

BLESSINGS; by Guy Murphy 12/25/23

Regarding blessing people, don't be fooled by the enemy using current propaganda trying to lead you into schism.

We are playing checkers; the devil is playing chess. Over 99% of the people will look at the title of the media stories and that will influence them.

Remember before Jesus comes again, the Church must follow her Lord in His passion, death and resurrection.
CCC# 677

Who killed Jesus? Pontius Pilate did not want to do it. The Pharisee far right and Sadducee far left teamed up to accuse the Lord. The same thing will happen to Jesus Christ's Vicar and the Church.

The tricky part is that the demons are in the far left, the far right and in the media elites. They want to pull you out of the Church, into their perversion. The diabolic strategy, "Strike the shepherd and the sheep will scatter!" (Matt. 26)

The Pharisees far right, repeated, "Jesus is eating with tax collectors and prostitutes, what confusion He is causing. He even blessed them and did not curse them; we have to Crucify Jesus."

BLESSINGS: For years the Pharisee far right has been trying to stop the multitude of blessings that can be seen almost daily at the pilgrimage shrines around the world, including Guadalupe, Mexico and Velankanni, India. All day long thousands of people walk by as a priest blesses them with Holy Water. Many of these people are sinners and many are not even Catholic. Note: These people are getting blessings, not Holy Communion or some other sacrament that is reserved for people with proper disposition of the soul.

Good people see the positive impact the blessings have had on the culture over the decades/centuries. In northern India there is persecution against Christians. In southern India, they recognize the Church as Holy and reverence them for the many blessings that the people received. Some cultures are spiraling into sin, and some are trying to improve, the blessings from God at these shrines can help souls.

Some on the Pharisee far right want to stop all these blessings because some of the people are sinners.

Some on the Sadducees far left (Some German bishops) want to bless sinful situations and justify it by saying, "Look at Guadalupe and Velankanni, sinners are being blessed every day, why not bless gay unions all the time?"

For the past ten years, there have been tens of thousands of accusations in the media about the Vatican promoting sin. Although it is a distraction from real effective evangelization, the large number of accusations has caused the Vatican to respond to clarify the topic.

The Vatican made a document, *Fiducia Supplicans, On the Pastoral Meaning of Blessings*, to clarify what is legal and what is not legal regarding blessings of irregular unions. The Vicar of Christ signed off on the document that describes when it is appropriate to bless sinners and when it is not appropriate.

It is up to good Catholics to be informed by reading the short document for yourself and not rely on the Far Left, Far Right or Media Elites because the devil is using them to try and lure you into schism. (CCC #2089 Schism is the refusal of submission to the Roman Pontiff or of communion with the members of the Church subject to him.) Take a look at Catechism, CCC #881-#892 as well.

In the "*Fiducia Supplicans*" document, it is very clear: "(4.) ... rites and prayers that could create confusion between what constitutes marriage—which is the "exclusive, stable, and indissoluble union between a man and a woman, naturally open to the generation of children"[6]—and what contradicts it are inadmissible. This conviction is grounded in the perennial Catholic doctrine of marriage; it is only in this context that sexual relations find their natural, proper, and fully human meaning. The Church's doctrine on this point remains firm."

"(5.) This is also the understanding of marriage that is offered by the Gospel. For this reason, when it comes to blessings, the Church has the right and the duty to avoid any rite that might contradict this conviction or lead to confusion. Such is also the meaning of the Responsum of the Congregation for the Doctrine of the Faith, which states that the Church does not have the power to impart blessings on unions of persons of the same sex."

When Jesus blessed Matthew and Mary Magdalene, they helped change the world. Be not afraid! Jesus is with His Church! The real document is not against Faith or Morals. Any sinner in the world can join those blessing lines similar to Guadalupe, however, a blessing of an irregular union ceremony is leading people into schism.

Pray and fast for our deeply troubled world. Our Lady of Fatima predicted, "The Holy Father would have much to suffer!" Let us pray for and love the Pope!
