

January 13, 2025 2 PETER 3:3-13

Jesus: My children,

I do not want death and damnation for any of you, there is so much suffering, so much violence and so many sins now, so many of the little ones that cry because they are being murdered. I have said, “Thou shall not kill.”

For all those who are not in a state of grace, it will be frightening. There is still time for repentance, that is why I know and ask each of you to say this prayer each and every day. All of Heaven will pray with you and especially My dear Mother will guide you.

“In Your Name, My Dear Lord and Savior, that by Your precious Blood, we your children remove the Spirit and Voice of the Evil One and any related Spirits. Let us open the door of our heart, so that all of Your graces and the full depth of Your Love will be revealed and received, always. May we receive your blessings to know that we are Your children, to remind ourselves and others of the royal inheritance that awaits us. Amen.”

Remember, My little ones, that My Victory over evil was won for you by My passion, death and resurrection.

I ask that you strive each day to make your soul a perfect resting place for My Holy Spirit, so that you may become the perfect image of Me to all you meet. I tell you, have complete trust in Me, your Lord and Savior.

THE TIME OF CLEANSING HAS BEGUN!

Your loving Jesus of Mercy.

January 25, 2025 Revelation 18:14-19

Jesus: My children,

I tell you, nothing in this world is comparable to Heaven. You know what happens when a volcano is an eruption, so great is the force of the flowing lava, that it is capable of removing mountains and destroying them. Does mankind then need to be told that devastating power has been unloosed? Such will be My words, accompanied by grace, a strength that will conquer even the most obdurate by love.

Society has become perverted because those in authority have not acted in truth and justice. I tell you, once more that grace will accompany My words and those who make them known. Truth will triumph and peace will reign over souls, and the world, and My Kingdom will come.

Nothing will hinder my work. No opposition will break My Divine Mercy that will inundate the whole world. Let your doubts be dispelled and your trust in Me, be greatly reinforced.

Know, My beloved children, that My promises will be accomplished. Pray, pray, My little ones, and remain faithful servants to all that My Holy Spirit directs you to do.

Go in peace, your Jesus of mercy.

February 10, 2025 Psalm 61

Jesus: My children,

For all those that are weighed down by the burden of suffering, I ask that you see in your pains your service to the world. You have been granted, for My sake, not only to believe in Me, but also to suffer for Me. Suffering, My children, is the most difficult stranger in whom to see and welcome, Me, your loving God. Every suffering offers you the opportunity to enter with Me, the work of My Cross, for the salvation of this world. This is one of the most effective prayers for you to recite, to accept all of your pain and suffering. “To Thy close union with the heavenly Father, I unite myself.”

When souls say this little, but powerful prayer, they penetrate, as it were, into My Heart; they unite themselves to their God and it becomes the most supernatural act that can be done here below. One will begin to live a Heavenly life that consists of nothing else than the perfect and intimate union with the Creator. Always remember, My little ones, that I know when a heart really wants to change and accept My Graces. All the times they ask for change, but will not change their lifestyle, it will not happen. It is worse for one to be given this change of heart and sometime later to return to their evil doings. I tell you, the punishment will be greater. Pray for the souls that I long for and have given My life for. Pray for family members that have lost their way, for I will always welcome them. Continue your prayers for them and never give up hope!

Your loving Jesus of Mercy.

February 24, 2025 Psalm 78:1-25

Jesus: My children,

I tell you, without food and water you will perish in time, and without My love you would perish even faster. There are so many souls that do not understand what will become of them if they continue their journey without Me, their loving God. Those who have answered My call and remain on the path that I have placed them will be guided by My Holy Spirit in ways that are level and smooth.

This is love, My little ones, that you have loved Me, but that I loved you and was sent by My Father as expiation for your sins. Let Me rescue you from all your enemies, for I am your refuge. Let Me always teach you to do My Holy Will.

I have hidden My treasure beneath the ground so that you cannot find it or unearth and possess it without great effort and diligence. I speak obscurely so that you, My faithful ones, may be trained in the understanding of My Holy Word. My Law is your joy. I ask that you study it day and night. The fruit of My Word is your salvation, it purges your soul from its vices and sins. It is that clean water that washes away uncleanness. I will sprinkle clean water upon you I will cleanse you from all of your impurities. Pray for sinners, for by My Word many sinners have turned back to Me and brought forth fitting fruits of repentance.

My Word adorns ones' soul with all the virtues and enriches it with Heavenly gifts. It is food for your soul, the bread of life and manna from above.

Your loving Jesus.

March 10, 2025 Psalm 40:5-17

Jesus: My children,

Do not be shocked by the weather, it is a sign of the times. I love My faithful souls dearly. I carry their name in the bosom of My Heart. I need all of you to be courageous and strong of spirit.

Be faithful, do not question My Father, but know that He loves you and will not forsake you, for My sake, for you are flesh of My flesh and bone of My bone.

Please, dear ones, do not become discouraged in these days that await you. I will be with you, trust Me! I am telling you ahead of time so you can believe and trust. Hold fast to My words and those of My Mother and Heavenly Father. Draw your strength from these messages and remain faithful.

Please let Me love you more. Love Me in return, and I will bring you to Paradise. Your faith is firm and rightfully so, for you stand in the light of truth with the knowledge that dwells in your heart. The peace you feel should be evidence of this truth to you. In faith and prayer, live your hours filled with service for Me. Let no one and nothing disturb your peace. It is all hangs in the sun's shadow.

Be prepared for all that will take place in your world. There is great suffering, as you can see. Your tears are full of joy and humility, even at the mention of this great sacrifice that you have been awaiting.

Remember, My children, I will not ever give you more to bear than you have the grace to endure. Just remain open to My graces.

Your loving Jesus of mercy.

March 24, 2025 Psalm 96

Jesus: My children. Be not afraid to move forward, capturing as many souls for Me as possible. Your constant prayers and sacrifices as well as your charity has gained many rewards. The road to My eternal Kingdom has been one of one rough terrain, but because of your firm belief, you have been kept on solid ground, bringing new life to your soul. I know your cross can seem to be very heavy at times, but always remember, My little ones, that I always carry it with you. I will always carry it with you, and you will never be crushed under it. I will lift you up and carry you all the way through it.

Remember you cannot carry someone else's cross, especially family members, but I can tell you through your prayers you can ask Me to give them the strength and the grace to ensure their pain and suffering. Your loved ones through pride, have rejected all graces and have totally ignored My calling to them, but never give up, for it can happen at any time throughout their life, because there is no time and space in My Kingdom. You must have trust in My saving power. Keep yourself in in peace, and then you will be able to bring others to the peace they have been searching for. They will someday see that when I am present in their life, all things will go well and nothing will seem difficult, but when I am absent, everything is hard. Go in Peace.

Your loving Jesus of Mercy.

April 14, 2025 John 20

Jesus: My children, I tell you, rejoice and be glad, for this is the day I have made. Remember, My mercy endures forever. Seek what is above. Clear out the old yeast, so that you may become a fresh batch of dough. My resurrection is not far away, it is My dawning, My flowering in your life now.

Easter does not end, it makes you new, not only once, but over and over again. The seed sown on Calvary comes into flower in generation after generation, in life after life, and over and over again in each life, the wood of My cross blossoms with the white flower of Me, your Jesus of Mercy.

Now I have risen. Now My work is performed, and hell has lost his prey. My little ones, I have risen indeed, and I live to die no more. I am your victorious Lord of life, and I lead you in triumph through the gates of holiness into My Eternal Kingdom. To all who come forth in My Name, I will grant them salvation and success.

I will bring all those out of slavery of sin into the freedom of My Eternal Kingdom when they turn to Me with open arms, pleading for forgiveness. I rose from darkness into light, and I will bring you out of darkness of death into My glorious light to be with Me forever.

Your loving Jesus of Mercy.

April 28, 2025 Romans 8

Jesus: My children,

Every day is a day of Mercy. You are all called to put on heartfelt compassion, kindness, and humility and put on love. I have clothed you in Me, your Jesus of Mercy, that peace may reign in your hearts. May My Word dwell in you richly as in all Wisdom. Whatever you do in word or in deed, do everything in My Name.

I have shown you the path of life and the fullness of joy when you are in My presence. Always, My dear ones, set Me ever before you and you shall never be abandoned. Come to Me, trusting in My goodness and great Mercy. Come to Me in need of healing, hunger and trust for I AM your Healer. Confess your unworthiness. Praise and give thanks for the immense love you have been shown, for your lack of humility. Ask that My love may arouse in you a more perfect humility that you may please Me in every way. Pray that your sinfulness may never stand in the way of your coming close to Me.

Be mindful of My sweet and gentle presence of the never-ending praise due to Me for giving you My Sacred Body and Blood. Approach Me with great reverence, receiving Me devoutly and humbling yourself entirely in My presence and exalt My infinite goodness above yourself.

I have come to you to be with you, to invite you to My banquet, to nourish you, to give you Heavenly Food, the Bread of Life.

I AM the Bread of Life that comes down from Heaven to give you life and life to the whole world.

This is love, My little faithful ones, a love that needs to be thankful and give praise for the special gift received. I am all you need, hunger not for the things of the world, but for Heavenly food.

Go in peace. Your loving Jesus of Mercy.

Jesus - My children, Psalm 119:89-105

I look at you each and every moment, and My heart suffers tremendously to see how you put what is human before what is of Me, Your loving God. In spite of everything that surrounds you, all the signs that are sent to you, you continually walk without Me. I tell you, you are walking to eternal perdition. This is why I Am gathering those who are ready to open their heart to Me, to become My apostles of My love to help Me, so that by living in My love, you may be an example to those who do not yet know Me.

I will give you the strength to overcome all evil forces that have taken over your world. I ask you to resign yourselves entirely to My Holy Will, to love your neighbor, to forgive all who have offended you, so that every soul you come in contact with, may feel My presence in their soul. Let them look up and see no longer you but only Me, their Jesus of Mercy.

Pray with My Mother daily, always asking Her to help you conquer the evil forces that want to devour you. Evil knows My Mother will bring destruction to him. She stands between him and final VICTORY. She is the cause of his defeat. She incites her fanatics to deprive him of souls. Wherever stridence of his power extends, My Mother silently multiplies her victories. I tell you, you must continue to pray every day with My Mother, you are her beloved children. Go in peace Your loving Jesus !

May 26, 2025 Psalm 65

Jesus: My beloved sons and daughters, I call out to each of you to pray for so many souls who continue on their journey with much confusion in their heart. Their lack of trust saddens Me, their loving Jesus of Mercy. I ask you all to remind them to completely place their hope and trust in Me, for I alone will give them what they need, what they are searching for. Confusion comes from the evil one, who tries to trick souls and lead them away from Me.

One must completely forget themselves in order to let Me enter them. It is then that I will accomplish My Will within them. I ask for complete confidence in Me and live free from every care. Turn over all anxieties to Me, it is then one will feel peace. Hope in Me, I tell you, and rid oneself of all confusion. My children must always remember that I do all I can to help those in need, those who are suffering.

I was born not because there was joy in the world, but because there was suffering in it, not to riches, but to poverty, not to satiety, but to hunger and thirst, not to security, but to danger, to homelessness, to destitution and crucifixion. Through Me, suffering has become not an evil to be avoided, but a thing to be accepted willingly, as a means in the Redemption of the world.

Your loving Jesus of Mercy.

June 9, 2025 Matthew 6:1-18

Jesus: My children are afraid of everything these days, the economy, the chastisement, Third World War, health care, the behavior of their children, the immorality of this world.

I tell you, you do have grave reason to be concerned, but no reason to worry. I hear you say every day, "Jesus, I trust in You" and to My Mother, "Holy Mary Mother of God, pray for us sinners now." If you believe what you are saying, then being afraid would contradict your prayers, undermine your hopes, and diminish your faith.

Worry and anxiety and fear do not belong in the mind and heart of a practicing Catholic. You know in your heart that these things are coming when you read My Holy Word. It testifies to that. But, as long as you stay in the state of grace, your soul will be saved. Do not be worried about anything. You can wonder about My plan that you know will be the perfect one for you, and that is why I expect you to trust in Me and not worry.

Always, I tell you, depend on My Mercy and do not forget the role I have given My Mother. The victory will come through My Mother. She is My beloved, beyond all words. I desire all of her children to love, honor and respect Her. It is wise to go to Me through My Mother and to the Holy Spirit through My Most beloved Spouse. Be not afraid, My little ones. The victory will be for those who trust, believe, and obey Me and My Mother.

Go in peace, your loving Jesus.

June 23, 2025 1 John 5

Jesus: My children, I tell you, Satan is everywhere today, in the church, in law, in medicine, in science, in the press, and also in the arts. There is an area where he is for the greatest part running the entire show, and that is in the banks. Greed here in the West has permitted this and only I, your God, can stop it.

My dear ones. It is only confession that will block Satan's knowledge of your sins. It is correct to say that it is My people who gave him his rights. I, your loving God is humble, quiet, and gentle. Satan is proud, loud, and harsh. One of the greatest lies of the times, that you are in, is that the evil one does not exist. My people believe that they can do whatever they desire and never get punished for it. Even some priests today say that possessions in the Bible are today recognized illnesses of the body or of the mind. So, symptoms can be studied, analyzed, named, controlled, and then they are no longer Satan's doing??? How naive, shallow, and arrogant can My people be? Satan laughs himself silly, and you see the hospital beds filled up. Bring holy priests or holy experienced laymen to them and just watch the release from those over studied symptoms.

Remember, Satan conquers after he divides. Let Me lead you to freedom and peace to a heavenly unity. Be fishers of men, never forgetting that day when I proclaimed the Good News by My life and by My Word, your faith rests upon My witness and that of My fellow apostles. Go in peace, your loving Jesus.

1 Cor 15:1-20

Jesus: My children,

I, your God, has elected the President of the United States. He was chosen for his skill and his actions, his determination to get things accomplished. He was chosen to block the One World Government. I tell you, My little ones, My faithful ones, if he had not been in office, the one world government would have already taken place, which is truly the work of Satan.

Pray now, I tell you for him; for he is under a great danger, those of evil that have tried to dispose of him. He has been spared protected by the outpouring of the Rosary! The power of prayer is your weapon. It can stop wars, that has happened in the past. Never stop praying. Your hope is in Me, your loving God.

Pray that I may reclaim this land for My greater glory and always dwell among you to send My Holy Spirit to teach the hearts of all nation's leaders to open their minds to the great worth of human life and human freedom; that I may lead all mankind into a new millennium of life.

Pray for all souls that they may come to the light before it is too late. You, children of the light, will live in light, for you have lived My messages and are guided by them.

You need to pray hard for all your family members, who have not turned to Me to help them become children of the Light instead of remaining in total darkness.

My Mother will always pray with you to bring back these souls, don't hesitate to ask for Her help.

Your loving Jesus of Mercy.

July 28, 2025 Revelation 11:15-19

Jesus: My children,

All that has transpired in these times are the secret works of evil, to go against Me by structure which deceptively try to undermine My Bride and those of My faithful that are praying sincerely day in and day out.

These structures offer worldly success and power and are attracting souls by money and pleasure to abandon My law, the Commandments I have given. The hidden work of Satan is to destroy My Kingdom on earth with the spread of the Kingdom of darkness and sin.

These evil forces are going after population control, using artificial contraceptive as a means that is totally opposed to My Brides teaching of My Law. This contraceptive mentality has been proven to lead to the practice of abortion all over the world. I tell each of you, that I long for souls, My hunger and trust for those that will surrender and abandon themselves to My Holy Will. It is the key to get through all that lies ahead. This trusting relationship with Me is the real message that all are called to live.

I have given you My image of Divine Mercy, where the words “Jesus I Trust in You” boldly invites all who gaze upon Me, your Risen Savior to embrace My complete Love, Trust, and Mercy. I am trying, dear ones, to call your attention through a living sign of suffering or through the message that I desire you to read,

but to live, for I am trying to make all to be aware of the threatening dangers that are now in place. War, disease, family disintegration, poverty, apostasy, a catastrophic crisis surrounds you. Mankind is living in a cesspool of sin and atheism. All these dangers are especially grave for the survival of the world. Pray for the world’s conversion.

Your loving Jesus of Mercy.

August 11, 2025 Ecclesiastes 7:1-19

Jesus: My children,

You may have noticed that whenever you start praying, writing, thinking anything about Me, your God, or anything good about someone, the evil one comes after you in full force with many distractions. You must be on guard at all times. It is his job to tempt, but you must persevere, then I tell you, you will win the victory and earn many graces. His main tool is distraction, especially during prayer. Bless yourself with Holy Water and say a short prayer, for this will save you a lot of problems.

Never be without holy water. My Bride teaches that Holy Water expels devils. He hates it because of the power it has over him. He cannot remain long in a place or near to a person who is often sprinkled with this blessed water. The more you use Holy Water, the less you will be bothered by the evil one and all his cohorts.

The evil one's instruments are distraction, despair, discouragement, disgust, distrust, and displeasure. My instruments are courage, gusto, trust, courtesy, enhancement, pleasure, and many more.

You, My children, need to know that when you use Holy Water frequently, you will shorten Purgatory before you depart from this world. I also ask you to pray and sprinkle Holy Water for all the souls in Purgatory, for they will pray for you in return.

I ask you to pray this prayer when using Holy Water.

“By this Holy Water and by Thy Precious Blood, wash away my sins, O Lord!”

I give you this prayer for your protection, My dear ones!

Your loving Jesus of Mercy.

This world is so full of darkness, never stop praying!

August 25, 2025 Isaiah 24:14-23

Jesus: My children,

I your God has shown generous patience to this troubled world. I tell you, when enough holy people cry out with expectant faith, "Come Lord Jesus" I will be here.

I have waited for My people to welcome Me, like the five prudent virgins with lamps lit and oil in reserve to greet the bridegroom on his return. What My people do not understand is that in My eyes, one day is as a thousand years, and a thousand years are as one day. I will appear, not to take away sin, but to bring Salvation to those who eagerly await Me. I do not want anyone to perish, now is the time for Mercy and preparation, by holiness, humility, and by your imploring Me by offering My death until I come in glory.

As you await My coming, I ask you to take My hand, grasp it and accept My presence, My love, My guidance, My protection, and with the other hand, take My Mother's hand! I tell you, walk with Me, not ahead or behind Me, but walk patiently in My timing and pace. Come with Me, under My yolk, together with Me. Trust Me, let Me love you and embrace you, bless you and care for you. Your trust, My little ones, in Me is the source of freedom and power. Go in peace. Your loving Jesus of Mercy.

September 8, 2025 Matthew 18:6-18

Mother Mary: My beloved children, I long to hear from you each and every day. I love to pray with you and keep you safe under My Mantle. As I hear you pray to Me Beloved Son, Jesus, My Heart shall be yours. When you love as I love all My children, I want to share in their joy and suffering and comfort them in their sorrow.

Come and converse with Me. Open your heart and mind. Tell Me everything about yourself, what is troubling you and causing you so much pain and sorrow. I love you more than you love yourself, so as a Mother, I am deeply concerned, I am understanding, gentle and kind. I will take you in My arms and comfort you and ease your pain, during your daily trials.

My Son's plan for you may be completely different from yours, but He knows what is best for all of mankind. I ask all to pray from the heart, for it brings all together in close union. I listen to every prayer uttered, especially when you pray in your own words. When you ask Me to go to My Son Jesus to help you with all you are going through, there is so much meaning, words of love, feeling and emotion. Let your prayer flow from the core of your being and let it say exactly what you need to say. Let your prayers ascend to Heaven quickly by praying them with love from the deepest recess of your heart. This kind of prayer will bring healing and peace to yourself as well as those you love and entrust to My Son and I.

Pray, My children. Pray the Rosary as I have always instructed My children. Let your heart be gently raised to My Son, Who loves you all unconditionally.
I the Mother of God, give you My peace and Love forever.

Hebrews Chapter 2

Jesus — My children,

I come as your Savior to save you, I come to heal you in all your sickness and all of your suffering that you have endured. I will forgive all those that are paralyzed by their sins. I ask that you bring Me all your loved ones in faith so that I may grant My blessings upon them. Many of the Saints were called to holiness for they were seeking to build their life on My Holy Word. They were simple and humble and asked for My grace to always care for those in need. They never tired or gave way to anger despite all the challenges they experienced. I ask you, My little ones to become as these men and women, to never give up hope, to endure until the end of your life that you may attain the Heavenly Kingdom that awaits you. The road is never easy but with patience and perseverance, it can be done.

I tell you, empty yourself in charity to all those in need, spend many hours in adoration and thanksgiving with Me, Your loving Jesus of Mercy who empties Myself in Charity to always remain with you in the Blessed Sacrament. I am infinite and incomprehensible, My Heart is consumed with love for you, all I ask in return is to have faith in Me so that I may grant you so many gifts. Love Me for I have so much to give you — you are all so precious to Me, Go in peace.

Your loving

Jesus of Mercy

October 27, 2025

Jesus: My children,

I ask at this time that you multiply your sacrifices. Two or three every day are not many but when united with mine, can you imagine what a fortune that would be! I tell you, just to pray is a sacrifice, because you are taking the time to spend with Me, your loving God. You can pray when working or even singing.

I ask that you look at Me in silence at any given part of your day with a love that will be worth more than a whole Rosary recited. I wait for you, My little ones, I ask that you cover Me with your love, all of it. I want to be your breathing and the beating of your heart right to the very last. You will have My Spirit within you, that will enable you to withstand all that will happen in this world. Call out My Mercy upon your world, for there is an urgent need to give all mankind the protection of My Mother, that She may protect all her children against the forces of evil.

Continue to pray for peace, for it will bring comfort, knowing that I can do all things, nothing is impossible for Me. I count on all of you, My faithful servants to be great lights in a world of great darkness. Pray that all others especially your families to see the light and walk towards it. Do not be afraid of those who kill the body, but cannot kill the soul, but be afraid of the one who can destroy both soul and body in Gehenna. You must speak out against Satan and all of his evil spirits for all the confusion he is creating in your world. Be strong in body and in Spirit, do all things in My Name.

Your loving Jesus of Mercy

November 10, 2025 Job 34:10-37

Jesus: My children,

You should always speak of peace. The world must be educated to love peace, to build it up and defend it.

I tell you, if you desire peace, you must work for justice. Life is the crown of peace. I ask you, as my beloved followers, can true peace exist when men, women, and children cannot live in full dignity? It becomes more and more evident that there is an inseparable link between peace with creation and peace among men. May every individual recognize their place in the family and to work to bring about a world of peace.

May the way of peace enlighten your vision so that you can recognize My face in the face of every human person. The heart of peace. My Heart is an abyss of Love and Mercy. This mercy will reach out to you and all others to help lead souls to Me throughout all the turmoil in the world.

My children are feeling the weight of My Cross. The sufferings that you are enduring, these sufferings will console you greatly later when you join Me, your Jesus of Mercy. You will never be sorry that you suffered for Me.

I am bringing you along, and soon you will no longer feel the weight of this Cross. Truly, the world will change through your love, be at peace. My Mother will guide you and help you, and you will practice trusting in Me forever.

Nothing, I tell you, is gained through worldliness except heartaches, loneliness, and coldness toward each other. Truly, the world will change through your love. Be at peace, your loving Jesus.

November 24th, 2025 Isaiah 59:13-21

Jesus: Yes, My children, My eyes are heavy with tears for your world. The sin of pride, and hatred for your fellow man is bringing destruction upon your world. I your God is offended and I am deeply wounded by My creation. Man has turned his ways towards all great evils. I tell you, sin is running rampant, and there is no sign of repentance. The poor youth are being taught to love only earthly goods, and not about Me, their loving God.

There is no respect for others. It has diminished and has resulted in a self-seeking, pleasure-minded world. If souls continue to live this way without repentance, My Hand will not be able to be held back. I am begging My faithful servants to sacrifice and offer everything to Me for the salvation of the world.

Remember, My little ones, meditate on My tiredness as I carried the cross to Calvary, the weight of sin on My shoulders, the unbearable pain I endured for all mankind. I suffered in silence, for it was My Father's Will. Love Me as I love you, with each breath to make yourself a prisoner of love for Me. Long to always have Me in your company, that I may share in your pains and sorrows for all others, especially your family members. In all you are going through, all your tears you shed for others each day, I shall relieve you with My Love and give you My Heart. Remember, I am always there for you. I will never leave those that continue to do My Holy Will.

Your loving Jesus.

December 8, 2025 Jeremiah 17: 1-8

Jesus: My children

On this day My Mother is calling each of her children to pray with her. She calls those who have not come to know the love that lasts forever and ever. She says, if all her dear ones were to look into their hearts, they would comprehend that I their God am speaking to so many souls who do not know the love I desire to give them.

She goes on to say, that she is asking all souls to open their heart and love My Son and not eliminate Him and live as they want. May they look around and see where the world is going, the world that believes of doing everything without My Son, to wander in the darkness of temptation. I speak to you as your loving Mother because there is someone in every family that is in this situation. My Son is offering, to all, the light of the Truth and the Holy Spirit.

I tell you, according to my Son's plan He is with all of His faithful servants to help those around them to desire Him, His Cross, His Resurrection and Triumph. Please, my dear children, pray for unity in all families that are struggling, that they will return to My beloved Son by all your prayers and good works of Mercy. I ask that you will seek conversion for your loved ones, that they may leave a sinful life and desire for holiness. Only in this way can you help them come to My Son. He will continue to knock at the door of their heart and hopefully with all your prayers they will open the door.

I your beloved Mother, give you My peace and love forever.

December 22 2025 (Wisdom 3:1-9)

Jesus: My children,

There is nothing more pleasing to Me than to see you are truly humble in your daily life. Even when others find fault with you, you will remain at peace, your attention will be fixed on Me alone and you will never forget your complete dependence on Me, your loving Jesus of Mercy. I tell you, fight against the sin of pride within you, because you will be so impressed by your own nothingness. You will not look for admiration from others and will always be willing to be last instead of first. You will not care what others think about you, for you will be eager to please only Me.

You, My little ones, will seek only My approval in everything that you do. Never, I say never compare yourself with those who seem worse than you, but I ask that you always remember how generous I have been to you in all things. The Virtue of Humility will convince you, that without Me, you are truly nothing. I must be everything to you. Through your humbleness, you will come to know Me more and more and will share in My generous gifts. Let your hands become My hands full of good deeds, bringing comfort and joy to so many souls. I am hidden in your own yearnings, sufferings and ideals, but always wanting to be discovered. Hunt for Me everywhere and let yourself be captured with such joy. And, I tell you, when you have found Me, give Me to others. There are souls I am waiting to reach only through you. Your loving Jesus.
