

Dear Conference Attendee,

Blessed summer and beginning of fall season to you!

Due to guidelines and compliance set forth by the CDC and our Illinois State Governor, the 2020 Totally Yours Marian Conference was postponed as a direct result of the pandemic crisis.

We are grateful approval has been granted for us to have a new conference and we are striving to accomplish a wonderful encounter with God for each of us!

Your fees paid for the 2020 conference had been transferred to a future date. Due to significant increased costs including location, Speakers & manpower, we ask if you can pay the difference of the new conference price.

Because we have incurred financial hardship, as many businesses have during this pandemic, if you are unable to attend the new announced dates of November 13 & 14, 2021, might you donate your fee to help cover the loss we have incurred during this mandatory postponement? Your kindness and act of charity does not go unnoticed and is greatly appreciated by all of us.

If you wish to retain your name and payment on our file for future dates, we will keep your information in the Database and keep you updated of new events.

Please let us know by sending email info@medj1.com or call 630-279-8424.

Our Lady's Mantle covers each one of us. May the Coronavirus impacts be minimized, as we work and pray to protect the most vulnerable among us.

St. Joseph, pray for us! St. Corona, patroness of epidemics, pray for us!

Blessed Mother Queen of Heaven, intercede for us!

Sincerely,

Monica Hammerschmidt
