

**January 23, 2023 Psalm 62**

**Jesus:**

My children, I ask you to pray for the fulfillment of all the plans that are taking place, to offer all your sacrifices to Me in order that everything is fulfilled the way I have planned it, and that the evil one can accomplish nothing.

Give Me the pressures of your day, your anxieties, your worries, your fears, your dealings with all those who do not understand what is happening. Thank Me and praise Me for all these sufferings you endure, begging Me to use you as I see fit for your sanctification. Accept everything, for a great good will come out of all this evil. I tell you, My faithful servants, to decide for peace, live peace in your heart and you will understand that peace is My gift to you. Remember the fruit of peace is love and the fruit of love is forgiveness. You must forgive your family members and then you will be able to forgive others.

There are many around you who are not listening to My calling, but our permitting Satan to seduce them. He is very strong. This is why I ask that you dedicate your prayers to Me, so that those under his influence can be saved.

I desire not one soul to be lost to the evil one. Remember these words (Psalm 50). "If I were hungry, I would not mention it to you, for the world is mine and everything in it." No, I don't need your sacrifice of flesh and blood, what I want from you is your true thanks.

I want your promise fulfilled, I want you to trust Me in your times of trouble, so I can rescue you, and you can give "Me glory".

Spend every moment possible, listening and hearing My every Word. I have much to say to those who truly want to hear.

Go in peace. Your loving Jesus

**February 13, 2023 (1 John 1:5-7 )**

**Jesus:** My children, be totally aware that the power of the Antichrist is to control the governments of your world and so the money of the world will be impossible for all to exercise their own rights and freedom.

It is of significant importance to give to Me your complete surrender in these times. It is this total surrender to Me, that is the key message that Heaven wants to get through to each of you. You are often confused or over awed by the phenomena of your wounds and lose sight of the deep implications of your trusting relationship with Me. I, your God am trying to make you aware of the threatening dangers that now besiege your planet. War, diseases, family disintegration, poverty, apostasy are catastrophic crisis' that surround you. I say that mankind is living in a cesspool of sin and atheism. My Mother has said that "these dangers are now especially grave for the survival of the world." She has stated that, "the world is full of sin and is causing and bringing about its own destruction.

There will be wars spreading from country to country. There will be more diseases than there will be names for, and hunger cries will reach Heaven. The inhabitants of the earth will wish that they had never been born and so many will curse Me and will not beg for My Mercy.

Heaven is preparing earth for the promised events involving purification, these events are drawing closer than ever. Remember, My children of the light, that the world is held up by pillars and the pillars is Me your Jesus of Mercy. The pillars are about to fall, I will soon release My hand and the world will be plunged into the depths of its sin and drink of its bitterness.

I tell you be attentive and keep your heart open to receive what I give you. Place yourselves under My Mother's Mantle and be not afraid. Go in peace.

Your Jesus of mercy.

**February 27, 2023 Romans 12**

**Jesus:**

My children, I tell you, climb the mountain throughout your short life here on earth, do not look back. Keep climbing no matter how hard it may seem at times. My grace will sustain you, keep asking for it. Remember your heart and mind, what I try to teach each of My children, that the mountain is very high and extremely steep, but not impossible to climb. Let My strength carry you to the very top.

Listen to Me constantly and follow My inspirations. Whatever sufferings I permit each day, each hour, trust in Me. Have I not made the Heavens and the Earth? Am I not your guard and your shade? Do I not stand by you, at all times? I never sleep.

Whenever you stumble and fall, I am there for you, to pick you up. I am your hope for all eternity, your shelter from every storm that comes your way. I am your defense, have great confidence, for I am all you need to reach eternal salvation.

I have given you My Mother and She gives all Her children Her complete love, it is beyond anything in this entire world. There is nothing in this world that exists more than this deep desire for My Mother's love. This world is of no value, it is only a journey and right now you are on that journey, but while on the way, all the things of this world are a temptation to the flesh, and your flesh can be very weak.

You continue to say you want this and you need that, but when you want all these things, you draw away from Me, your loving God. It closes your heart to Me. I know you are human, and you all desire certain things, but the flesh can lead you further and further down the wide road, but not the narrow road.

My little ones, the narrow road is the road of the Cross. The flesh is only the house. When you deny the flesh, you take care of your soul to the point that you surrender to Me. Then I can fill your heart and inflame your soul.

Go in peace. Your loving Jesus

**March 13, 2023 Psalms 20**

**Jesus:**

My children, I ask that you pray before Me in the Blessed Sacrament, with the fervor of an Angel. All the legions of celestial spirits are with Me in adoration near the altar and the Tabernacle.

Some of My beloved Saints have been shown during this time of adoration, the mysterious symbols of a ladder of gold which unites Heaven and earth, supported by the Tabernacle and of the lily of purity shooting forth its roots and drawing its nourishment from the flower of the wheat of the elect and the wine which alone can bring forth virgins.

I tell you, My little ones, the only way to be calm and have peace is by Me, your God, present in the holy Eucharist. The loss of faith in these days, is in great danger. The overriding priority is to make Me present in this world and to show men and women the way to Me. Not just any god, but the God who spoke on Sinai, to Me, whose face you recognize in a love which presses to the end.

Your real problem in this moment of your history is that I am disappearing from the human horizon, and with the dimming of the light that comes from Me, humanity is losing its bearing with increasingly evident destructive effects.

Let Me open up before all souls the unique perfectly tailored path, that can lead all to holiness and your simple efforts to respond to all of life's irritations with patience and acceptance undertaking this journey through life one step at a time. Be strong in faith and in union with Me, for I have work for all to be done. Feel within yourself a sense of your strength in Me and a love for Me that draws you closer and closer.

Go in peace. Your loving Jesus

**March 27, 2023 Isaiah 65:16-25**

**Jesus:** My children, just as I alone am the source of life and salvation, so can I alone guide and strengthen you to pursue the correct path in your political decisions. You need to pray and ask Me to form your nation and your citizens according to My design. I tell you, by virtue of baptism, all Christians, including all politicians must commit themselves to building up My Kingdom in the earthly realm and make concrete decisions accordingly. This is what I your God did, it is why you were given a share of My Holy Spirit. Nothing can be yours, rather all must be in you only as a shell, and opening this shell of your work, there has to be found the fruit of My Divine Work.

My blessings are your greatest wealth, all your work adds nothing to it. When souls ask for My blessing, they are not asking for more of what they could get for themselves. They are crying out for the wonderful, unlimited goodness that only I have the power to know about or give to you.

Have faith, for then you will see My power, you will see that I rule in Heaven, even though you are on earth, I can do all things. If you desire to arrive in My Kingdom with Me and through Me, you must go forth in mind and in contemplation from this world. You ought to raise your hearts from the physical senses and take up the bright weapons of obedience. You must not set the reward of your obedience in the valleys, that is, in earthly things.

I tell you, My beloved ones, your obedience ought to be on the mountain of charity, so that whatever you do, you do for the love of Me, your Jesus of Mercy. Go in peace, your loving Jesus.

## **April 10, 2023 Wisdom Chapter 1:1-16**

**Jesus:** My children, offer to Me your will, your life and your eternity. My love is like a raging fire that consumes. The chastisement of your world has begun and will continue. The world will be cleansed, woe to the man who chooses to ignore My words, for My coming will be faster than light.

There will come a point when people will be living on bread and water or practically starving. But through this suffering, many will turn back to Me. My wounds bleed profusely for lost souls to come out of darkness into the Light.

My children are asked to pray for the souls of priests, for they are overwhelmed with Satan's attacks, he wants to destroy them. Prayer enlightens them in the truth and protects them for their responsibilities. Ask Me, My sons and daughters, to give them the graces they need. They have many temptations and much loneliness. I tell you, be for them the strength and love that I your God desire, to bring them closer to Me. Never judge them. The present spiritual warfare has blinded them and so by your prayers they will be able to see clearly the Light.

You have been told that My Bride will be shaken to its very foundation. Sin and evil have entered in different forms, in every part of the world. Remember, My faithful servants, make atonement for the unfaithfulness of all My beloved priests, so that they may gain the grace to raise themselves again and attain fruitfulness in their apostolate. I tell you, if this is not understood by the servants of My Holy Bride and My ministers, then nothing can save this world.

Pray, your loving Jesus of Mercy.

**April 24, 2023 Sirach Chapter 18:1-29**

**Jesus:** My children,

Ask that I may instill in you a fervent desire to pray without ceasing, being ever mindful of My presence and love. My people are in times of apostasy, power, hate and unforgiveness. It is Satan's time. His high level of activity is also because he knows that something big is coming. He knows that his game will soon be greatly weakened, and he always screams the loudest before he is conquered. One must remember that the evil one attaches himself to those who do not forgive. No matter how weak or miserable one may be, never refuse Me the only reward that I desire, that all of My children throw themselves into My arms and there abandoned their anguish and sorrow to everything around them.

Come to Me trusting, for I will always protect you from all evil forces. I am your Light in all of this darkness, I am your peace in all your storms, protection against all that frightens you. May I, your loving God, calm your restless hearts, that you may rest in My peace throughout all these uncertain days ahead.

Pray and hope, for this stormy blast that has surrounded your world, will be under My protection. As it is written, "Our help comes from the Lord Jesus Christ, crucified upon Mount Calvary for our salvation. In His shelter, we can face with confidence the approaching night."

My little ones, lift up your eyes to Heaven from where help will come,

help that I will bestow upon you, for I made Heaven and earth. I am your guard, I stand forever at your right side, be not afraid.

Your loving Jesus.

**May 8, 2023 Sirach Chapter 33:1-23**

**Jesus:** My children,

I tell you, there is no salvation outside the Cross. As you look around, there is only a thin veil that is separating you from the truth. The nails that were driven into Me, speaks less of the world's hatred, than of My love for mankind.

I ask you, is it harder to give many good things to those that you encounter, to make them happy and receive their gratitude, or to give a part of yourself to make what you give a gift of joy, that you would like to feel? Making someone happy and joyful at the price of your own suffering. This, My little ones, is what the Cross is all about.

You could see how all the powers of evil have been unleashed, so as to prevent you from accomplishing this goal. The anger and pride are at work together to make it harder and harder, but never give in. You must conquer, leaving pieces of your flesh along the path. The Cross, I tell you, is your only salvation. Everything else is not real, it can make you happy for only a short time, but in the end it leads to discouragement and disgust with all things, even with life itself.

Mercy is everything, for one day you will understand the superabundance of good things that are coming. So much joy, and no more sorrow, for I am your rock, your fortress and your deliverer, and your strength.

In these trying times, ask that I may free you and lead you to what is right. To open all hearts to permit My Spirit to fully flow in the seven areas of your being, your heart, will, mind, intellect, memory, body, and your soul.

Go in peace. Your loving Jesus of Mercy.

**May 22, 2023 Sirach Chapter 51:2-17**

**Jesus:** My children,

Remember these words that were written, “Preserve me God, I take refuge in you.” My servant Steven, full of power and grace, went forth throughout the land. He bore no shield before his face, no weapon in his hand, but only in his heart a flame, and on his lips a sword, wherewith he smote and overcame the foes of the Lord.

Steven went forth trusting in Me, no matter what would happen to him. He had only a flame in his heart. His love for Me was great, he had no fear of dying for the Kingdom to come. I ask you, My people, who are living with immense pressures, evil forces driving people from their homes, their livelihoods, are you prepared to take refuge in Me, to have complete trust in your Creator? Do you believe I will show you the path of life, the fullness of joy in My presence, at the right hand, happiness forever? I did not give you a spirit of cowardice, but rather of power, love, and self-control.

Bear your share of hardship for My Holy Word, with the strength that I give. These evil doers will have eternal death and not eternal reward. The Evil One is always gazing on souls, it is his effort to accuse all of a perpetual unworthiness with Me. The sense of unworthiness is embraced as a truth without qualifications. They feel a sense of remoteness from Me, a lack of confidence and unwillingness to draw closer, because the door seems to be shut.

I desire to conquer this lie, for the Evil One wants sins, small or great, to be treated by Me as impediments to My Heart. I tell you, ignore the Evil One’s accusation and come to Me with humble and repentant hearts, for I am the Way, the Truth and the Life. Take refuge in Me!

Go in peace. Your loving Jesus.

## **June 12, 2023 Revelation 3:10-13**

**Jesus:** My children,

I tell you, stay close to Me, re-charge yourselves with the strength to overcome your lukewarmness and those defects that you could never overcome by yourselves. My people have become lazy, and they are not able to finish the things that they start. Think about this, My little ones, you are not close enough to Me, you do not seem to have the ability to persevere. It is time for each of you to recognize that you are being urged on by your God, Who gave you life. You are in a time of change and hope, all around you seems to be caving in. You need to stop avoiding sacrifices and cling to Me.

Ask for Mercy in forgiveness, Mercy in gentleness, and Mercy in kindness as I have taught you over the years. Make a lasting impression on the world. Obtain graces for people in all conditions of life, graces that may make a difference between their eternal salvation and their eternal loss. I will grant you the privilege of helping souls gain heaven. This work is of great importance. My people are dying in great numbers, for they have refused My graces and turned their back on Me. They listened to the evil one, who lies and calls them to total destruction of body and mind.

Those that remain faithful to My Holy Word will be able to fight temptation and weaknesses throughout their journey in life, for you have made a clear choice to follow Me to the very end. Remain close to My Sacred Heart, choose Me and you will live forever.

Your loving Jesus.

**July 10, 2023 Psalm 71:1-21**

**Jesus:** My children, remember, hope does not disappoint, because My Love has been poured out into all hearts through My Holy Spirit. Put your hope in Me, for I am your strength and your joy.

Through all the darkness and perplexity in this world, I will point you to the Heavens above. I promised to save you in all these evil days, for all who help the poor and the weak, those that cannot help themselves.

Remember, without food and water you will perish in time, and without My Love, you will perish even faster. Come to Me at each moment of the day, for I will lift you and carry you safely through all the dangerous and frightening passages of your life.

You have seen the great darkness that has covered the earth, as the battle between the forces of good and evil rage on because of sin. In these times, the faithful must stick together to be children of the Light and to share the light of faith and love. The evil one is not able to overcome the Light, but that does not keep him from attacking and tormenting My children whenever possible. That is why you must trust in Me and surrender yourself to Me. It is then that you will prevail.

I have given My servant the prayer to say for surrender, there is great power in this prayer, all must say it each and every day, faithfully.

Remember, the power of the evil one is not infinite, for he is only a creature, powerful from the fact that he is pure spirit, but still a creature. He cannot prevent the building up of My reign. Be not afraid! Pray My faithful servants, for I am in control.

Go in peace! Your loving Jesus.

(The prayer referred to by Jesus)

**THE UNITY PRAYER or  
THE PROTECTION PRAYER**

My adorable Jesus...

May our feet journey together...

May our hands gather in unity...

May our hearts beat in unison...

May our souls be in harmony...

May our thoughts be as one...

May our ears listen to the silence together...

May our glances profoundly penetrate each other...

May our lips pray together, to gain mercy from the Eternal Father, Amen!

**July 24, 2023    Psalm 59**

**Me:** Lord, I trusted in You and You have helped me. You defend Your people and bless them in abundance. You lead us like a shepherd and carry us forever in Your arms. Rescue us dear Lord from the traps that are enemies have set for us. How great is Your goodness, for You have stored up great blessings for all of us that trust and reverence You.

**Jesus:** I tell you, there will come a time when My people must hide and care for those that will be in great danger (My beloved priest).

Take courage, when you depend on Me, don't worry or have anxiety and anguish, just trust. I am with you every step of the way and will always guide you. My love will protect you like the walls of a fort. The plans you may make are not always the plans I have for you. For with one breath, I can scatter the plans of all nations that oppose Me. For My plans stand forever.

You must always be prepared to let Me remind you of My ways, not at the times that suit you, but at the times that suit Me. Read My Holy Word throughout your day, reading and meditating, so that I may enter into your heart and speak to you. When you have true meditation, you will be able to surrender all of your independence, the letting go of your right, giving Me your full attention.

I tell you, those that love Me and rely on Me and keep My commandments will be kept from death, even in times of famine. Keep trusting in Me, for your hope lies in Me and Me alone.

Your loving Jesus.

**August 14, 2023    Isaiah 25:4-12**

**Jesus:** My children,

Your love is a fragile gift, it is shattered and scattered in battle, the battle that is happening in your world now. I have assured you that I will never leave you alone, no matter how intense the battle becomes. Always raise your Rosary in victory, for this gift of love will never be taken away for it has already conquered you. My Mother has left you Her greatest weapon against evil, say it each and every day. The Rosary far surpasses any gun that many possess.

Pray for the Wisdom and strength of My Cross, so that you may participate in all suffering with Me, your Christ. Let hope not be obscured, My little ones, by night, but may faith's darkness be as light. I have promised shelter and protection from all harm for all who trust in Me and carry out all that I ask of them. I will send peace of heart in any distress or worry one may have. Throw all your cares on Me and I will support you, never permitting the just to be disturbed.

The violent storms will come in order to cleanse the world from all hatred, to break all who dwell in darkness, so that peace may enter into your midst. Let me guide all into the way of peace, hope and charity.

In My Holy Word, I have stated "He has shown the strength of His arm, He has scattered the proud in their conceit, He has cast down the mighty from their throne and has lifted up the lowly."

Go in peace. Your loving Jesus.

**August 28, 2023    Isaiah 51:1-8**

**Jesus:** My children,

I ask you all to exercise the virtue of patience. I know how hard it is for so many to have patience when there seems to be so many trials in your lives. Everyone has his share of troubles and they come in many different forms, may it be bodily, mental, or spiritual sufferings or every kind of disappointments.

You will never be free of trials, they are a part of your earthly life, so you must deal with them the best you can. I will be with you in these times and comfort you. I never want you to feel that I have departed from you. Constantly pray for the gift of patience, to have peace to move forward towards your heavenly goal. Patience is your key to peace and joy, no matter how bad the situation may get.

Patience is much needed in this world with the tremendous amount of violence that is taking place. Souls are so corrupted by such evil, that they are ending their lives in suicide. Pray for these poor souls that have lost their way. My heart bleeds for them! I ask you, My beloved faithful ones, to reach out to those around you that are in such need, give them words of encouragement. Do not use harsh words, instead use loving and kind words, words of understanding and forgiveness. Be patient and kind, do this all for My Kingdom to come.

Your loving Jesus!

**Sept 11, 2023    2 Thessalonians 2:1-17**

**Jesus:** My children, the evil one will always work against you, using someone that is weak and not responsive to what I ask of them. You must always be mindful that your plans may not be My plans for you. Fear not, for all will go according to Divine Providence. Everyone has a mission, and I will prosper the works of your hands so that you will accomplish what I ask of you, for your strength to endure, comes from Me.

Listen not to the voice of evil, but to the voice of love that works within My Spirit, that will guide you. Be calm and patient to those who distract you, they want you not to succeed in what I ask of you. You must not let them destroy your peace. Fight not, for you will not win against evil forces, but only by placing everything in My hands and stepping out of the way.

The battle has been won, always keep that in your mind. Be not worried, be joyful, and keep loving your enemies, as I have written in My Holy Word. I know this is hard for you, but My grace will always sustain you. Remember, My little ones, My faithful servants, you are all instruments that I am using to accomplish My work. Be at peace and move forward without looking back. Time is short as you have been told. Always prepare yourselves through prayer and fasting, if possible, and remaining in the state of grace. I am with you and will take charge.

For those who are against you now, especially family members, love them and pray for their conversion each and every day, before it is too late. For one day, I will remove the veil from their eyes and they will see My will clearly. Your prayers are not in vain, I will answer in time.

Go in My peace, your Jesus of Mercy.

**Sept 25, 2023 2 Peter 2 3:14**

**Jesus:** My children, in these days ahead you must remember that I desire to fill your hearts with the warmth of My love, that loving Me above all things you may attain My promise that surpasses every human desire. Always turn your eyes to Me, for I am your shield, your protection in everything that is happening in your world. Turn to Me, who is all powerful and full of love for each and every soul that is created.

My greatness shines upon you in every corner of the earth. I bring forth water and food to all, especially those in places that suffer drought and famine. I never turned My back on those that call out to Me for guidance and help, to those that desire nothing but to do My holy will. Prayer or action or even mental prayer, whether it be active or passive, in the darkness of faith or in the light of understanding, with a special gift of grace all things are as nothing to Me, for it is My will that gives you all your real and sole value.

For the fulfillment of grace is the perfection of the heart and not of the mind. I am the One Who moves and motivates every living being. Your way of looking at Me can change, but what never changes is My gaze upon all humanity, for I give you beauty, strength, wisdom, and courage. It means, My little one that you must never give up, you must continue asking and praying for what is right.

My people must stop seeking what they desire and put their importance on being united and not divided. Your world is hanging by a thread and soon will be shaking to its core. Seek by prayers and fasting, peace and unity among all nations. Prayer can change the world. Never stop! Your Loving Jesus

**Oct 09, 2023 Jeremiah 30:15-24**

**Jesus:** My children, I weep the tears of suffering humanity, for by My tears I wash the face of a sorrowing world. I will make clean and feed those who hunger and thirst by My Body and Blood. I am the living Bread that will feed your soul and bring you new life. I will rescue all from sinking in the mud and save you from your enemies, that wish to destroy all My creation.

I know the pain and suffering My people are going through, I ask you to let Me be your stronghold in these times of agony and distress. I will avenge the blood of My little ones who are killed each and every day. I have not forgotten them or the cry of the poor.

Those who call out to Me and trust in Me, will never be forgotten. When you face doubt, you must not hesitate or give in to the enemy but throw yourselves into My arms. Your soul lives by prayer. Just as the intellect absorbs intellectual nourishment, the body absorbs material substances,

As the body dies for lack of food,

your soul will do the same when it lacks Divine warmth.

In these troubling times there has come a shortage of food and water supplies. I say to you, be aware of all that is transpiring around you. Begin to prepare for all that will come.

Heed My words, you must remain a humble and fervent servant; for the strength of one's convictions joined to a delicate respect for the consciences of others will contribute towards breaking down the prejudice cultivated against you and you will show successfully, that all human knowledge cannot obscure My pure Light, it will only become more resplendent from its radiance.

Your Loving Jesus

**Oct 23, 2023 Galatians 6:1-10**

**Jesus:** My children, My warnings are not being taken seriously, instead of doing My Holy Will, My people are doing their own will. Take the Fatima warning seriously, do you not see the destruction happening all over your world? Do you sit back and tell yourselves, this will never happen to me or where I live? Foolish, foolish people, you have no idea what will fall upon you in a matter of seconds. You can be wiped out of all earthly possessions, never to gain ground again. I have spoken, I can do all things, trust in Me. Those that refuse what I ask and continue with their follies, will regret it forever. Be mindful of all the messages I have given to the world through My beloved Mother and to those I have chosen to teach you and prepare you for your salvation.

Tell My people to become acquainted with Me, their God, by reading My Holy Word. I will speak to one's heart for the asking. Do not just leave the Holy Word on a night stand for show, but become knowledgeable in My teachings.

Let Me bring Light into your heart, so that you may shine forth and become My true and faithful disciples, leading others to Me. Time is of the essence, be wise and not foolish. My promises are true and everlasting.

Your Loving Jesus

**Nov 13, 2023 Sirach 6:18-37**

**Jesus:** My children, resolve yourselves to put no limit to My trust and to extend it to everything. Let Me be your armor which covers you from all evil. Let Me be your strength, that I will be your guide, your director, your counselor, your patience, your knowledge, your peace, your justice and your prudence.

Let yourselves no longer fear the tricks of the demon. I will be your strength in all your crosses. Let Me be everywhere in you, therefore, in whatever situation you are in, whatever enemy may rise up against you, I will always support you. Remember My words, “In the shadow of your wings I take refuge till the storms of destruction passed by.”

Be not afraid of anyone or anything. Remain in the state of grace, for you are a temple of the Holy Trinity and where the Trinity is, My Mother will sure to be.

Remember, My little ones, your patron saint will be within you as well as your guardian angel. You are a Christian and you have the right and the duty when you are in danger to call on all the Heavenly Spirits, to call on everyone in the Church Triumphant, that is all the souls who are with Me in My Heavenly Kingdom.

Never be afraid of anything but be afraid of sin. Sin is to be feared, and nothing else.

I am your stronghold and your hope and your refuge. Even if war should break out, you must trust, for I will shelter you and keep you safe. There are storms, earthquakes, pestilence, and fatal epidemic diseases because of sin, but I tell you, find your courage in My Light.

Keep Me always before your eyes, for the world must be awakened and cleansed.

Go in peace,

Your Loving Jesus of Mercy.

**Nov 27, 2023    John 15:1-27**

**Jesus:** My children, there are those in the world that betake themselves to the Light and by faith unite themselves with Me, but there are others that shun My Light and separate themselves from Me. For those who are in the Light, they may deserve enjoyment from it and from those good things contained in it. But, I tell you, for those in darkness, they will partake in calamities. They will not have My love, for they believe in lies, they do not believe in the truth, but consented to unrighteousness. If these souls refuse to repent and don't better themselves, My Father will inflict a terrible punishment on them. It will be a punishment greater than the deluge, such as one will never have seen before. Fire will fall from the sky and wipe out a great part of humanity.

Earthquakes and many volcanoes will continue to erupt and impact the earth. I tell you, hide yourselves and those that come to you. Shut the door until the indignation passes away. For behold, I the Lord will come to visit the iniquity of the inhabitants of the earth against Me. There will be men withering away for fear and expectation of what is happening upon the whole earth. They will respond with fear and confusion when they see all that is taking place, but you, My faithful servants, will be calm and praying for My coming. The powers of Heaven shall be moved, for your redemption is at hand. Let My Kingdom Come and My Divine Will be done on earth as it is in Heaven.

Your Loving Jesus.

**Dec 11 2023 Psalm 26**

**Jesus:** My children, I tell you, in the days to come, nation will rise against nation, there will be more earthquakes, famines, plagues, and all kinds of awesome sights from the skies. Even with all of this happening around you, I your God insist on an unwavering resoluteness from My followers. May you not be deceived, do not follow deceivers. Never be terrified, for even though there will not be left a stone upon another stone, I will remain present.

Ask, My dear ones, to have Me stir up the will of all the faithful, to bring My Divine work to fruitful completion, that they may receive in greater measure the healing remedies that My kindness bestows.

I your God will set up a Kingdom that shall never be destroyed. My people are not looking for suffering, but to joy. I, your God, living in joy wants to communicate it to all My people. This is why I sent it down into your misery, nailing it to the Cross. At that point, the Cross became the way toward joy. You must walk out of darkness into the Light, no matter what, and go by hope and patience.

When the burden seems too great to bear, put your faith in My promise that joy awaits those who follow the road to the end. I tell you, when the enemies seize you, persecute you, and lead you before evil people because of My Name, it will lead to your giving testimony, for I will give you a wisdom that will render your adversaries powerless to resist or refute, a wisdom even more awesome than the mystical writings on the wall.

Perseverance to this promise bring security to your lives.

Go in My name. Your Loving Jesus.

**Dec 25 2023** Meditate on the readings of My Holy Word for this day of My birth. (Matthew 1:1-25), (Luke 2:1-14), (Luke 2:15-20), (John 1:1-14)

**Jesus:** My children, on this day of My birth, I ask that all of My followers listen to everything I tell you. Stay close to Me and you will be guided. You will hear everything I desire to say to you. Because of the wickedness and sin, you must pray constantly and fast if it is possible for you.

The time is at hand to be prepared to surrender all that has come into your life for the Triumph of My Mother's Immaculate Heart. You cannot have peace without surrendering. The world is coming closer and closer to My Second Coming, and for this reason the world needs the extraordinary grace of My Love to withstand the battle of the evil one.

You must always remember that I, your Jesus of Mercy, will lead you, for I am the Way, the Truth and the Life.

Remember this quote from My beloved St. Thomas Moore. “Men desire authority for its own sake that they may bear a rule to command-and-control other men, and live un-commanded and uncontrolled themselves.”

You, My little ones, are living in times of unjust wars and immoral acts, all the corruption in high places. Denounce this corruption and follow in My footsteps, for I too pointed the finger at all moral corruption in the leadership of My day.

Use all power of prayer to call out to Me, to carry out My Divine Will, to have Mercy on this world and My Bride. Go in peace, your loving Jesus.
