is relying on your faith and trust to help bring those in darkness the grace to come back to Me.

This all must happen to conquer the great evils that have penetrated My Bride and the world. As faithful servants, I ask that you remember your consecration to Me and My beloved Mother. Pray and never stop.

Your loving Jesus

**May 13, 2019**  
**Revelation 1:4-6**

**Jesus:** My children, your world has witnessed a profound change within My bride on an international scale. It is a change that is in step with the modern world, the world of today. The Freemasons are rejoicing for their ideas have spread magnificently over the Dome of St Peters. This, My dear ones, is the passion that My bride is presently suffering, My bride is in the state of auto-demolition. I tell you, My faithful ones, learn and live the traditional doctrine and morals of My Bride. To resist with all your soul the liberal trends wreaking havoc on My Mystical Body.

You must instruct all those with charity and love in the traditions of the faith and warn them of the errors of the times. Pray that a return to sanity may sweep through a sufficient number of the hierarchy. Place all your confidence in My Mother and all Her power to reorient your Church leaders back to a Catholic tradition. One must never compromise. Only My Mother can help you, for the present struggle is a supernatural battle, that must not be ignored.

I asked that all My followers faithfully fulfill the request of My Mother given at Fatima. This will be the key to destroying the errors of Russia, not only Russia but throughout the entire world including within My Bride. Remember this "In the promised triumph of Her Immaculate Heart, the unrepentant agents of Liberalism, Modernism, Naturalism, will all be gathered in a great ecumenical gathering with the "prince of your world" to receive the communal head crushing from the heel of My beloved Mother, the Queen of Peace.

Let it be known that this is no way pertains to My beloved Pope Francis, the Holy Father, a man of mercy and great faith. Your loving Jesus.

**During the second decade:**

Jesus and Mary appeared.

**Mary:** Dear children, I come to you this day, the feast day of My appearance at Fatima to bring good news. Yesterday, the day that is set aside for all mothers on this earth to be honored, millions of My beloved men and women honored Me their Heavenly Mother.

Because of this outpouring of love and devotion, the grace was given your beloved Vicar of Christ to honor Me with the announcement of Medjugorje.

I tell you My sons and daughters, the day will come when Medjugorje will be approved, just keep praying. It is real, just as many of My apparition sites have been approved and have brought a multitude to conversion of heart. My priests have witnessed these miracles because it has happened to so many of them. My messages have been taken seriously by those who believe and love My Son and desire to be with Him in the life to come. For the unbelievers and the skeptics, it is time to come and visit for themselves what is happening in Medjugorje; not only physical healings, but spiritual healings, a way to a new life and peace.

My messages are of the utmost importance and are to be read over and over from all the apparition sites to bring them closer to My Son, that forever awaits them.

Never hold back when the Spirit calls you to visit these special sites, places of holiness and peace.

Your world is full of hatred for My Son, make a difference, My little ones, by loving Him and giving your life to Him and letting Him use you to reach others. He awaits you and loves you so I, the Mother of God give you My peace and love forever.

**“POPE AUTHORIZES PILGRIMAGES TO MEDJUGORJE.”**

**May 12, 2019 Vatican News.**

**June 10, 2019**  
**Psalm 84:3-10**

**Jesus:** My children, I tell you, it takes faith to let go and let Me be in charge. When the whole world seems off keel, believe that I know what is best for you. Thank Me every day for giving you My loving grace, for the joy that you feel just being alive, and receiving all the blessings from Heaven.

Cling to Me with humble, daily prayers and always trust in My Holy Words, never having fear, even when weighed down with trials. Think of nothing but serving Me and giving yourselves in every way to My Divine love.

I promise you peace and tranquility throughout your short life on Earth, for your heart will be with Me. I will be with you and carry you whenever your heart is broken and needs comfort. When you have chosen to live with Me and not the world, everything is made possible by My mighty hand.

I will hold you in My Heart and let nothing destroy you, for you are Mine. My Love, little ones, is all you need, I have given you life and can take it away whenever I choose.

May you continually ask for My Mercy throughout your short life and long only for My Kingdom, a Kingdom of love and peace. Always remember, I have heard your every prayer and have given the grace for you have never stopped asking. Never give up hope, for I have never let any of My children down. I am yours forever. Your loving Jesus.

**During the second decade:**

My children, I, your loving God share so many moments with you, so many little treasures. Nothing is small in My eyes, for I am the sun that transfigures Souls, all My merits belong to you. When I listen to your prayers, I guide the words on your lips as one guides the tiny steps of a little child.

I tell you, if every child of Mine could only comprehend My tremendous outpouring of love for them, they would give up everything and come follow Me.

Note: At the end of the Rosary, Jesus was still present in a very powerful way. Ann saw His blue eyes. Jesus was smiling and Ann could even see His teeth. Jesus said, "You have a big mission. The evil one is all around attacking. Pray for priests. Pray for seminarians, for they are having a hard time.

Those who are attacking the Vicar of Christ bring sorrow to My Heart. I have chosen him. They must be prayed for or they will have to answer to Me.

Ask My Mother to pray with you. Your prayers please Me. Do not worry about your families, I have taken them under My wing. They will be saved.

My Heart aches for those who do not know Me, love Me, or do not want to love Me. Comfort Me My children. Be My hands and My feet. Preach the Good News.

Be joyful, ask for the gifts of the Holy Spirit. Be not afraid, I am right beside you, I never leave your side.

**June 24, 2019**

**Isaiah 9 6-7**

**Jesus:** My children, My children, My heart is saddened with the callousness of My people. They are not listening to the needs of others, what have they done to help them?

They sit back, not giving love and care to those I have called them to attend to.

Their money is stashed away, My money, that I have allowed them to have in order to reach out to their brothers and sisters, in My Name, never expecting anything in return. They have allowed themselves to listen to the voices of the world, a selfish world, that never shares, but delights continually in worldly pleasures and only concerned with themselves.

They have listened and fallen into this trap, a trap set by the evil one. I desire for them to become charitable givers, full of love and compassion for others. Pray for these souls, My faithful servants.

Pray that My Holy Word will sound loudly in their heart, that they may hear My calling and repent. I tell you, I take care of those who love as I have promised to clothe and feed the birds of the sky.

I see all and I test all throughout their entire lives on earth. Everything one does will either bring them happiness or will bring them great sorrow at the end of their lives.

I call you to be My sheep, that you may serve and not be served. My heart will never be outdone in generosity.

Go in peace. Your loving Jesus.

**During the 2nd decade:**

**Jesus:** My Children, when one opens his heart to My Spirit, the first thing My Spirit does upon entering the heart, is to break the bonds of sin with which one is tied and to crush the iron covering of the hardened heart.

Then one is relieved of a great weight and ready to move forward. This I wish for all, to take wing and fly and rest in perfect peace. My peace that I shall give. I tell you, dear ones, there is no rest for your heart unless it flies to Me.

**July 8, 2019**  
**Psalms 57:7-11**

**Jesus:** Dear children. I ask that you do not resist My love, for I love all unconditionally. Let hope, joy and peace reign in your heart.

By My Cross I will cast away the darkness that wants to surround you and come to rule over you. Never fear, for I your loving God am more powerful than all hell.

You must stop entertaining those vain fears, remember, My little ones, it is not feelings which constitutes guilt, but the consent to such feelings. Always despise your temptations and never dwell on them for I will hold you close to Me as you walk amid wind and waves, even as the world turns every which way.

The evil one is like a mad dog tied to a chain; beyond the length of the chain he cannot seize anyone. You must stay at a distance for if you approach too near you will let yourself be caught. The evil one has only one door by which to enter the soul and that is the Will.

Temptations and unrest are offered by evil whereas suffering and afflictions come from above. So, if the evil one continues to make noise, you will know that he is still outside and not yet within. Always despise temptations and embrace tribulations. I tell you; you must be strong in order to become great. All Souls will struggle during their life on earth, but you must triumph for My Kingdom awaits you.

Go in peace.

Your loving Jesus.

**During the 2nd Decade:**

**Jesus:** It is according to My will that all mankind exists and without My Will you are nothing. I asked you to speak about My glory with your life, because in that way you will also glorify yourself accordance to My Holy Will. I desire that you show humility and love for your neighbor to everyone. For through such humility and love I save you and open the way for you to My Heavenly Kingdom. Continue to pray, ask, seek, trust, love and surrender everything to Me as best as you can.

**July 22, 2019**  
**Proverbs 3:13-26**

**Jesus:** Dear children.

I tell you, My plans are always for your happiness, always wonderful. Especially the humble and patient souls that trust in Me, My plans are infinitely Holy and Sublime.

You must be faithful to the present moment or My little ones, you will frustrate My plan for your lives. Remember, only in My Heavenly Kingdom will one be satisfied as being fully and really converted. I know as your loving God that you are not angels, but poor sinners and I know and understand when you fail.

There is one weakness that all souls must guard against and that is worry. Instead of always worrying, have complete confidence in Me, one can do this by having patience and thanking Me ahead of time for whatever I see that is best for you.

Do not worry about your past sins, I have given you the Sacrament of Reconciliation, so thank Me for rescuing you from Hell and from all of your unruly Passions.

Have courage, it is half the battle and confidence in Me that is the soul of prayer. I have created you and given you the true faith in My Redemption and hope in the final purpose of your existence and to know Me, for I am your life and your all.

Go in peace.

Your loving Jesus.

**During the 2nd Decade:**

**Jesus:** My children, love is the greatest virtue in any soul, it makes a soul resemble Me most closely. It brings many other virtues into the soul. Where one has love, there will always be generosity, one will be willing to suffer anything for My sake. One seeks to do more rather than less, never complains or gives up hope.

When there is pure love in one's heart, it will always be looking to do more for Me. Even finding joy in fatigue, for it looks on this as a proof of love for Me. Nothing is sweeter than this love for Me, it is My gift to the generous. A soul can never do too much for Me, your loving God.

At the end of the Rosary, Jesus was still present.

Jesus eyes were looking around the room.

Jesus said, "Defend your faith, defend your faith."

Jesus said, "Satan is Unleashed, bind him, bind him. My plans are not your plans.

For those who are attacking My Vicar of Christ, stop judging or you will be judged. He is a holy man. His heart is as beautiful as the flowers beneath My feet. (*Someone brought flowers that were put by Jesus statue*) You are not to judge.

The Church is being persecuted at this time. Our Lady will crush Satan. Her Triumph is coming. Be patient and pray and leave everything to Me. Have a Heart full of love, be joyful, with no worries. You are My hands, My feet. Walk the earth. Bring sinners to Me before it is too late.

**August 12, 2019**  
**Jeremiah 5:21-31**

**Jesus:** Dear children.

May I, your loving God, enlighten the darkness of your heart and instill in you a faith that is unerring, a Hope that is certain and a love that is perfect.

I desire that all become My spouses and surrender your entire being to Me for the Salvation of all mankind.

If Souls would only try to show Me a good will and ask Me for resignation to all the crosses I shall send or permit to come to you, you would be sure that they will eventually turn out to have been just so many blessings in disguise.

My little ones, if mankind were to get a glimpse into the depths of My Heavenly Kingdom and see the glory that is reserved there for all who suffer with patience, the joys and sorrows you are experiencing now would seem like nothing.

Remember, what are sixty or seventy years of pain and suffering compared to the endless Joys that are awaiting you in Heaven.

Your time of merit is very short, waste no time, accept whatever is given you to inherit the kingdom and to help redeem the world.  
Go in peace, your loving Jesus.

**During the 2nd Decade:**

**Jesus:** My children, Let all these messages you have received help by for ever calling upon them in every situation. Take a few minutes of silence each day to meditate on all that has transpired within your day, all the souls you met that spoke of anger and despair, the anger that is trapped in their heart. The pain and suffering that bring them a lack of peace. Encourage them and pray and sacrifice, even the smallest sacrifice, so that they may find the peace they are searching for. I tell you, treasure these gifts of messages that have been sent to help obtain peace and unity throughout this world.

**Ann:** I see the Trinity, Father, Son & Holy Spirit.  
God is delighted with your prayers.

**Jesus:** Come, come My children. The world is so full of deception, but I love all of you, for being here, for praying so devoutly. You make My Heart so warm.

**Jesus:** I love you all so very much. I want you to be mine forever. There are three men here this day, that I ask they share their faiths journey with you.

**Ann:** Jesus I trust in you. Jesus, I trust in you. Come Holy Spirit, fill our hearts, Jesus is so illuminated. He is pouring grace into us. Ask for the graces. Jesus is almost disappearing because the Light is so bright.

**Jesus:** Feel My presence.

**Ann:** Jesus is giving us the love that we need. Not from this world but from above.

**Jesus:** Don't take the priesthood lightly. You are My sons. I need you. I want you to be My beloved Sons. Those who I have called, I have brought you here this day.... Surrender. I want you to surrender everything to Me.

**August 26, 2019**  
**Jeremiah 32:17-20**

**Jesus:** My children, I ask that you remain silent, do not speak, let Me fill you with My grace, so that you may move in the right direction.

Take time to pray and meditate and consult your spiritual director. His input is of the most importance since he represents Me and has been given the wisdom to guide you by the power of My Spirit.

My children, ask for the grace to know My Holy Will in what is being asked of you. I tell you, many signs have already been given to lead you and many more will be given as time goes on. I am walking with each of you on this journey and I will continue to open all doors provided you do not take control of what belongs to Me.

Evil will always tempt you throughout your journey, but you must remain strong and your faith must never be shaken. Love everyone no matter what happens, the evil one will trick you and always try to rob you of your peace by drifting into arguments with one another. You must remain focused and rebuke him in My name.

Peace is essential in order to carry out My Holy Will. When temptations become overpowering, remember how the evil one tempted Me and how I responded to his viciousness. Do the same, use My Holy Word to rebuke him.

I have always made it known to My people, to never conquer evil with evil, but conquer evil with love, that you may serve Me well. Move forward in faith, hope, love and humility.

Be at peace.

Your loving Jesus of Mercy.

## **During the 2nd Decade:**

The Lord's eyes were very tearful and sad as He spoke.

**Jesus:** My children, I ask that you prepare yourselves for My coming to you at My Holy Sacrifice and I beg you to stay just for a little while after the Holy Sacrifice to thank Me for giving Myself to you.

If you only knew what goes on in your soul when My blood purifies it, how astounded would you be, for My grace goes farther than your soul.

Many Miracles will be received for this act of kindness and there will be less sickness among you.

My Cross is the way to true life. This is why it is illuminated. Love My Cross, do not toss it aside, embrace it. I will always give you the strength to bear it.

**September 09, 2019**  
**Jeremiah 17:9-14**

**Jesus:** My children, open your heart and listen to My every word.

I your God, Am present in the whole universe and in the smallest of all creatures.

I embrace with all My tenderness, all that exists, and I shall pour out upon each soul the power of My love, that all life and beauty may be protected.

I will fill every soul with peace so that they may live as brothers and sisters without harming anyone. Ask and you shall receive this great grace.

I Am your God of the poor and I ask that you rescue the abandoned and the forgotten souls of this earth, for they are so precious in My eyes.

Ask that I may bring healing to your lives, that you may sow beauty and not destruction. Be not one who looks only for gain at the expense of the poor and suffering of this earth.

I will teach souls to discover the worth of everything and be filled with awe and contemplation to recognize that all are profoundly united with every soul as you journey towards My Infinite Light.

Always thank Me for being with you each and every moment of the day, and always encourage you with My Mother's help and guidance to pray, to love and to have peace and hope in your heart.

Your Loving Jesus of Mercy.

**During the 2nd Decade:**

**Jesus:** I ask that you be forever grateful for and love the vocation that I have called all of you in this life, whatever it may be.

For this is a privilege to serve Me, even in the least capacity. Your purpose is to come to know Me in all walks of life and to love Me and hope in Me and gratefully to serve Me.

Never be weak in faith, setting limits to My power and goodness. Be strong and multiply My graces and joys in your soul.

**September 23, 2019**  
**Psalm 90**

**Jesus:** My children, open the deepest recesses of your heart to Me and invite My Spirit to dwell inside of you. Offer to Me your life, your heart, mind, body, Soul, all your plans, hopes and even your dreams. Surrender to Me your past, present and future problems that you may be healed to continue to serve Me, now and forever.

Release everything into My compassionate care so that I may speak clearly to you, so that your ears will hear My voice, that I may set your feet upon the straight and narrow road that will lead you to your everlasting life. A life overflowing with love and My Holy Light that will surround you with a great peace as I embrace you with My loving arms.

You will never worry again, My little ones, for the joys of earth are short, but your eternal life will be filled with rainbows and gentle breezes as your soul passes into eternity. Prepare now, stay in the State of Grace, keeping My Commandments, for one never knows the day, time or the hour when I will come for you.

Be at peace. Your loving Jesus.

**During the 2nd Decade:**

**Jesus:** My children.

Victory will come and it will be brought about by My beloved Mother. I will conquer through Her, because I desire the Church's victories, now and in the future to always be linked with Her. This, My dear ones, is how much I love My Mother. She is My beloved beyond all words and I want all mankind to love, honor, respect and depend upon Her.

She is the quickest, easiest, surest and most powerful path to Me, for I am most pleased when souls approach Me through My beloved Mother, and honor Her, Queen of All Nations.

**Note:** Our friend and Mystic Carol Ross passed away on Sept 22, 2019. Jesus told Ann that she would be entering Heaven at the end of Mass. The Mass was offered up for Carol.

**During the 3rd Decade:**

**Ann said:**

His whole person is all lit up.

Beautiful. The crown on his head is all lit up.

He is smiling at all of us. He loves the way we pray.

**Jesus:** You must help save this world. This world is sad, very sad. Pray, pray and pray and never stop.

Your prayers are heard in Heaven.

Know they never go without being answered.

I surround you with My arms.

Feel my presence, children.

My arms are around each of you, loving you, caring for you.

Your Mother Mary is always, always around you, always taking your hand and walking with you, showing you the way, the way to Me.

You must be guided by Her. Never lose sight.

You will never go astray if you hang onto My Mother.

There must be peace and unity. You must love one another. Make sacrifices for one another. Give up yourself. You must die to yourself.

It is the only way to reach eternal life.

**Ann:** He is more powerful. His garments are flowing. His heart is lit up.

**Jesus:** Give Me your worries My children, your sickness, give them to Me. I am your Healer. The poor souls have no one to pray for them. They are waiting, longing for your sacrifice. They need help. Do not forget them. I desire all my children to be with Me. Not even one, I want to be lost. You are to pray for those who commit suicide, for they do not know what they are doing. Pray for their souls. It is never too late. There's no time in heaven, no time.

**At the end of Mass, Ann heard Carol Ross' voice.**

**She is in Heaven:** "There is no more tears, be joyful, be joyful, be joyful!"

**October 14, 2019**

**Psalm 112**

**Jesus:** My children,

“Whoever believes in Me has everlasting life.” This world in which you live needs witnesses, it cries out despite itself for people of courage, willing to comfort it with the one who comes from above. For somehow the world knows that in the end, only life open to the eternal can be called life at all.

I asked you, My little ones, to open your heart wide to this ever-changing world and invite all to come to My feast in My Heavenly Kingdom. They will find in Me, their loving and merciful God, what they have been searching for, consolation, compassion, healing and above all love.

I will not look back at all their wasted hours, all the sinning and regrets, for I mercifully forgive and forget all they have done. Their eyes will gaze at My face and their heart will be at rest, no fear, for their fears will be stilled, and there, will joy and light prevail. No darkness shall ever enter in again. Perfect peace and every hope will be fulfilled.

So, come to Me, I wait for you with open arms, for I love all My children unconditionally.

Your loving Jesus of Mercy.

**During the 2nd Decade:**

**Jesus:** My children,

Very few souls get any prayers in purgatory, the majority are totally abandoned and no thoughts or prayers are given to them on earth. I tell you, there are some souls who do their purgatory at the front of My altar.

They are not there for faults they have committed in My church, because those faults which attack Me directly, My presence in the Tabernacle are punished with terrible severity in purgatory.

The souls that are there adoring Me are their reward for their reverent behavior in My Sacred presence. They suffer less if they were in purgatory itself, and I their loving God, whom they contemplate with the eyes of their soul and of faith, soften their pains by My invisible presence.

**October 14, 2019**

**After the Fifth Decade:**

**Mother Mary:** My Children,

Do not worry about your children, because I have taken them and placed them under My mantle, and I have led them to My Son Jesus, to His Sacred Heart. Especially Todd, and Erica, and Colin, and Christopher.

They have been easily distracted by the world, but by the grace I have given you, they will come to know Me and My Son. They will learn to love, and give everything to Jesus.

You must have hope and not worry about them. For God can do anything. Thank you for coming here to pray, giving yourselves to My Son, for He loves all unconditionally. He will never disappoint. Give Me your heart, and you will be given much in return. Thank you My Children. You are loved unconditionally. Never doubt. Have faith, hope and trust. Pray for your loved ones that have died.

They are waiting to hear from you. Never stop praying. Pray for all those seminarians. Some struggle more than other, and they need your prayers.

Give Me all your fears, anxieties, and I will give you love in return.

Go in peace My Children.

## **Ann had a vision about the Mystical Body of Christ the Church.**

**November 10, 2019**

I saw an enormous body, horribly mutilated and raised up toward the heavens. The torso was covered with terrible wounds, some were fresh wounds and bled profusely and others were covered with dead skin. One side of the body was black and corrupt.

I experienced in myself all these sufferings and then I was told: "This is the Body of the Church!" Then I was shown each wound, it was explained to me that this was a part of the world. I saw an infinite number of men and cities separated from the Church, each in its own manner and I felt this separation as painfully as if they had been separated from my own body. Then I was told: "Learn the meaning of your suffering child, and offer them to Me, your Lord, for those who are separated from Me." "One member must invoke another and suffer to cure him and unite him to the body."

## **Ann had an apparition from a soul in Purgatory calling for help.**

**Ann:** Last night I went to bed about 10:30 pm, I could not fall asleep for quite a while, I was restless and kept waking every hour, until 6:30 a.m. It was about 6:45 a.m. when a face appeared, we were looking at each other eye to eye, it was a face of a young girl, she had short black hair, her face was a pale gray. She was very sad, I said to her who are you, she said:

**Soul:** I am a soul in purgatory, I have been given permission to ask you for prayers. I committed suicide at the age of 17 through a period of great depression. My family treated me like an outcast, I had no friends, my life was going nowhere, so I started taking drugs and drinking to excess. I had no hope. I wanted to die fast and get out of this terrible world. I felt very unwanted and unloved. Because of my state of mind at the time of death the good Lord with the aid of the beautiful Mother, save me from eternal damnation. I am suffering terribly, but I will one day with the help of your prayers and sacrifices, I will be in heaven.

**Ann:** What is your name child?

**Soul:** My name is **Anne Marie**, please pray for me I cannot pray for myself, so I desperately need your help.

**Ann:** "I will pray for you as I do for all the souls in purgatory each day and beg the good Lord for your release." She then disappeared. The Souls desperately need our help, they have been shown the mercy of God and have not been sentenced to Hell, even those like Anne-Marie that have committed suicide. Maybe not all, we do not know, that is why we must pray and trust in God's Mercy, no matter what the situation may be.

**November 11, 2019**

**Psalm 112**

**Jesus:** My children, you must be still and listen to My every word, for pain and suffering is upon this world, as you see all around you. Evil is being embraced instead of rejected by mankind. My little ones are ignorant of what lies ahead, mainly because of their lack of faith. The noise of the world has taken over and has become their God. They know not who I am, for I am never a part of their lives. For this reason, I am allowing My faithful followers to endure a great many trials in order to bring those in darkness, into the light.

Remember, sufferings when united with Mine, are extremely powerful, they bring about great graces. Endure them with love and pray unceasingly. My Mother has given Her children many messages, inviting all to pray in these troubled days in which Satan wishes to destroy all that we are building. He desires especially to destroy every soul, he wants to take My children away as far as possible from the Christian Life and from My Commandments that all are to live by. I tell you, "Be not Afraid", place My armor on you and live in the light and be led by My Spirit always remaining in the state of grace, for My grace will sustain you as you continue your journey to everlasting life saving Souls.

Go in peace. Your loving Jesus of Mercy.

**During the 2nd Decade:**

**Jesus:** My children, tell Me often about your desire for Me, give Me this joy and I will make it grow. Even if you do not desire Me, tell Me so I will give you the desire. I will make it increase to the point where you will long to leave the Earth to meet Me, your loving God. Tell Me that you desire to possess Me and to be possessed by Me. Give Me your love, this is what I ask of you each day. You know that I am with you and helping you throughout each day. These little acts of faith and trust are My joy. I love each and every one of you unconditionally,

Go in peace.

**About Totally Yours Conference**

**Jesus:** My Dear Children

I tell you this day, surrender your life to Me for I your God have been teaching you My ways through all these speakers and teachers of the Gospel. You must have a spiritual director. Even before Me, you must listen to him, for he represents Me in all ways. He will teach you what you need to know. Without his help, you will not succeed in what you are doing. Keep praying and never stop. I am with you always. Give everything to Me.

## **During the Rosary**

Hear My voice. You have learned much from this conference. You have learned silence. You have learned about spiritual direction, which I ask every one of you to do, to find one, to let him guide you. It is of the utmost importance. You will listen to him, and he will guide you by the power of the Spirit.

You have a shepherd among you at this time, that has many and has taken many under his wing and has guided them in wisdom by the graces that I have given him. He has obeyed My every command, and I know he loves Me with all his heart and soul as he loves My Mother. I know you all love My Mother and this pleases Me so very much.

For there are so many souls who do not know Me, do not know My Mother. They turn their backs on Me everyday. You have come here this day, because I have called you My children. I have asked you to come and receive the graces I desire to give you. I ask you to pray and never stop praying.

Take all the sufferings I have given you. You will be rewarded in the next life and not in this life. You are all very special to Me. As I have said many times, I love you unconditionally. When you ask for something, do not be discouraged if you do not receive it. For My plans are not your plans. Ask Me to help you discern. Come sit with Me. Come and adore Me as often as you can. I want you to spend time with Me. I long for your visits. Never give up hope My children. I am always there. I feel your pain and your sufferings, and I will comfort you. Be at peace, knowing that I am with you.

**November 11, 2019**

**Mother Mary to Ann about Totally Yours Conference**

**Mother Mary:** My Dear Children

Thank you for such love and devotion to Me, your loving Mother, but also to My Son, your loving Jesus of Mercy. You must know that when you come to Me, as to a Mother, with a pure and open heart, that I am listening your every word and encouraging you and consoling you and loving you, but above all, interceding for you with My Son.

I see that you love My Son and desire to have a strong faith, this was shown these wonderful days of the conference.

In the name of Love, for your salvation, according to the Will of your Heavenly Father and through My Son Jesus, I was here among you listening to all your beautiful testimonies, your devout praying, the Holy Sacrifice which is of the utmost importance and the most beautiful songs that were sung. Heaven was delighted with this show of love and devotion.

You are all Apostles of My Love your hearts were illuminated with the love and the Light of My Son.

It was delightful to see all the shepherds among you, souls waiting for reconciliation and praying for these holy sons of mine, for I am always alongside of them asking you to keep them in prayer. I encourage and illuminate them with My Love, to continue to bless the whole world with the hands blessed by My Son.

Many of you know this is a time of grace and prayer, a time of waiting and giving, a time to pray with all your hearts for the return of all those that have fallen away, especially family members. Remember, never give up.

You listened to My son Ivan speak to you in the words given to him from above. Listen carefully and live these messages. Soon there will be many changes that will come upon your world. Jesus has asked each of you to become "Fishers of Men" and live only for the Kingdom where total happiness awaits those who persevere. I the mother of God give you My peace and love forever.

## **November 18, 2019 Vision of Souls to Ann**

**Ann:** I awoke at 5:30 and then went back to sleep for a while. As I woke at 6:45 am, I began to see a multitude of men and women in front of me. They all looked like refugees escaping war, persecution or some natural disaster. They wore green pants and shirts and caps on their head as they came closer to my vision.

More souls calling out for help. For how long? I do not know. They could be an ancestor of ours, we must pray, for all those from the time of Adam to the present time. They need to be released and only we can help them.

After seeing this, a woman appeared, she said, "I have been in purgatory since 1839, my name is Margaret. You are seeing many souls that are in purgatory still after the beginning. They need help, please pray for all of us, we all want to be in the Heavenly Kingdom."

Her face was unclear, her head was covered with a scarf as she disappeared.

This being the month of November, the month for praying especially for the Holy Souls. The Souls are coming to me in great numbers, asking for help, they are desperate.

Christmas day is the day when most souls are released from Purgatory. We must focus our attention to getting them to Heaven for a glorious Christmas celebration with all of Heaven waiting for them.

The forgotten souls are awaiting our prayers and sacrifices for them, especially priests and religious. Get one soul of a priest, out of purgatory and *you will be assured Heaven.*

**November 25, 2019**

**Micah 7:18-20**

**Jesus:** My children, remember these words, "The evil one is never busier trying to distract you than when he sees you praying and asking Me for grace."

The enemy sees that at no other time do you gain so many treasures of heavenly goods, as when you pray. When you have distractions and temptations that occur during holy prayer, My little ones, do not be the least bit disturbed, withdraw completely to the upper part of your spirit to relate to Me in Spirit and Truth. Laugh at the noises the enemy will make outside for he cannot enter in, always be at peace.

May Joseph, My foster father, be for all of mankind the perfect example of how all may become a Saint. He had much to endure, many hardships looking after My beloved Mother and I, but he endured by his loving kindness, humility and most of all by silence. He knew that he was inferior to both of us in the order of Grace and yet he accepted his role as spouse of My Mother and guardian to Me, the Son of God. He recognized his total dependence on My Heavenly Father and lived a life of consecrated chastity, a special grace that he was given.

I will give these great graces to those who earnestly strive to improve his daily contact with Heaven. Your struggles will become easier as you come to know Me better as Joseph did all his short life on this earth.

This, My children, is the time for St Joseph, for his help and protection, that all may love most what is most lovable, to know what is most important and desire first what is most valuable. Pray to your loving Saint Joseph, for his intercession throughout your stay on this Earth that you may be with him one day in the Heavenly Kingdom. Your loving Jesus of Mercy.

**During the Second Decade:**

**Jesus:** My dear children, I ask all of you to be simple, unassuming in your daily life. Do not put on airs and act superior to others that you come in contact with day in and day out.

Never, I say never make others feel inferior in your presence. When you are praised, thank those who praise you and then remember to thank Me for the success which I placed in your hands. Live a truthful life, always facing facts and showing them in your actions. I tell you, unless you live this way, you shall not be a true follower of mine. Go in peace.

**Mother Mary:** My dear children, I have a great sadness in My heart this day for My children who are so void of God, so void of love and so void of awareness, they will suffer so greatly. I ask you, My faithful ones to pray that these children will turn back to God and listen to the messages that have been given from Heaven. My heart is so heavy knowing what they will undergo, if they only knew what lies ahead, would they still continue to offend God? So little time remains, there are horrible and ugly things coming, you must remain faithful and persevere in prayer. Trust always in My protection and love.

You must stop judging others, especially our beloved Vicar of Christ, Francis. He is called to unify the world, to bring peace to all people no matter what creed, color or faith. Pray for his great mission on this earth. Pray for all My shepherds, especially those who have gone astray. They are human and need many prayers.

*You need to love and stop fighting, bring joy and peace to all around you. Never be afraid, whatever God has allowed you to endure you must do it with patience and perseverance. He knows all your pain and sufferings and will give you the grace to help you. Always trust, your reward will come later, God knows all. I, your loving Mother, will always comfort you and hold you in My loving arms forever.*

**December 9 2019**

**Jeremiah 8:4-13**

**Jesus:** My children, this day I wish to tell all My beloved followers not to be afraid, to move forward in your spiritual life. You are living for My Kingdom and not for the world that has forgotten Me. Have faith and trust and work hard each and every day for the important work I have given you, for some it might be great, and for others small, but the importance is all the same.

Prayer will be and is the most essential part of your existence, My Holy Sacrifice is to be taken very seriously. It is the highest form of prayer and will help you in all the battles to be fought on earth. My Body and Blood taken with reverence will strengthen you and bring you great graces. My Mother has given you many gifts from the time of your birth, and yet many reluctantly use them. The Gift of the most Holy Rosary is the weapon to be used to stop the evils of this world.

Abortion has continued to run rampant and has and will cause great destruction upon this world. You must not put off praying the Rosary. Wars will be stopped with this Gift. Pray, pray, pray. The Brown Scapular was also given to you and how few wear them. Remember, little ones, the protection granted through wearing of this simple device will make a difference that will be shown to you upon your death. There is a need for a period of silence each day, to recall all the storms that need to be worked on in your own lives.

A time to come to Me and pour out your hearts and ask for My help and all your needs. A time to listen to what I need to say to each of you without you having to say a word. I ask during this difficult period of time that all make use of their time and let Me be the most important part of your daily life.

Come to the sacraments given to you, especially reconciliation, that I may forgive you and cleanse you, so that you may continue your journey toward your heavenly goal. There must be true repentance and the willingness to want to change. Say, "Yes" and come to Me. I wait for you. Your loving Jesus.

**During the Second Decade:**

**Jesus:** I tell you that My enemies, those who do not believe or trust in Me, who refuse to leave their guilty unforgiving and stubborn ways, I will crush. Power belongs to Me and My strength is Mighty in the Heavens, My voice thunders from the sky.

Hear and obey. Become mighty warriors in My army. I will gaze at the earth and shake the nations. My chosen ones will rejoice in Me, their God of salvation, for I am your strength and will give you the speed of a deer and bring you safely home to My Heavenly Kingdom. Go in peace.

Jesus is giving us His love. He is thanking us for being His faithful children. Children that pray and sacrifice and give of themselves in every way. Jesus says His Mother thanks us for the "Hour of Grace" on Her feast of Her Immaculate Conception. For in that hour, many Graces were given between the hours of 12 noon and one pm. The Graces were flowing into each soul as we prayed the Psalms. Psalm 51, a beautiful Psalm.

I asked you My children to open your Bible each and every day. Pray with My Mother and Myself. The Psalms are beautiful. Listen to the words that flow into your heart. I am speaking to each one of you. To those that visit My Mother's shrines, She thanks you, for you have much grace. Pray for this priest, he never says no to anyone. He is always on the go, doing My work, offering the Holy Sacrifice of the mass each and every day. He is a very sick person. You must offer him up. Give him to Me. He is My beloved Son whom I cherish.

Pray from the heart. In these days you have much to pray about My children. There is so much evil that encompasses this world, but I am more powerful, and I will show My mighty power very shortly.

Stay awake, pray, love with all your heart for love conquers this world. Become Fishers of Men. I need you to reel them in, one by one. Even if they have drifted far-far away from Me, I will never stop loving them. Never give up hope. Give Me your worries, your anxieties, your fears, for I am love.

**Ann:** Now I see Jesus get very bright. The light is coming out of Him. There is no Darkness, only light. We have to get into that light. Enlighten us Lord and illuminate us. You are all that we need and all that we want.

I see Jesus' garments flowing as He fills us with Grace. Feel Him and open up your hands. Feel your hands inside Jesus hands. Your heart will feel peace and joy. Jesus wants to give us that peace, that love, that Joy, the world is full of hatred, there is no joy in the world. It will take a small group like us, to show what love is all about. For I feel your hands touching me holding my hands.

We should say "Jesus I believe, help me with My unbelief." "Jesus I believe, help me with My unbelief." "Jesus I believe, help me with My unbelief."

Jesus we want to believe, we want to trust, we want to love, we want to give every part of ourselves to you totally this Christmas.

What does Jesus want from us this Christmas? He says that I want your sins. Please give Me your sins. I want to wipe them away so you can live for Jesus alone. Jesus is the only one we need, with help of Mother Mary, St Joseph and all the angels and Saints in heaven. The Lord asks only to trust. Trust always. As we say this, Jesus gets brighter and more powerful. Thank you for everything Jesus. Thank you, Jesus, we love you Jesus, we praise you Jesus. Fill our hearts with love. Without You we are nothing.

**December 25 2019**

**Jesus:** My children, rejoice this day in My coming, for today find true peace has come down to all from Heaven. I tell you, announce My salvation each and every day, tell my glory among the nations, among all peoples, My wondrous deeds.

For I shall rule the world with justice, and all peoples with my constancy. I became man and I will never withdraw from your humanity, which I your God has made My own.

For one to meet Me, he needs to go where I am, he needs to bow down, to humble himself, to make himself small.

One needs to leave everything behind in order to discover, in My simplicity, peace, Joy and the luminous meaning of life.

This mystery of Christmas, which is light and joy, challenge all because it is at once a mystery of hope and of sadness, inasmuch as love is not accepted and life discarded.

I was born, rejected by some and regarded by many people with indifference. In these times that same indifference can exist whenever Christmas becomes a holiday with yourselves at the center rather than Me, your loving God. Yet, I tell you Christmas has above all a taste of hope, because for all the darkness in your lives, My light shines forth.

I enter your life to give all mankind My Life, to give My Love, to feed you and serve you with My Body and Blood.

I ask all My children to enhance my love, I love that brings light to your lives to your hearts.
