

YEAR 2022

2022 Sacred Heart Messages January 24, 2022 (Wisdom Chapter 8)

Jesus: My children,

Many are focused on an uncertain future and have become filled with anxiety and fear. Even though there are many sorrows in the world, nothing can take away peace from all who know me, their loving God.

This advice from My beloved Mother, the Queen of Peace, was Her promise to Her children who respond to Her call, regardless of world events. Remember, I, your God, am active in your lives and in the world, the outcome of your world is already decided, as you have read in My Holy Word.

One must not be based on fear, but on love, trust, and acceptance. Those who live by My rules and accept My messages of love and My invitation to peace are truly part of My Mystical Body and live with confidence in My Mercy. Do not feel afraid when you hear of chastisements, for this is the call of My Beloved Mother through the most Holy Trinity, it is a call of repentance, a call out of love to prepare yourself. I your God, your Jesus of Mercy, will purify and cleanse the world of all sin.

The souls of this world will suffer more and more, it will get greater and greater. It will be the purification of the world through the process of suffering. It may seem terrible to many, but they will be purified through it, the suffering will draw them to Me through the Cross, it purifies them.

I will permit My Beloved Mother to give grace to the world, but many will reject the graces. I tell you; the entire world will come to be aware of My existence. Even those that never heard of Me, will become aware of Me.

My Mother and I will empty out a storehouse of grace upon the world through the power of My Holy Spirit, and hearts will be totally converted. As they are totally converted, they will have a realization of Me, their God. But I tell you, they will still have their free will to drift back into their old sinful ways. Pray very hard for those souls who will refuse the graces given them, My faithful ones, for they know not what they do.

Your loving Jesus of Mercy.

January 24, 2022 SACRED HEART PRAYER

Ann: Before mass begins this day of the 24 th of January, I preceded to pray for my relatives and others that needed my prayers for their sufferings, when the words of Jesus came into my heart. I was looking at the crucifix on the altar,

Jesus said: “My daughter, I know your thoughts, and your prayers for others, but I ask you to look at Me and thank Me with the words of love that I gave you through My beloved Bishop Roger Kaffer.

He had asked you to pray this prayer each and every day, to take the words into your heart with great love and devotion. To look at Me and pour out this beautiful prayer he wrote to Me on Calvary in Jerusalem in 1984. Even though he is no longer on this earth, he is with you in spirit. I ask you to spread this devotion to My prayer warriors, it is very powerful.”

The Sacred Heart Prayer

The Sacred Heart Prayer Oh my Jesus, I love you! I love you! I love you! Most Sacred Heart, most Sacred Love of my lover, my Savior, my God and my all! How can you love me? So unworthy, so fragile, so fickle! Yet you do and I know it and I cannot tell you how deeply, how immensely and how intensely and completely I wish to return your love for me.

By living, dying and bringing honor and glory to You by helping in a priestly, selfless way to spread Your Kingdom. Oh Christ my King! All that I am, have and do I give to You! No strings! No conditions! Just total, confident love.

There is nothing, Lord Jesus, nothing at all that you cannot have - nothing at all that I will not give - or give up - if you want me to. I know this is easier to say than to do. I know that I am a coward and a sinner and a weakling. But my confidence and love for you is such that I know whatever you ask, you will more than give the strength to give you - Not fearfully, reluctantly, begrudgingly - but cheerfully and gladly.

Your will! Let me do your will, my Jesus! Completely, totally, unreservedly - with no strings attached! I love you! I love you! I love you! I wish to be completely and Totally Yours.

Come Lord Jesus! Come into my heart, come into my soul, come into my body, and take me, possessed me, transform me, only keep me always close to you then dispose me of as you will!

Amen.

February 14, 2022 (Proverbs 8:22-32)

Jesus:

My voice goes through all the world. My glory speaks across the universe. I tell you carefully observe all My words and live them to the fullest. May My followers proclaim My Word to every creature, for I am faithful to My promise of salvation. Fill the earth with love, and patience, humility, and peace.

If My people would hear My voice and walk in My ways, I would quickly humble their enemies. If people would only believe, have faith, all things are possible.

I hear My people say they have given up on life, they shout, “Let us eat, drink, and be merry,” but their eyes are dull and their lips hard, love is totally absent within them. When these souls lost their faith, they lost their reason too. They are drunken men and women who argue for the sake of arguing. They have given over the quest for truth. The heaviest of all human burdens is death, with its attendant, fear, and grief.

When one refuses to recognize one’s own poverty, is not to recognize Me, their loving God of Mercy. To not allow Me to be their God, to provide what they need, to not be bound by chains of addictions, to be alone in this ever changing world in which they live.

To let Me provide for all their needs, to recognize that through prayer, the source of life, all the chains would be broken, and they would gain the possession of My Heart. Time, My little ones, is moving rapidly and will not slow down.

Prayer time is so important to save souls, especially your family members that you call out to Me, day in and day out to save their soul, for their conversions.

Many hearts are still very far from Me, but never give up hope, continue to pray and fast and call down My Mercy upon them.

Your loving Jesus .

February 14, 2022 (Proverbs 8:22-32)

Ann: Dear Jesus, as I receive you this day, may I ask you to please clean up my garden of all debris. I ask you to walk through it and pull everything that hinders me from getting closer to you, that they may never grow again. That I may be freed to move forward and never look back. This I ask of you, dear Lord, this day of my birth.

Jesus: My child, your words give comfort to Me in all your trials. Your trust in Me permits you to keep moving forward. You have never given up hope and this pleases Me above all.

By your faith and perseverance mountains can be moved. I hear your call for help, and I will surely answer all who place their complete trust in Me. I will pull every weed from your garden, that hinders you from reaching your eternal goal.

I never refuse a soul who asked and prays continually for special graces.

I never want to stumble through your garden, I desire to walk through it without any roadblocks.

Continue to give Me all your weaknesses and insecurities that I may make your soul pure and holy. This I wish to do for you this day for being My faithful servant.

March 14, 2022 (Sirach 16)

Jesus: My children,

Days are swiftly passing, and confusion, destruction and terror are among you. You will not be able to trust anyone, not even your best friend. Place your trust in Me and ask solely for My help. I will be your light that shineth in the darkness. You will long for My presence and seek out My goodness. For all the wickedness of My people, there must be terrible destruction. The earth must be cleansed so that I may come and rule My people, so they may live in peace and prosperity.

Hold fast to these messages, My dear ones, for the day is coming when the enemy will be destroyed, wiped out at last, then I will come to live among you, and many nations will be converted to Me and I will live among them all.

I will remove the sins of the land in a single day and after, I will declare that all live in peace. You will succeed, because of My Spirit, though you are few and weak, I tell you, no mountains, no matter how high can stand before Me, for it will flatten out. All this will come to pass when My people obey My Commandments and receive My many blessings.

I am your heritage; I will always provide for you. Let your every moment be united in prayer. Offer in prayer all your trials and sacrifices to Me, for all sinners.

My priests, bishops, cardinals, religious, and especially My beloved Vicar of Christ, need your prayers and sacrifices, dear ones. Pray, pray, pray.

Your loving Jesus of Mercy.

March 28, 2022 (1 Thessalonians 5:1-6)

Jesus: My children,

I give you this message to help you understand, why so many have forgotten Me. Many souls have a paralyzed hand and a working hand. The paralyzed hand cannot be used, so they must use the other hand. The souls with the paralyzed hand cannot be bothered with Me, their God, and so they are without My enlightenment. I do not exist to them. I desire to flow My grace of conversion from those with a working hand to the one with the paralyzed hand to renew My life in their soul, but they refuse this grace. The souls that refuse are in darkness and will not come to the Light. They are full of sin and remain in darkness, far away from Me. Their soul is in deep sin and cannot recognize the truth or the reality of My true presence. I have reached out to them through suffering souls that I have chosen to bring them back to Me, to let My grace and the Light of My Spirit flow freely to their soul, giving them new life, but they reject Me. This rejection saddens Me, for they are all My children, and I will never give up on them.

Your world is suffering due to this rejection of so many souls that pierce My Heart. I tell you, My word is alive, it is Spirit and My Light is Wisdom. The Light and My Word is Life, for all who receive it. Let Heaven be your goal, not hell, live not one day in darkness, but in truth and light. Everyone who calls upon My name will be saved, just as I have promised. Go in peace.

Your loving Jesus of Mercy.

Proverbs 8

Jesus: My children,

I have told you not to fear, for after the chastisement, the world will continue to be renewed. It will begin again, but all will be poorer and live simple lives.

Every family will embrace one another and praise My Holy Name. My faithful will receive and carry the sign of the Cross on their foreheads. This sign will only be seen by My chosen ones. No fear will enter into their hearts, they will be protected by the good spirits and will be given food to eat from heaven itself. I ask that you prepare now, do not wait, make a humble confession at least once a month and attend the holy sacrifice daily, if possible. Spend hours in prayer daily. Do not waste time, for time is precious, every moment counts.

It is important for all to wear the Brown Scapular. Fasting will be of great help, for there will come a time when you will live on less food. I ask that you forgive everyone no matter what they have said or done to hurt you. Give it all to Me.

It is of the utmost importance to receive My Mercy. Be generous, do many good deeds of Mercy. Do whatever I ask of you, your reward will come in the next life, not here.

Your mission is to help save many souls, for every soul is important to Me. I desire not to lose even one.

Give to those in need now, for soon your wealth will be taken from you and you will be penniless.

You will live as your ancestors lived, very meekly. Have blessed candles and Holy Water at your disposal. Heed My words, for time is of the essence.

Your loving Jesus of Mercy.

Matthew 16:24-28

Jesus: My children, My Mother has said that there will be a third World War if My people would not respond to Her message. I, your loving Jesus, do not desire this, the evil one wants to use the youth of this world to be the instruments of destruction. I tell you, My beloved ones, the youth are manipulated more easily by the evil one than adults. They seem to be the ones chosen by evil to use in a bigger way. The youth must be consecrated to My Mother's Immaculate Heart, for this is the only way for Her to protect them. You must all pray that in their own free will, they will do this act of mercy and consecrate themselves to My Mother's Immaculate Heart. She is their only refuge against evil forces. They need to be covered with Her protective mantle of love and place themselves in My open wound of My beating Heart. Wash themselves in My Precious Blood that flows from My weeping Heart in perfect love.

Hearts can be converted, and special graces can be received through prayer and sacrifice for all the youths, especially your own children. Remember, by choosing to offer every little thing in reparation you are responding to My plan for the salvation of the world, at this time. Offer every prayer, every Mass, every act of mercy, for My beloved youth, so that they will not pay the consequences of their misuse of the gift of sexuality. Your loving Jesus.

Luke 1:68-80

Jesus: My children,

I tell you, the economic crisis looming over your world today is the bitter fruit of selfishness and a moral crisis. It is a rejection of Me, your loving God, and the entire system of the values that I conveyed to you. Rejecting all Christian values and My Commandments, building a social and economic system upon a foundation of moral permissiveness and liberalism, will all lead to the rise of selfishness and suicide.

There lies a holocaust of unborn children, murdered by abortion with full sanction of the law, that cries for retribution from My Heavenly Kingdom. With the legalization of euthanasia, sexual license, homosexual unions, and persecution of My Bride (The Church) are all leading nations to self-destruction. All nations, Europe and America, will not come out of this crisis, will not find meaning in life or know peace and happiness, unless, in all their selfishness, fears and problems, they turn to My Mercy.

There will not be peace until nations turn with complete trust to My Divine Mercy. Remember, if one only lives for himself, he will become lost in sin, but if one lives with kindness and love in his heart, he will become surrounded by the love of others and of Me. The new peace and joy you will feel will be inexpressible.

One does not have to go out looking for ways to serve people, just take an interest in those whom I place in your path, they will be many. Show these people love and patience, and your life and world will truly be transformed. Heed these words, that I have given you from this day forward. There is no time to waste.

Go in My Name. Your loving Jesus of Mercy.

Wisdom Chapter 10

Jesus: My children, I desire for you to sing, sing about My power and Mercy. Sing of My strength and how I will wipe out all evil, for I have won the battle. Soon you will understand the importance of all messages received.

My Mother and I are leading you to safety through prayer and continual perseverance to My Holy Will. Do not be tense with fear when trouble surrounds you, as so many are, I am your Rock, your fortress, and your strength.

Stand firm in your faith. Let nothing shake you, My graces pour out to all those who trust and obey My commands. I tell you, protect your tongue, do not go around babbling about things you are not sure of, for evil lurks everywhere, it has a watchful eye and wishes to strike at the least opportunity.

Many lie awake each night thinking of all I have given them, I am with you, for you are children of My Heart. I am in the shadows protecting you from all danger. Sleep, for I will do all your thinking for you, for we are one.

I have many blessings in reserve for all those who reverence My Name. I will give you added years of life, I will send My loving kindness and truth to guard and watch over you. All this, My little ones, and all I ask of you is to praise Me each and every day of your existence, and place all your trust in Me. Your Jesus of mercy.

Jeremiah 17:1-14

Jesus: My children,

Come sit before Me, adore Me and give Me all your concerns and doubts. Prayer will always help you flee the dangers and wickedness of mankind. Come close to My Heart and receive My Divine assistance, I wait for you each and every moment of the day. Never be afraid.

I ask that you consult Me in all things in order to overcome the evil that has penetrated the world. The answer to your questions will be given when you come to Me and listen to My voice in the silence of your heart.

Believe that you will always be led by My grace, for one cannot do anything alone but only with Me. I stand beside you as does My beloved Mother, always ready to help and lead you in all that is good. My Mother weeps for this world, for those who are sick and suffering and under attack for making right decisions, especially concerning life. Her prayers for them never cease. Her Motherly love remains with all forever.

When I was a little child, how She cried when I would fall and scrape My tiny knees and lay there waiting for Her gentle loving arms to pick Me up and comfort Me. She would wipe My tears away and give Me tender loving strokes and whisper in My ear, "I love You." This is how She cares for every child on this earth, with such love. She has the same love, that She surrounded Me with. At the time of your birth, She held each of you before giving you to your earthly mother. She has watched you grow every step of the way and continues to invite all Her children to pray with Her until the day they will be back in Her arms once again. Your loving Jesus.

Revelation 3:8-22

Jesus: My children, there are many families suffering at this time. They love and struggle and seek My face, to help them. I say to them, never lose your trust in Me, even when life is a black abyss, you must have faith, for I have promised that I am with you always. The road is often narrow and very dark, but I am your Shepherd, I am by your side even when you feel very much like wounded sheep.

I tell you, when you walk through the valley of the shadow of death, you must not give into fear. The Valley of the Shadow is a long way from paradise, and yet, I your God, am with you. Hold close to Me in faith, a faith that comes to life through the breath of love, however faint that breath may seem.

I, My little ones, Am with you with My rod and My staff to comfort you. I am determined not to lose any of My sheep, I desire to keep them as close to Me as possible, that is how I use My rod and staff to keep them from wandering blindly into the thickets of that Valley of Shadows. When I see My sheep in the most terrifying and lost moments of their journey, when they are bleeding from running away and rolling in the brambles, that I come to their rescue and raise them up and carry them on My shoulders. They bleed and thrash and struggle because I lock their legs together with My hands, for they must not lose trust in Me, Who loves them unconditionally. Hold onto Me in the midst of this fury, with your understanding that My promise is true.

I will never leave your side, call on My Mercy, for My Mercy is at the end of all things.

Go in peace.

Your Jesus of mercy.

Wisdom 4

Jesus: My children,

Trust in Me, for your welfare, for I Am your Eternal God, I make all things happen. Be full of compassion, for My Mercy will swiftly reach you for your asking. I will comfort you in what lies ahead, especially those who mourn and have grown discouraged in bearing their burdens. I will deliver My people from bondage, those whose faith has led them into places of exile and great sorrow, I will be their joy. I will be their hope and their courage, for those who labor without hope. I ask that you pray for My beloved servants who have given up their priestly duties in discouragement. I will never give up on them, I will be for them their reconciliation and guide. I will guard all mankind as they come and go, now and forever, let go of all fear.

I tell all souls, to heed the call I give from darkness into light, by hope and patience, always walking in faith. Get rid of all that hinders you from Me and run to win the race, to come closer to entering the Eternal Kingdom, that awaits all with total rejoicing.

Let Me lead you by the hand through this lonely and barren desert, the desert that has brought you only sadness, to a great and glorious land, filled with happiness. Remember, My faithful ones, I always stoop down and take the trouble to make those little things for you, to give you a chance to prove your love for Me.

Say this little prayer to Me each day!

“Dear Lord, obtained for me strength and consolation in the unending struggles of this life. Help me to follow You constantly and generously, to be victorious over all my difficulties, and to receive the crown of glory in your Kingdom. Amen.”

2 Corinthians 1:3-11

Jesus: My children, I will always guide your steps and make safe the path that leads to eternal life.

Even though you may stumble and fall many times through out your life, I will be there to pick you up. Be kind and thoughtful to all, even to your enemies, for then I will bless you in abundance.

You have been told that the unjust shall be wiped out for all their wicked ways, for My justice stands firm. Surrender to Me everything and do not be afraid, for you, that are My just servants, belong totally to Me and no one will ever tear you from My loving arms, as long as you trust. Prayer is so important, for it brings you close to My gentle Heart.

Be not afraid of trials, for they are a pledge of My love, whether they are small or great. When you confide in My Heart, you will see all the wonderful things I have planned for you. Despite all that is happening around you, place your body and soul into My hands, for I am your Heavenly physician, whose power and goodness can and will calm you. Place all your confidence in the power and many things will change for you and especially those loved ones that have hurt you and cast you out of their lives. Pray for them and never give up on them, for they have also strayed away from Me, their loving God, Who loves them unconditionally.

Never, My little ones, engage in battle, turn it over to Me and I will fight for you. You will never win with the Evil One and all his evil spirits. Repeat this prayer over and over in your mind and heart, it will bring you peace and serenity and calm you.

“Blood and wounds of My Jesus, be my strength, my support, my weapons, in spiritual, moral, physical, and temporal combat. Be my victory, my merit, my virtue.”

And then say, “Oh my Mother, You take care of transforming me totally as the Heart of Jesus desires.”

Your loving Jesus.

Isaiah 60

Jesus: My children,

Just as I called My Apostles and sent them out on missions, I call each of you to serve My Father in a special way. In My Mercy you were chosen, so that you might exist for the praise of My glory. May the eyes of your hearts know what is the hope that belongs to your call. To be faithful, to overcome division's and to learn to change, and to strive in all things.

In these uncertain times ask that, I your Jesus of Mercy, may come to dwell in your midst, for all hearts, whose doors are closed, that they may be saved by your prayers and sacrifices for them. That they may be delivered from every evil, by My Mercy and be safe from all distress that has consumed them. That all may take refuge in Me against the turmoil of war and weapons of destruction, of quarrel and attacks against families, all of these disturbances that lead to total unrest.

Children of My Heart, I tell you, be refreshed in prayer, in the Holy Sacrifice and by My Holy Word. I desire to pour forth upon My people the refreshing stream of living water that wells up from My Heart, that you may dwell in inward and outward peace.

To those who will not listen to My words, and their hands are full of blood, wash yourselves clean, put away your misdeeds from My eyes, cease doing evil and learn to do good in My sight, or you will face My Justice. I am the Sower and Harvester, the seed and harvest.

I freed all those possessed by demons, and I will uproot from the fields of this world, all the weeds sown by the evil one.

Pray, pray, My littles ones.

Matthew 7 21:27

Jesus: My children,

I have told you that My people are finding such a struggle through the darkness of sin in your world. They are finding the struggle greater and greater. Their problems seem to be getting deeper and deeper, but those who have consecrated themselves to My beloved Mother will be given the strength to struggle to the end, those who are deeply and sincerely faithful servants.

You will meet souls throughout your stay on earth that will have serious problems, problems that you alone cannot solve, but I will use you as an instrument to help them, to listen to their problems, to guide them back to Me, for I alone can heal them.

You must ask the question, “Dear Lord, and my God, what will I say to this person, how can I help this soul?” Soon you will quote Me to him or her, telling them “I Jesus had nothing on this earth and you are all My children and if one trusts in Me, I will take care of them, with every difficult situation. Nothing is impossible.” Then ask them to say a prayer with you to show them the way, a way to begin to believe and trust.

You may not see a change at first, My servants, but they will eventually find peace that they are searching for. Miracles happen each and every day of one's life, even the smallest ones. Never give up hope.

Time is now moving at a rapid pace and will continue to do so. My beloved Mother has told Her children to follow the Vicar, (the Pope) for many are no longer loyal to him. They will not accept his leadership, and for this disobedience there will be a cleansing of My Bride and of the world, that is already taking place.

The darkness has entered My Bride, not to the Holy Father himself, but for some of those that are close to him.

There is so much to pray for, My little ones, My Mother and I are with you always.

Your loving Jesus.

September 26, 2022

Romans 16:17

Jesus: My children,

Even though My Bride is going through a cleansing, there is no substitute for its role in your spiritual life.

One's relationship with My Bride is inseparable from your ability to respond to My Mother's request. My Holy Word and the sacraments are the food that one must eat to have life, and My Bride is where you find the spiritual nourishment that I have given you. That messages, the signs, even all the injustices that you have experienced and continue to experience are all given to bring you closer to Me.

My beloved priests and Bishops have the responsibility to meet all your spiritual needs, for they are the anointed shepherds to lead the flock. My Mother's main objective is the marriage of faith and trust between the flock and its shepherds. My Bride must be strong and whole. My Mother is always looking after Her children and reminding Her beloved sons to have nothing else on their minds but your spiritual survival. Let not the world politics or My Bride's politics come between the nurturing of souls, nothing else is of equal importance.

I ask you, My little ones, to stay focused and pray for your shepherds, for My Bride is in the greatest battle between good and evil that the world has ever known.

You must remember the value of My holy sacrifice and the power of prayer, that can save lives. During these critical crucial times, I, your God, am calling each of you to My imitation. One must live what My Bride teaches and boldly stand behind the Holy Father, My chosen VICAR.

During the smoke of Satan, you must pray especially for the intentions of My Vicar and all bishops and Cardinals that are obedient to My Holy Will. The world is in the time of complete purification that will split the sinful from the good. Pray, hope and do not worry.

Your loving Jesus of mercy.

November 14, 2022 (Zephaniah 1:2-18)

Jesus: My children,

I wish to remind you, that your strength must come from Me and My mighty power within you in these dark days. You must put My armor on yourself, so that you may be able to stand against all the strategies and tricks of the evil forces. For I tell you, you are not fighting against people that are made of flesh and blood, but against those without bodies. They are very evil rulers of the unseen world, they are mighty satanic beings of darkness, who are ruling the world you live in and against huge numbers of evil spirits in the spirit world.

Use every piece of My armor to resist the enemy whenever they may attack, for when it is over, you and all others will be a part of My remnant. Remember, My little ones, for what is happening, you need the strong belt of truth and the breastplate of My approval. Faith is your protection that is needed to protect you, to stop the fiery arrows that are being aimed at you by evil. I give you the helmet of salvation, along with this shield of protection and the sword of My Spirit that is My Holy Word.

Each moment of these terrible trials, call down My mercy upon yourselves and all those around you, especially, your family members.

Place all these burdens of each day into My hands for all the struggles of this life. Be not afraid, I am with you always.

Your loving Jesus!

December 12, 2022 (Sirach 14)

Jesus: My children,

You must not be afraid of the trials that are being placed in your path, they are but obstacles that you must go through in order to see the road that lies ahead. I continue to ask My followers to trust and have hope, for I give you words of encouragement and promises. I tell you, without Me, everything is fearful darkness, but with Me, everything is Light. No matter how dark it has become, you are totally bathed in My Light and you will be guided.

Remember My words to you, “Let everything be in your hands, My Lord and My God, from the beginning and the end. I ask you to pray these words to Me each and every day, to bring you comfort. There are different periods in the history of your world, and so at different times I send different graces, always considering the appropriateness of the grace for the time.

I see souls are in turmoil and under great pressure. The darkness has obscured the usual process of acceptance for others and there are so many that carry heavy burdens that should have already cast off. Spiritual healing is much needed, My little ones, I will continue to shake all lost souls out of this fog that blinds them. It is time to wake up and permit Me, your God to work in your soul. Never has the ruin of souls been so complete. Scandal is so widespread, disastrous, that attacks even children.

\

I will heal the diseased vision that has caused souls to mistake evil for good, a mind that is sickened, that has caused souls to mistake selfishness for love, so that souls may stand before Me, whole in body, soul and spirit.

Instead of man carrying out his role as cooperator with Me, in My work of creation, he sets himself up in place of Me and thus ends up provoking a rebellion on the part of nature. Continue to pray for all souls. Always remember, I have won the battle!

Your loving Jesus.

December 25, 2022

Jesus: My children,

"Whoever believes in Me has eternal life." This day of My birth be pleasing to Me in all your thoughts, words and deeds, that I may fill you with love and compassion for all the needs of those around you.

The more you ask My Spirit to pour upon you My illuminating Light into your soul, the more graces will be given. One needs to leave everything behind in order to discover, in my simplicity, peace, joy and the luminous meaning of life.

Pray to My dear Mother, who has been called "cause of our joy". She will always come to you especially at this time, the time of My birth. Christmas, My little ones, has above all a taste of hope for so, so many souls in Purgatory are released and come to share in the great feast prepared for them, a day of celebration.

Rejoice this day in My coming, for today, true peace has come down to all from Heaven. Turn to Bethlehem, when peace, My children was born. Become like one of My shepherds that was guided by the light to find My Mother and foster father and to find Me, the Savior of the world.

Your loving Jesus!
