

2021 Sacred Heart Messages

January 06, 2021

Urgent message from Jesus.

Jesus: My children, all that has transpired in these days are the secret works of evil to go against Me by structures which deceptively try to undermine My Bride and those of My faithful that are praying sincerely day in and day out. These structures offer worldly success and power and are attracting souls by money and pleasure to abandon My Law, the Commandments I have given.

The hidden work of Satan is to destroy My Kingdom on earth with the spread of the Kingdom of darkness and sin.

These evil forces are going after population control, using artificial contraception as a means that is totally opposed to My Bride's teaching of My Law. This contraceptive mentality has been proven to lead to the practice of abortion all over the world.

I tell each of you, that I long for souls, My hunger and thirst for those that will surrender and abandon themselves to My Holy Will. It is the key to get through all that lies ahead.

This trusting relationship with Me is the real message that all are called to live.

I have given you My image of Divine Mercy, where the words, "Jesus I Trust in You" boldly invite all who gaze upon Me, your Risen Savior to embrace My complete Love, Trust, and Mercy.

I am trying, dear children, to call your attention through a living sign of suffering or through the messages that I desire you to not only read, but to live, for I am trying to make all aware of the threatening dangers that are now in place.

War, disease, family disintegration, poverty, apostasy, a catastrophic crisis surrounds you. Mankind is living in a cesspool of sin and atheism; all these dangers are especially grave for the survival of the world. Pray, pray for the world's conversion!

Go in peace. Your loving Jesus of Mercy .

Ann: The Lord asked that I prostrate myself before Him and completely surrender to be overcome and completely helpless without Him.

I ask that you do the same to show Him how much we love and adore Him.

January 11, 2021 (Jeremiah 10:1-13)

Jesus: My children, I, your God am a God of Mercy, but also of justice.

Be forgetful for your lack of fame and be mindful of Me, let your hearts be full of My true blessings, getting rid of all pride. I put hearts to the test, for I take pleasure in uprightness. Take refuge in Me for the violence around you will succeed where goodness fails to accomplish much.

My hand is hanging over your world, because it is so steeped in sin. The storms of destruction are many. I do not desire war, but peace, there are many different wars going on, war with death eternal and war with life.

This is a spiritual war, that is being fought for one's soul, the darkness and distress where evil is grabbing at souls, trying to pull them down to the abyss, the region of Hell.

I tell you, immorality, impurity, greed, self-will, and the killing of the unborn, will bring this world to its knees. My people are turning to alcohol, drugs, and suicide, works of the evil one. They have lost all hope. They are paralyzed by fear. All these moral dangers have been brought upon themselves.

One who follows My teaching, can never fall into the darkness, live for the Truth, My little ones, do not fear for My power will safeguard you through faith.

I will deliver by truth, those who are threatened by lies and deceit, those who are menaced by hatred, cruelty and abuse, especially those in government. Those who suffer persecution of any kind will know the blessing I have promised.

My Mother has warned of these severe consequences. "If souls did not, by their blindness and deafness return to My Son and follow His Commandments, they would have a tragic ending."

Children of the Light, pray for all souls, never give up, for time is short.

Your loving Jesus.

January 25, 2021 (Psalm 119:150-176)

Jesus: My children, as you arise each day, I warn you against “morning demons”, yesterday’s worries, returning to poison the new day! There are many foes rising up against My people, they say there is no help, no hope for them in Me, your loving God. How wrong they are, for I am your shield against them.

Never fear, for even if thousands rise up against you, I will save My followers, My faithful servants. “Arise, oh you sleepers, arise from the dead, so that I may shine My Light on you.” Watch carefully and live your lives not foolishly, but wisely. My favors are never exhausted. My Mercies never spent, for they are renewed each and every day. My faithfulness is great.

Relieve yourselves of all stored up grievances so that you may one day pass through the narrow gate that leads to My Kingdom. Protect against reoccurring fears so that you may serve Me in freedom and in peace. I desire to heal those who labor under the pain of depression and anxiety, so that they may know the joy of My love. I will defend you against all the evils that weigh you down and slow your steps, so that you may run with delight to My loving arms, that await you.

I will keep together those that I have united, those who follow My direction. I have said, “To the upright, I will show My saving power.”

Believe this, for it is Truth. My Word is living and effective, able to discern reflections and the thoughts of the heart. May no man take away your freedom of speech, your freedom of religion, you must have faith and trust. Fight for these rights.

Never give up, I am with you always.

Your loving Jesus of mercy.

February 08, 2021 (Psalm 119:75-106)

Jesus: My children, the world is full of sadness and darkness. My faithful servants, people of prayer, bring forth the graces needed to release souls from darkness into Light.

Ann: As Jesus said these words, He was looking towards the altar, here in the chapel. At this time, I felt a great sadness come over me. Most of the time when He comes, He has a very loving look, but this time, His expression was serious. As He turned towards me, I wanted to fall at His feet, but I could not move. He expressed his unhappiness with mankind, it is called the just anger of God. It hurts Him to see mankind sin, He is angry with sin and hurt when He sees His people sinning. He then said to me,

Jesus: I look upon the world and I see all the sin in the world, “Woe.”

Ann: Then He placed His hands over the world, I was trembling at this site, He was saying again the word “Woe” to all the souls and to all the terrible sins they are committing, all immoral acts. He then reached out his hand to me and said,

Jesus: “Child” My anger is out of love for all, I am hurt by all the rejection I receive because of human weakness. My children are getting deeper and deeper into sin. These are all My children that I have redeemed with My blood.

I thirst “My child” and I long for souls to return to My Light, the graces and love that I desire to give to all.

Children of My Heart, call on My Mercy, think of My Mercy, think of My Sacred Heart, for My Heart is open to all. I will never stop loving every soul. I will never stop reaching out, for I know only love. My Heart is boundless Mercy, until a soul takes his last breath, I will reach out My love to him.

Continue praying, fasting and doing acts of charity, surrendering everything to Me.

Go in peace, your Jesus of Mercy.

**February 22, 2021 Seeking Wisdom
(Sirach 6:18-37)**

Jesus: My children, the more you understand what I am asking you, the more you shall see My miracles. Trust in all the promises I have laid down before you and let Me guide you according to My plan.

Take no rest, all you who pray and give Me, your God, no rest until I have completed the work, I give you throughout your entire life on this earth.

I am creating New Heavens and a New Earth, so wonderful that no one will even think about the old ones anymore. There will be joy and happiness among My people. No more crying and sadness.

Rejoice and be glad, for Prosperity shall flow upon the land like a river and I will comfort all the faithful as a little one is comforted by its mother. Power, My little ones, belongs to Me. My strength is mighty in the heavens, no man can outdo My generosity. Many will stand amazed at all that will take place, the work of My Mighty hand and not the weakness of man.

Your hands and feet have been held in My hands to stay on the path to purify you with trials and tribulations to make you ready for this day. Those that have left behind all earthly things and followed Me in the truth, I will open for you all the windows of Heaven and pour out blessings so great that one will not have room enough to take it in. Your land will sparkle with happiness.

Songs of everlasting joy will be heard, all sorrow will be gone forever, only gladness will be embraced.

**Go in peace.
Your loving Jesus.**

March 08, 2021 (Psalm 142)

Jesus: My children, during painful trials, My faithful ones must persevere and persist in prayer, prayer from the heart. I desire to heal all of My broken people, but this must come through trust in Me and faith, strengthened by prayer. Keep taking the holy path of prayer.

Tell all of My faithful servants to pray for the Spirit of Truth, the Spirit of Love, they are the one Spirit of Life Eternal. Many are praying, but living in the world and by the world, they adore all of its fruits. Those who now live in the fruits of this world and worship thus, will receive its fruits. They will drink of its bitter cup and become followers of him - who destroys.

Tell all to prepare themselves, make a place in their hearts only for Me their God, Who desires to save. The battle is on. Many souls are being lost. They roam about lost in the dense darkness. Love has been removed from their heart. Your world has been infected with evil.

I, your loving God, offer My Heart to My Father in place of your heart. This is why I cry tears of blood for love of all who have fallen away from Me. I ask you to be little in heart. Help My children who seek your help and prayers. When you respond to My children, you are responding to Me.

Let your heart be open to receive the graces I desire to give you. I plead with you, arm yourselves with the Rosary. My Mother has asked you to pray and live My Commandments that I have given you.

Each day pray for the Vicar, I have given you. Each day, make the sign of the Cross with Holy Water, begging Me through My Mercy that I will protect you from the darkness that overflows around you.

Your loving Jesus of Mercy.

March 22, 2021 (Proverbs 1)

Jesus: My children,

I ask that you be totally merciful, meek, humble, passive and kind. Have compassion on everyone. Forgive now, as you will, no doubt, forgive at this time of great confusion in your world. Forgiving is never easy; you need to pray for the grace to do so. Loving compassion for everyone, especially those who have offended you, will help you attain sainthood. My dear ones, you must remember that compassion is the chief law of human existence. Remain joyful and cheerful, always ask for these graces. Be strong and pray for the grace of fortitude. You must try to endure all trials and sufferings that come your way. You will need to be ready to endure hunger and cold in the future.

You are in a war, a terrible war against the powers of evil. Evil that is conquered only by prayer, fasting, daily mass, receiving My Body and Blood, Confession and surrendering everything to Me your loving God. You must do these things to fight and win the existing war.

Make many sacrifices each and every day and live what you believe. Chastisements will continue to come, for the world must be cleansed. It cannot continue in this evil poison. The hatred and cruelty have grown and grown.

People are left to starve every day. Abortions are rapidly growing. Souls are not following the teachings of My Holy Word. They have been watered down and explained away.

If all would pray with great fervor, sold their possessions and gave to the poor, turned the other cheek, did good to those who persecuted them and forgive seven times seventy, there would come about great changes in your world. Pray, My faithful servants, for time is of the essence.

Your loving Jesus of Mercy.

Ezekiel 34:11-16

Jesus:

My children, the clock has been set, the alarm has sounded, your world is going through a great purification. Pray, pray, pray, for My Mother has come to the world to present all souls to Me. She can save souls from Hell if they respond to Her call.

Harder times have arrived, no matter who you are or what you do. Mankind has never indulged in the evil one's work, like now. Many desire to remain in darkness and sin, they have no desire to repent. My messages as well as well as My Mother's messages to all that were chosen to receive them, bring about a deeper awareness of Our Love for mankind.

Abortion, being one of the greatest sins against Me, for it permits the Evil One to work like never before. Souls are sinning against My Holy Spirit, for Life comes through My Spirit.

I invite My children to be part of My plan for salvation of the world. Just say yes and My Love will Take over. All who love Me, love My Father, and My Holy Spirit. In this way, their hearts are open to the Most Holy Trinity. I beg all souls to return to Me, their loving God. Read My Holy Word and the messages given by My Mother. Proclaim them for all to hear, to live and be spread.

With the Holy Trinity in your hearts, you will share in the coming Triumph like never before, the Triumph of Truth, that no one will be able to deny.

Ann:

Our Lady then came, She said, "I desire to give many gifts to My children, but their hearts remain closed. This is why the world is suffering."

She then lowered Her hands and rays of white came from Her hands and Heart. She spoke these words, "I desire to give many graces to My children, if they would only accept them."

When Our Lady comes, I feel a total peace beyond description. She is so beautiful, breathtaking.

April 26, 2021

Sirach 14:11-21

Ann: I see a heavenly light more resplendent than light itself, a living breathing illumination.

A mystical union begins to unfold as Jesus appears. A great joy that saturates My mind into an ecstatic awe.

Jesus: I desire to lavish rich graces upon My children and bless them abundantly with My love. Those who have remained faithful servants, are My true disciples. Blessed are the peacemakers and all who strive for peace. With peace, there is unity and hope. All comes through love, and I am love.

Continue to respond to the graces I give you, for I want to share all with you. My chosen one has seen angels, many angels as well as Heaven, Purgatory, and even Hell, and with the eyes of her soul, she has gazed in wonder and in awe upon the face of My Eternal Father.

She is very much alive and a part of this earth like all of My children. It is a sign for reasons of teaching to a particular time, place and prayer group. Chosen souls such as this one, simply surrender all frustrations and inability to be understood. They concern themselves with only one thing, pleasing Me, their Lord and Master.

Ann: Jesus is looking at me. He has the white dress and the red wrap. He holds in His hand a big gold staff, at His feet a Lamb. There are thousands of angels around Him. He is showing me a great darkness, it is engulfing the world, churches, many souls falling, lightning flashing, He is raising His hands and the wound in His hands are like lights, and His feet too.

A huge angel appears, the Angel of Wrath. Jesus is holding a paper rolled up. He opens it. It has a red stamp or seal. There is blood on the stamp or seal. Mountains are falling, covering houses and souls. Everything is turning to smoke.

The Vicar of Christ is weighed down with tremendous trials.

Time is running out!

The Lord says, "Souls must embrace My love and mercy now before it is too late! For I hunger for souls!"

Your loving Jesus of Mercy.

May 10, 2021 (Psalm 63)

Jesus: My children, you have heard many warnings about what is to come, I tell you, the gift of your warning to this world will signal the time for the enemies of My Beloved Bride to swing into greater action. My Father's gift of enlightenment for every soul will unleash the forces of Hell against My Bride and all who attempt to come to Me. My Holy Spirit will come with Divine Love, that will be a new fire from Heaven, that will open the doors of the hearts and will illuminate all consciences. It will be a judgment in miniature in which all souls will see themselves in the burning fire of Divine Truth. They will see their own life and all they have done in My Holy Light. The Triumph of the Immaculate Heart of My Mother will coincide with the great prodigy of the Second Pentecost. This new fire will purify all souls.

Always, My dear ones, prepare your spirit and your soul and help prepare others as well. I ask you to prepare yourselves and others with this prayer that I have given many before your time.

My children, I drink this cup for your sake, rejoice that you are called to this great devotion.

Simply offer the wounds, pains and Blood of My left hand for the downfall of all enemies and you will see them disappear like ashes.

I assure you, many Kingdoms of the enemy will disappear in a short time.

“To all great numerous enemies, the enemy of the holy death of my Master Jesus Christ, on the Cross of Calvary, the prince of darkness and iniquity, the father of all liars, I stand on the death of my Master Jesus Christ and offer His pains, wounds, and the Precious Blood of His left hand to the Eternal Father for your downfall, your destruction and your scourging. Amen.

Precious, Precious Blood of my Master Jesus Christ reign in me and in the lives of all men. Amen.”

May 24, 2021 (Psalm 104)

Jesus: My children, Misery has shadowed your world like fallout from a cosmic collision. It is like the flood waters from the days of Noah. This sorrow is now submerging all parts of the world. You are witnessing constant suffering. A suffering that the secular world denies has any purpose or significance. Because the world defies understanding, this suffering is pointed to a primary reason for the denial of My existence.

There will only come complete peace through suffering, it will be suffering to the point of surrender, there will be no place to turn, but to Me, their God, Almighty and Creator. From the darkness will come forth a great light and all will be renewed, especially My Bride.

Ann: If one could only see the isolation, loneliness and inner wrenching of the Heart of Jesus for souls, as He has shown me, the sufferings that are actually more intolerable than the physical tortures He endured, mankind would drop to their knees in shame and beg for His Mercy. They would have a deep suffering inside, not of mind or body, but of soul.

Jesus: Surrender, embrace and abandon, for you are nothing.

Ann: Lord, use me like a matt, if this pleases you.

Jesus: By the weight of one's cross, I will teach you how to suffer, sacrifice and pray. Like seeing through the eyes of a prophet, I ask you to feel through the body of one of My chosen souls to suffer. It will never be easy, but I tell you, this is the way souls must strive to do, to truly live in union with Me.

Ann: I was aware, at this point, of how little love there is in the hearts of all mankind.

The Spirit of God inspired this prayer: "O God, Our Father in Jesus, consume all souls into the wounds of your only begotten Son and hide us therein for the Holy Mercy to save souls. This is my submission to Thy Holy Will. May you draw souls to yourself through the Passion of your beloved Jesus, Our Savior. Look, dear Father, upon the wounds of your Son Jesus and the tears of Holy Mother Mary and embrace with your love my poor nothingness, that is hidden in the shelter of Thy deep wounds of Jesus.

As I embrace in my heart, my soul and my body of your Holy Will, I ask you to grant your mercy to all mankind that you dear Jesus thirsts for. Amen."

June 14, 2021 (Sirach 13)

Ann: As I began to pray the Lord appeared more radiant than ever, he was engulfed in light. His robe appeared to be blowing in the wind. I was embraced with his divine beauty.

Jesus: My children, all souls are living a life that carries with it great struggles, persecutions, and doubts from others. With all these worries and struggles I ask you to contemplate on My words that I place before you.

My dear ones, your heart, since it is the main channel leading to the other faculties and is itself the source of desire which leaves the other channels open or closed in willing, choosing or action, needs to be purified of its weakness. For your heart can be either open or closed to Me your God.

Your Will can become so unyielding to My Will that it resists My prompting and becomes in a pattern of your self-interest and self-concern and can become too weak to decide for Me.

Your Mind can be molded more and more by the thinking of the world, in which you live, the expectations of souls and the standards of earthly judgement.

Your Intellect can lose its realization of My Wisdom, being supreme, a greater treasure than all human greatness. It can also rationalize what suits itself and it even begins to justify as right, what is objectively wrong.

The loss of humility before Me leads one to trust in themselves and less in Me, Who is the source and giver of your every talent. Because of this, I may need to prevent pride from building up and taking over, for then, you would lose the greatest gift ever, Me.

Your Memory can also be clouded from consciousness of all the merciful deeds I have given you in your past and need a purifying and a strengthening from the clutter of all your personal concerns that block your loving dependence on Me, Who loves all with an everlasting love. My love is unconditional, and I must make all to realize this. I must bring you down to a realization that you are nothing and that you draw all from Me, Who is the Giver of Life itself.

Go in peace. Your loving Jesus.

June 28, 2021 (2Corinthians 13:7-13)

Jesus: My children, I tell you there has been and will continue to be an outbreak of massive disturbances in nature. Hurricanes, floods, Title waves, tornadoes, earthquakes, typhoons, fires and droughts, one more powerful and destructive than the other.

Darkness has come upon your world through the sins of mankind. The heavens will shake. Lightning bolts will flash like nothing the entire world has ever seen. My hand will come over the entire world with such great force, man will not know what hit him. You will see My words come to pass. Come to Me before it is too late, all you fallen away souls.

This battle between light and darkness is great. Tell all humanity to pray, confess and seek only My kingdom. I will come with great speed, My people will see big buildings crumble, topple and disappear. Landslides will be taking trees and everything with it.

Ann: Jesus showed me the angel of His wrath, dressed in red, holding a sword. Beneath the angel was a dark cloud that rested over the world. I began to pray and say the Divine Mercy Chaplet for the angel to retreat and not attack. The angel then retreated.

To all, I beg you to continue to pray and say the Divine Mercy Chaplet throughout each day for the salvation of all mankind.

Jesus: I do not inflict pain, but your sins allow sufferings to happen. Sin has its consequences. Remember My justice awaits those who do not want to respond. Pray for them with Me and My Mother before it is too late. I have told you over and over, those who desire to live by the world will die by the world.

If you do not choose to change your ways and live in simplicity and turn away from sin, you will go through My justice. If you understood My Holy Justice, one would die of shock.

I must tell you, the cup is overflowing and is about to be poured out upon you and you will cry bitterly for refusing to respond to My calling.

Your Jesus of Mercy.

July 12, 2021 (Psalm 94:1-10)

My children, “I set before you Life and Death, the blessing and the curse. Choose Life, then, that you and your descendants may live.”

The number of deaths in this time of the Evil One is incomprehensible. My little ones, millions upon millions of my creation are slaughtered each and every year. It is the greatest sin ever committed against My Sacred Heart. I call to those who have committed this grave sin, so that I, their loving merciful Lord will forgive them. Come to Me. Be not afraid!

My people are blinded, taking innocent lives. Their actions have led to disaster upon disaster for the world. My Mother has asked My faithful servants to offer up the Holy Contents of My Holy Sacrifice, to pray the Rosary to Her Immaculate Heart and pray the prayer of Baptism. In this way, She, the Mother of God, will be able to take each of Her little babies into the safety of Her Immaculate Heart.

Children of My Heart, I weep blood for this abomination, killing the unborn. It is murder.

Reflect on these words of My beloved Mother: “When people shouted out, “crucify Him, crucify Him,” to kill My Son that was innocent, it is the same way these beautiful little babies in the womb of their mothers are hearing the words, “crucify them, crucify them, kill them.”

These too, like My Son, are innocent little victims.”

I give man and woman the gift to create life and only I have the right to take it away.

Abortion, which together with genetic experimentation has and will continue to bring chastisement to the whole world.

I give you this prayer to say each and every day for all these aborted babies, along with their parents and all medical staff that carry out this horrific act.

Baptism of Desire. Prayer of Baptism.

Say the Apostle's Creed, proceed to sprinkle Holy Water in all directions while saying these words.

“All of you, who were born dead and are still to be born dead, by day and by night, all that are killed in the womb of their mother and are still to be killed, so that all of you will be given eternal life by Jesus Christ, I baptize you in the name of the Father and of the Son and of the Holy Spirit. Amen.”

Give the child a name, a Saint's name and save them from the hands of the Evil One.

Your loving Jesus .

July 26, 2021 (Sirach 14:22-27)

My children, My grace cannot help you unless you accept it and make use of it. I ask that you pray that you may understand what I want you to know. Use the sacraments I have given you to gain strength for all you will endure in this unpredictable world.

Listen to My voice, call on My Holy Spirit to bring you wisdom, peace and spiritual strength. I have given you these words, use them dear ones, "Speak Lord, your servant is listening." When you reach out to Me in prayer with these words, I will surely reach out to you and speak directly to your heart.

I am always generous with all that reach out to Me and sending gifts through My beloved Mother, gifts of the special graces and blessings. Spiritual gifts, medals with powerful graces attached, hidden springs where the sick have been healed. Those that have been chosen to build refuges, needed for what is to come. Yes, My little ones, darkness lingers throughout your world, but with all these graces given, you must be vigilant in prayer and good works.

Love all people that you meet. Pray for them and offer all your sacrifices and sufferings up to Me, so that I will disarm all of evil's snares. Those who listen to My instructions will surely have special blessings given them, when the time comes, for above their houses, a Cross shall appear to signify that they belong to Me, and no harm shall come to them. My Divine Mercy shall protect you.

You will be able to look through the darkness and may see many souls coming from many places, even from purgatory. They are coming into the light that shines from My Holy Cross.

My protection will be with you.

Never fear, I will be with you forever.

Go in peace. Your loving Jesus of Mercy.

August 9, 2021 (Psalm 91)

Jesus: My children, I tell you, abandon yourselves in My arms and leave all you have, all your weaknesses. Have minutes of silence throughout each and every day, in this way, I may speak to you. Read the lives of My beloved saints and grow in holiness, so that you may build-up a store of fuel. This material will fill your prayer life and inflame your thanksgiving after receiving My precious Body and Blood. Glorify Me, your God and bear Me in your body.

Remember these words, “I do not like divided hearts, and if I give mine, I give it whole.” Struggle, My little ones, to please Me but be strengthened by My hope and courage to carry on. Get rid of fear, the fear that this world has created, for if you belong to Me, completely to Me, I will protect and guide you. Do not let evil become a dead weight that will drag you down, a chain around your neck that will enslave you.

There will be much suffering ahead, but you must take it, not like a coward, but bravely, with your Christian heart. Then you will conquer and esteem it like a treasure.

Do not use weapons of destruction to overcome your enemies. Use the tools I have given, My Sacraments, the Rosary, Holy Water, blessed salt, prayers, especially My Divine Mercy, to be said many times throughout each day. These are your protection against all evil forces.

The souls I have called and have given themselves to Me, are finding such a struggle greater and greater, but those consecrated to My beloved Mother will be given the strength to struggle to the end, those who are deeply and sincerely faithful.

Cry out the words, “Mercy, mercy, mercy” on your world today and everyday with all of its strife, violence, lust for power, wars, murders, avarice, abortions, drugs, famine, poverty, disasters and calamities. I see and know of all these conditions, find a strong appeal to this fallen world to take refuge in My Mercy.

Reject all that the world offers and work only for the salvation of souls. My heart is afflicted by so many. My heart is so full of love for all.

Go in peace. Your loving Jesus of Mercy.

August 23, 2021 (Psalm 142)

Jesus: My children, everything may collapse and fail around you, with the laws being changed and forced, but nothing is to be gained by being hateful and revengeful, especially with My Vicar. You must remember the confident prayer of the prophet, “The Lord is our judge, the Lord gives us our laws, the Lord is our king, it is He who will save us.”

I tell you, do not judge, say this prayer devoutly each and every day so that you may put all your trust in Me, your mighty Lord and Savior. Do not waste precious time and energy, worrying about what is out of your control, put this precious time to prayer. Through prayer I will fight the battle for you, and you will feel My presence within you, helping you to cope, so that the waters will return to their course and not towards evil.

Abandon yourselves to Me, for I have won the battle. Go to the Light and shout to all of Heaven, “Lord that I may see and not be restless with the darkness that surrounds us.”

“Cast your cares upon the Lord and He will sustain you.”

My Mother is always there for you, waiting for you to cry out to Her, by Her title “Regina Pacis, ora pro nobis” – “Queen of peace, pray for us.”

Your world needs peace. Pray, pray, pray, for it. Your prayers will always be heard, for they will reach out to those who are without My Light, to open their hearts and permit My grace to enter within them.

This is your mission; the time of cleansing is here. Never give up hope. Go in peace.

Your loving Jesus of Mercy.

September 13, 2021

Jesus: My children I will prepare a great journey to refuge you. I will bless you along the way with My Father and Spirit and bestow on you My grace and blessings with the gentle embrace of My Heavenly Mother.

I come to extend My protection and defend you against the onslaughts of the great adversary, for with Me you can bear all things. I will send legions of angels to watch over you, so be prepared, the time is coming soon.

Continue the many prayers, receiving My Body and Blood each and every day to be strengthened against all evil. Pray for all those around you, especially family members who have lost their way. Within the next few years, the true faith will disappear before your eyes, and you will practice your faith behind closed doors. Have courage and not fear, as I have told you. I tell you, never give up hope, for one day you will be united again to the true faith of the fathers, not in hiding, but in the open, with great fervor and love.

Allow yourselves to be purified, you must stay in the state of grace. Receive the sacrament of reconciliation often, never doubting it's cleansing power to keep you on the right track. It is an act of love. Bear this time, for the reward is far greater than the trial.

Lift up My beloved sons, your priests, and all church leaders, especially My beloved VICAR, he is under such persecution, even from My faithful children.

Judge not, or you shall be judged, this is My holy word to all. Love one another and be kind and merciful to one another. For all who refuse to be humble and little before Me, will find their arrogance will be their damnation. Let peace and joy reign in your heart. I am with you always, trust!

Your loving Jesus of Mercy.

September 27, 2021

Jesus:

My children, turn to Me for all your spiritual needs, do not waste any time. Be alert and always think straight, put all your desires aside and place all your hope in Me. Live as holy children because I have chosen you and I your God am Holy. In My holy word, I have said, “I am the Holy God, and you must be holy too.”

I have rescued many from a useless way of life, by My Precious Blood and I desire to rescue many more before it is too late. I have assigned a guardian angel to every person, to show them the way, to guide them from all the evil they are facing, but many choose to reject their help. “Pray for them, for they know not what they do.” My faithful servants, listen and never fear, for the enemy cannot win when you are obeying My Holy Will.

Continue praying, with Rosary in hand, moving forward by the power of the Most High. There lies a spiritual worldliness that hides behind the appearance of piety.

I say, “Thou-shalt-not-kill” sets a clear limit in order to safeguard the value of human life. Today you also must say “Thou-shalt-not” to an economy of exclusion and inequality, for such an economy kills.

My Bride, the Church is being called to proclaim and bear witness to the Gospel message of love and mercy.

Remember My words, “The gates of hell shall never prevail against it.” Pray for all leaders of My Bride, show them your Love and Mercy.

My little ones, you have much to pray for. The great darkness that has come over the world, a darkness that desires to wipe out millions of souls within a short period of time. Pray for these people who want to rule the world. They have sold their souls to the Evil One and are extremely dangerous. This path will lead them to eternal damnation. Pray, pray, pray.

My children, urgency prevails, it is like a train whistle’s holler above the cry of its turning wheels.

Your Jesus of Mercy.

Sirach 17

Jesus: My children, You are witnessing an entire world about to be let go by the supporting of My hands. Many of these warnings were given to you by My Mother.

Heaven is preparing the earth for the promised events involving purification. There will come wars spreading from country to country and more diseases than you can ever imagine. Many on the earth will wish they had never been born and will curse Me, their God. They will not beg for My Mercy.

My faithful ones, the world is held up by pillars, the pillar is Me, your Jesus of Mercy and the pillars are about to fall and the world will be plunged into the depths of its sin and will drink of its bitterness.

My little ones, do not let these words trouble you. Be attentive, remain in the state of grace, keep your heart open to receive what I give you. My Mother will hold you under Her mantle. Be not afraid! My Mother has foretold that the crisis will be the Church's Calvary and crucifixion, but it will be followed by its resurrection in the Triumph of Her Immaculate Heart.

Her revelations show you that I desire to forgive, forget and invite My children to be part of My plan for the salvation of the world. Just say "YES" and My Love will take over, for I live in each of you. All who love Me, love My Father and the Holy Spirit. In this way your hearts are open to the Holy Trinity.

Every heart is called to be a dwelling place for the most Holy Trinity. My souls must not delay this response anymore, for time is short.

My children are being called NOW to invite the Trinity into your hearts to share in My coming Triumph of truth that the world will not be able to deny.

Go in Peace. Your loving Jesus of Mercy.

Proverbs chapter 2

Jesus: My children,

“The coming of the Lawless One, by the activity of Satan, will be with all power and with pretended signs and wonders, and with all wicked deception for those who are to perish, because they refused to love the truth and so be saved.”

He will be a man of sin, the Son of Perdition, the beast that ascended out of the abyss, the Lawless One, the abomination of desolation. He will be a tyrant, one of the most impious of men, literally the incarnation of the Evil One.

I tell you, My dear ones, he will come when certain primary conditions are that are foretold in My Holy Word are met. When the whole world renounces Me and rejects the authority of My Bride, and say “We will not have this man reign over us” “We will have no king but Caesar.” It is then that I your God will deliver this world to the man of sin. He will then, consign it to the darkness of VICE and ERROR because it has rejected the Light and the Truth.

My Bride is and will continue to pass through great persecution in order to be cleansed. These persecutions will continue to be violent, like those against the early Christians. They will also include deception by false brethren. You will witness heresy, apostasy, schism, incredulity, and impiousness full blown.

Then, many will give in to their passions and drink from the pool of iniquity, then will the Anti-Christ appear”.

Pray, pray and never stop My faithful servants.

Your Jesus of Mercy.

November 8, 2021 (Wisdom 6:12-20)

Jesus: My children, My Mother continually reminds all Her children to implore the assistance of blessed Michael the Archangel to protect you. He is so much more powerful than the evil one. He has a greater power than anyone other than Me and My Mother.

You will feel a tremendous sense of his protection, a presence one can literally feel. A spiritual power of peace and security, so needed during these critical times. He has been given the power to stop a plague from happening, showing My people that their prayers were heard and answered. He always defends the just.

My little ones, use holy water often, constantly blessing yourself, asking for My mighty Angel to protect you and lead you to safety. When you do this, you will have no need to be afraid, no need to worry, for these are the times of the great heavenly battle that is written in My Holy Word. Michael is to be the chief defender of the faithful in this battle.

I tell you, this battle centers around many special angels, from the strong Angel who proclaimed “Who is worthy to open the book and to loose the seals”, to the seven angels who come forth and pour out the seven vials of the wrath of God upon the earth.” In My Holy Word, I have made clear, that these angels will play the key role in My final VICTORY.

They will follow My command as they serve as the celestial front line, fighting with the enemy up to the end.

Be not afraid! Go forth in faith and complete trust.

Your loving Jesus of mercy.

November 22, 2021 (Sirach 8)

Jesus: My children, I was hated for My holiness as My faithful servants are hated for their striving for holiness. It was My holiness that first drew on Me the hostility of the world.

I see your frustrations are so many are experiencing the breakups of families and friends. I tell you, wait with expectation, let your soul be in quiet hope, and trust My declaration.

Each morning raise your whole soul to Me filling yourself with My Divine Presence. Consecrate your whole day for the pure love of Me and for My greater glory. Abandon yourself to My Providence and submit to all of My wishes.

As My servants you shall be able to achieve the impossible: Love your enemies, especially family members, do good to all who hate you, who treat you badly. Bless them who curse you, expecting nothing in return. Live, My little ones, by the saving logic of Me, your loving God. My logic dictates that it would be a crime for you not to communicate to others - all souls, whether they be friends or foe.

I ask you to continue to pray and make reparation for all souls, I desire for not even one soul to go to hell.

I have given My servant this prayer to say each day, I ask that My beloved servants pray it, for it gives Me much joy.

“My God, Your love surpasses all things, I cannot express to you how grateful I am for all you have given me. My love for you grows each and every day. You will always be first in my heart, there will never be another to take your place. I could not bear to be without your grace and love for even a moment. Never leave my side, for I would crumble and die, knowing You are not with me.

Please guide me along my journey towards eternal life. Make me your beloved child, and teach me your ways in everything. We are one, my love, and I will cherish and treasure You each time I receive You in Holy Communion. I will take you in my heart and let you take complete control of me. I totally surrender my life to you, sweet Jesus. Be my all for happiness lies in you and you alone. This world will never give me what you have, and for this, I promise to be your faithful servant forever, I love you Jesus.”

December 13, 2021 (Wisdom 7:15-30)

Jesus: My children, continue to respond to My Mother's call, for Her help and love, for all is beyond your understanding. She asks you to pray for the conversion of mankind, for this world, that is so full of darkness and hatred all around, a world full of fire with no peace or love. Offer your prayers and sacrifices for those who are so far from Me.

Ann: As I was in prayer, offering up everything for the salvation of mankind, I saw the dangers approaching this world, I was shown a spear of fire coming from above, flames were all around.

I saw a map of several parts of the world that were completely burned out of existence. The world would become a living hell of sickness, death, hunger and mourning and tears.

Jesus: My child, I desire that these messages be known, for My tears are many upon this world. My children are in great darkness, the dangers that are upon them, they do not see. They do not see the damage they are doing to their soul, and the wrong that is committed against Me. The powers of darkness are blinding them from the truth, their desires for power, money, lust, are deceptions that have become a poison.

So, so many souls suffer from cancer, a cancer of the soul. My little ones drink of the poison and feed it into their soul.

How long will My children wait before they awaken from their sleep of death. You sleep while you are being robbed of your inheritance of glory.

Ann: Jesus then taught me this prayer to say each night.

“Jesus, let My heart be united with You in every tabernacle throughout the entire world. I know that, that is not possible as I am here at this moment, but it is possible for You to do this in a sense while I am sleeping, through My guardian Angel or whatever way you choose.

Just allow that every moment in my life be an act of love for You. Your love is beyond anything I could ever express, so much beyond my mind and my heart, that through all I have experienced, I would want to die for You. I would give my life in whatever way You want.

I pray to You, Oh my God, that you would never put me to the test, but at the same time, I hope that I will always be able to say “yes” to whatever You ask of me.”

Your loving Jesus.
