**December 25, 2025 Released New Years Day
Great Hope!**

Mother Mary: Do you see what is happening all around you? Do My people understand the importance of it all? Jesus and I are speaking clearly to all hearts, turn back now, before it is too late. The clock is ticking and everything in your lives is changing. The economy is and will collapse before your very eyes and will never be the same. Your lives are going back to simplicity, to the days of farming, when souls that survive all that is happening will be poor, but happy. All the unnecessary things of the world will no longer exist. The faithful will live in community and be joyful with one another. They will break bread and share what is given them and praise “The Holy Name of Jesus.”

Your job for now is to be obedient to whatever God is asking of you, to reach out to those in need, to help build up the Kingdom to come. To pray and call down the Mercy of God upon this fallen world, a world full of hatred and self-pity. Refuges are being built in many states to protect the Remnant that will survive the storms to come. Green houses are in place to grow what is needed to survive. The shelves are being stocked with all supplies that I have instructed. Those that are living in luxury now will live in poverty. The Center for Peace and the House for Mary will be a place of refuge.

Work with My Son and I, do not be afraid to help in any way. You must continue to prepare now. You are the prayer warriors that have been chosen to usher in the Triumph of My Immaculate Heart. Your loving Mother!

Psalms 22

Jesus: My children, come to My Heart and receive My Divine assistance. I wait for each of you to never be afraid. Consult Me in all things in order for you to overcome all evil forces.

You, My dear souls, will always be led by My grace, for you cannot do anything alone. I promise to stand by you always, ready to help you and guide you in all that is good. You are nothing. You are dust, and you shall return to dust. I want to help you reach your eternal destination, for I long for you to be with Me forever.

You must ask for the gifts of understanding, wisdom, and courage, so that you may advance and become more pleasing to Me. I desire for you to grow in holiness and lead others by your example. By My presence, you will be taught the wisdom to dispose of all your human comfort and seek only Me.

Be actively compassionate in time of suffering, for one pain endured with joy, you shall love Me, your God, more and more. Be simple, humble, and pure. Become servants who are submissive to every human being for My sake. My Spirit will rest on you as you persevere to the end of your life here on earth. Your loving Jesus!

Mother Mary:

Today, My children, I am praying with you that you may listen to My Son's voice to gather the strength to open your heart to Him and be aware of the love He wishes to pour on you.

Through His love, goodness, and meekness, I am also with you and will give and will guide you, My little ones. You cannot go forward without My Son. When you comprehend and accept what He has promised to you, that through the power of the Holy Spirit, the Kingdom of Heaven will be born in your heart.

Your loving Mother.

Mother Mary:

My dear children,

In these days that you have come to pray and give thanks to My Son, I ask that you pray for peace in the world. He asks that you have total confident love that you are willing to give up all that He asks of you for His greater glory. That you will not hesitate to accept His gifts of the Holy Spirit that are extended each and every moment of your life.

Let Him possess and transform you into Himself, so that you will always rest in His Sacred Heart and be shielded by the protection, His armor. I your beloved Mother and present with you and pray with you in adoring and glorifying God. Never let the evil one distract you and try to deter you from reading the Holy Word daily. It is a necessity in one's life for prayer is the answer to all things. My Son is watching and waiting for those who come forth with their promise to share what they have been given to continue to finish this mission.

I asked you, My children to pray many rosaries and make many sacrifices to present to My Son on your behalf especially for conversion of family and the world and all missions that have been given.

The sacrifices seem great, My children but in the end there will be much rejoicing in seeing your loved ones in eternal life.

Never, I tell you, be deceived by the evil one, who puts negative thoughts in your mind, for he puts fear in place of peace and joy in one's mind. The thoughts of becoming without possessions, without money that means nothing in the end.

One cannot serve God and mammon, it must be only one, your God. Be at peace. I the Mother of God give you My peace and love forever.

Jesus: Do you believe that I am the Son of God and do you believe that I died for all men and women and that I rose from the dead? Then why do you continue to be distracted and anxious about your loved ones?

Would I refuse to work in their lives just as I work in yours? I have not put you in charge of redeeming them. I have already done that! Nor do you have the power to change their hearts. Only My Holy Spirit searches and knows the deepest hearts of men and women and only He can heal their deepest wounds.

I tell you, your task is to love, forgive and to pray for them and turn them over to Me. I will do the rest! Trust Me.
